April 30, 1788.

To be SOLD, to the highest bidder, on Wednesday the 4th of June next, if fair, if not the next fair day,

THE plantation whereon the subscriber now lives, lying in Prince-George's county, about a mile from Rock-Creek church, between Bladensburgh and George-town, and is very convenient to several very good grist and saw-mills; the situation of this land I think equal to any in the state for trade, and the soil is suitable for planting or farming, there being plenty of excellent meadow ground on it, some in grass, and much more may be very easily improved; there is excellent fruit of all kinds, apple-trees sufficient to make 3 or 4 thousand gallons of cyder a year, when the trees bear, and they seldom miss, more or less every year; there are two very good dwelling-houses joined together by a passage of ten feet, laid with brick, the one is 24 by 16 with a cellar under the whole, walled with stone, the other is 20 by 24, the whole planked above and below, with several convenient lodging-rooms, kitchen, milk house, meat house, quarter, corn house, hen house, &c. &c.

I think it needless to say any more unless the quantity should be too small (which is about 300 acres); I am authorised to sell two other parcels of land, adjoining each other, and lay very well together, the whole being about 650 acres; some of this land I think equal to any in this part of the county, if not superior; it is presumed no person would choose to purchase either of the above lands without viewing them first, which may be seen at any time before the day of sale, by applying to
