HYDER ALLY,

NOW the property of the subscriber, is in high perfection, and stands this season at the seat of RICHARD CHEW, Esquire, to cover mares at two guineas each, payable the first day of September next, when it is expected the strictest punctuality will be observed.

HYDER ALLY is a beautiful gray, elegantly dappled, full fifteen hands three inches high, bony, lengthy, strong, and active, his strong resemblance to his sire, whose stock stands in high estimation both for the turf and saddle, will, it is presumed, entitle him to a preference, and his pedigree following will prove his blood equal to that of any horse in America.

He was got by the noted Arabian, his dam by Othello, his grand-dam (an imported mare from the duke of Hamilton's stud) by Spot, his great-grand-dam by Cartouch, his great-great grand-dam by Old Traveller, his great-great-great-grand-dam by Sedbury, his great-great-great-great-grand-dam by Childers, out of a Barb mare.

Excellent pastures are provided for mares coming from afar at 2/6 per week, and every possible care taken of them, but accidents and escapes must be at the risk of their owners.

Scheme of a Lottery,

For the purpose of disposing of 1198 ACRES of LAND, lying in Anne-Arundel county,

—VIZ.—

No. 1. PARTS of Silver Stone and Major's Choice, being on Fishing creek, and full in view of the Chesapeake Bay, containing 350 acres of as rich heavy timbered land as any in the state, two thirds of which is covered with heavy wood, the remainder is in cultivation, which will readily produce 50,000 pounds of fine tobacco per annum, besides grain of every kind in great abundance.

Several acres of this valuable tract are now in meadow, and produce as fine grass, and as great a quantity, as any place in the world; much more land, at a trifling expence, may be made into meadow, equal in goodness; it has also the desirable advantage of affording the most excellent fish, oysters and wild fowl, in their season.

The improvements are a dwelling house, several negro quarters, three tobacco houses, corn house, &c. all in good repair; its great value and agreeable situation renders every other encomium unnecessary.

No. 2. A lot of 148 acres of land.

No. 3, 4, 5, 6, 7, 8, 9, Lots of 100 acres each, lying in said county.

The above-mentioned lots are joining each other, well timbered, with a quantity of good meadow land, which may be cleared at a very small expence: It produces great abundance of all kinds of grain.
