SCHEME OF A LOTTERY

For the purpose of disposing of valuable property in the district of COLUMBIA, consisting of three tracts or lots of LAND about one mile north of the city of WASHINGTON; and fourteen lots in the lower part of the town of GEORGE-TOWN, as follows:

LOT No. 1, contains 107 acres, on it are 18 acres of meadow-ground, and a promising young apple orchard containing 175 bearing trees of choice fruit. This lot contains about 16 acres of wood-land, lies upon a main road, and is not more than one mile from the city of Washington.

LOT No. 2, contains 84 acres, and bounds with the preceding lot; about 35 acres thereof are in wood, and about 17 acres in meadow-ground. This lot is bounded on the west by the meandering waters of the Piny-Branch. On this stream is a fall of 21 feet, and abounds with quarries of excellent building stone. On this lot are two beautiful situations for houses.

The subscriber proposes drawing this Lottery in George-Town, on the first Monday in May next, or sooner, if the tickets are all sold, which he flatters himself will be the case from his present prospects. Deeds, with a general warranty, will immediately be given for the lots of land, and the money for the cash prizes will be paid on demand. Notice will be given of the drawing in the public papers, and a list of the fortunate numbers will be immediately published. The crop now on the lots is reserved to the subscriber.
