COOKING IS FUN

Taffy Apples and Lollipops for your trick-or-treaters

An old fashioned treat that is hard to come by these days is an apple on a stick. You sometimes see them in special ty candy stores. In New York, they are traditionally sold in subway passages and on Halloween, in bakery shops.

But what a shame to buy them when half the fun is in the making, and tremendous joy in the accomplishment. To make taffy apples at home, select good eating apples in a medium to small size.

The sticks may be found in dime stores. If you can't find them, however, you can use wooden skewers from a meat dealer or make your own sticks out of slim dowels available at hardware stores or at a lumber yard. Cut the dowels into four or five-inch lengths.

TO MAKE perfect apples on a stick, it takes practice. The recipe here has been carefully developed and tested. Follow the directions explicitly and you should have little trouble. The syrup doesn't thicken quickly, and there is plenty of it, both of which help make the dipping easy.

Like the perfect apple on a stick, the taffy coating doesn't stick to the teeth. The first bite may be hard to accomplish, but after that the eating is not only delightful, but easy.

ANOTHER FAVORITE candy that is seldom made at home is lollipops. After you tackle the apples on a stick, perhaps you will want to try your hand at lollipops. Get ready for a treat, kids!

FOR APPLES ON A STICK the eight small to medium apples; eight wooden sticks; one cup light corn syrup, one-half cup water, one-half teaspoon red or green food coloring, and one-half teaspoon essence of peppermint, spearmint or anise oil.

Combine sugar, corn syrup and water in saucepan. Cook over medium heat without stirring, to 300 degrees F. or until a small amount of mixture separates into threads which are hard and brittle when tested in very cold water. Cool slightly.

Add coloring and flavoring; blend. Place three and one-half dozen skewers four inches apart on oiled or greased baking sheets. Drop candy mixture from tip of teaspoon over skewers to form two - inch discs. If syrup hardens before all of the lollipops are made, return pan to low heat only long enough for the syrup to melt.

Makes three and one - third dozen lollipops.

COOK OVER medium heat, stirring constantly until mixture boils. Then cook without stirring to soft crack stage (285 degrees F.) or until a small amount of mixture separates into threads which are hard but not brittle when tested in cold water.

Remove from heat; add flavoring and stir only enough to mix. To keep syrup from thickening while dipping the apples, set pan in larger pan of hot, not boiling, water.

Remove from syrup; allow excess to drip off, then twirl to spread syrup smoothly over apple. Place on lightly buttered cooky sheet to cool.

Store in cool place.

LOLLIPOPS are made with two cups sugar, one cup light corn syrup, one - half cup water, one - half teaspoon red or green food coloring, and one and one - half teaspoons essence of peppermint, spearmint or anise oil.

Combine sugar, corn syrup and water in saucepan. Cook over medium heat without stirring, to 300 degrees F. or until a small amount of mixture separates into threads which are hard and brittle when tested in very cold water. Cool slightly.

Add coloring and flavoring; blend. Place three and one-half dozen skewers four inches apart on oiled or greased baking sheets. Drop candy mixture from tip of teaspoon over skewers to form two - inch discs. If syrup hardens before all of the lollipops are made, return pan to low heat only long enough for the syrup to melt.

Makes three and one - third dozen lollipops.

Manning, Shaw with new ideas

Manning and Shaw, well known Baltimore realty firm, in keeping with its aim to make home buying as easy as possible for its clients, recently announced several new features which are revolutionary in the used home market.

The firm believes these features and the guarantees included, make the purchase of a used home, more attractive than buying a new home in some cases.

Consistent with its high standards, the firm thoroughly inspects and corrects all property before it is released to the buyer.

MUELLER'S Menu for Tonight

by Barbara Allen of the Mueller Kitchens

Magic Casserole
Sliced Tomatoes
Cucumber Salad
Fruit Cup
Coffee • Tea • Milk

A zip-into-the-oven casserole highlights this wonderfully easy and inexpensive menu to perk up lazy appetites. And it's so delicious, so nutritious, because it's made with Mueller's Elbow Macaroni. Mueller's, you know, is made from a blend of not just one kind of wheat, but two. Semolina plus extra-fine durum flour. I call the casserole "magic" because you can vary it: use chipped beef and green peppers... or cheese... instead of tuna, if you like.

MAGIC CASSEROLE
2—8 oz. pkg. Mueller's Elbow Macaroni
6—7 oz. can tuna
1 can cream of mushroom soup (condensed)
8 ounces grated cheese (Cheddar or Parmesan)

Cook macaroni according to package directions. Alternate layers of cooked macaroni and tuna. Pour soup over all. Sprinkle cheese on top. Bake 35-40 minutes in a moderate (350) oven and serve 4 proudly. It's fun to invent your own "magic casserole". You can, simply by varying the combination. Leftovers can be used this way, very nicely.

P.S. You'll never get the results you want unless you insist upon Mueller's Elbow Macaroni. Nobody makes macaroni like Mueller's. It's "Tops for Taste". So put it on your shopping list now!

MUELLER'S MACARONI

Cold Sufferers!
HOW MANY COLDS SYMPTOMS ARE TREATED BY YOUR PRESENT COLD MEDICINE?
Special-purpose 666 is effective against all symptoms of the common cold

PRODUCT	STUFFINESS	ACHINESS	FEVER	CONSTIPATION	GENERAL "SICK-FEELING"

B		X	X		
C		X	X		
666	X	X	X	X	X

Medical authorities recognize that there are 5 major symptoms of the common cold: stuffiness, achiness, fever, constipation, and general "sick-feeling." 666, the time-tested and proven cold medicine, *fights all 5*. No "one-ingredient" product, advertised for "colds" can possibly do this. 666 is a broad-activity, multiple-ingredient medicine, developed and marketed *especially for the treatment of colds* . . . and not for any other ailment.

A SPECIAL COMBINATION PRODUCT
666 is a dependable, proven *combination* of medicinal ingredients, which are used by many doctors in their prescriptions. It is especially designed to give *fast, positive* relief, from *all* colds symptoms . . . not just one or two. 666 is more effective in the treatment of colds, because it hits more symptoms than any "general" product. That's why 666 is *guaranteed*. It's got to work . . . or your money will be refunded. Join the thousands of families who trust and rely on 666 . . . and see what *real* relief can be like. 666 comes in two ways . . . liquid or tablets. Take your choice . . . the same fast relief is in both.

Science Shrinks Piles New Way Without Surgery Stops Itch—Relieves Pain

New York, N. Y. (Special) — For the first time science has found a new healing substance with the astonishing ability to shrink hemorrhoids, stop itching, and relieve pain — without surgery.

In one hemorrhoid case after another, "very striking improvement" was reported and verified by a doctor's observations.

Pain was relieved promptly, and, while gently relieving pain, actual reduction or reaction (shrinking) took place.

And most amazing of all — this improvement was maintained in cases where a doctor's observations were continued over a period of many months!

In fact, results were so thorough that sufferers were able to make such astonishing statements as "Piles have ceased to be a problem!" And among these sufferers were a very wide variety of hemorrhoid conditions, some of 10 to 20 years' standing.

All this, without the use of narcotics, anesthetics or astringents of any kind. The secret is a new healing substance (Bio-Dyne®) — the discovery of a world-famous research institution. Already, Bio-Dyne is in wide use for healing injured tissue on all parts of the body.

This new healing substance is offered in *suppository or ointment form* called *Preparation H®*. Ask for individually sealed convenient Preparation H Suppositories or Preparation H Ointment with special applicator. Preparation H is sold at all drug counters.

Has CHANGE-OF-LIFE Built a Wall Between You and Your Husband?

Special medicine relieves these miseries so effectively 8 out of 10 women tested found a happy middle-age again!

Too many women "give in" to change-of-life! Instead of enjoying middle-age, they spend those years *in misery*... nervous as a cat, smothered by "hot flashes", so weak they feel only half-alive! Result? They're too tired, too tense to give their husbands real companionship.

Don't let it happen to you! Today, most women can go "smiling through" those trying years — with Pinkham Tablets! This medicine-tested combination of medicine-tested ingredients was specially developed for the ailments women *alone suffer*.

Miss Johnson wed to S. Sgt. Coates

Miss Elaine Johnson, daughter of Mr. and Mrs. Robert Johnson Sr., became Mrs. James Z. Coates Jr. in a double - ring ceremony performed by the Rev. George Matthews at the Church of God here recently.

Organ music was rendered by Charles Smith. Randolph Poulson was soloist.

THE BRIDE given in marriage by her father, wore an original princess line gown of peau satin fashioned with a lace panel in the front of the skirt and a lace panel back extending the full length of the chapel length train. The bodice had a heart shaped jeweled neckline and long sleeves. The skirt of the gown had Alencon lace appliques embroidered in sequins and seed pearls.

She wore a crown of sequins, rhinestones and pearls with finger tip veil of French illusion. She carried a bouquet of white roses, snapdragon and baby's breath.

MISS JANIE EDWARDS of New York was maid of honor. She wore a blue peau satin dress with fitted bodice and bell shaped skirt. Her headpiece was a peau satin bow with circular tulle veil.

Bridesmaids were Misses Loretta Little, Elizabeth Jones, Barbara Scott, Mary Coates and Catherine Edwards of New York City. Their dresses were of same design as maid of honor in an ice blue shade of peau satin.

Flower girls were Lynnette Johnson, niece of the bride and Malissa Thornton. They wore dresses of blue peau satin with cummerbund and sash of royal blue. Neck and sleeves were trimmed with white lace. They carried old - fashioned flower baskets.

PAUL COATES was best man for his brother. Ushers were James D. Little, Freddie Thornton, Edward Smith, Romeo McClarry, and Stacey Prince of Washington.

Attendants to the flower girls were Derrick Johnson, nephew of the bride and Marquis Joyner. Ring bearers were Roy Campbell and Bruce Campbell nephew and niece of the groom.

THE BRIDE'S mother wore a beige satin dress with a lace beige tunic, fashioned in dark brown at the bottom of the skirt. She chose brown accessories and a corsage of yellow roses.

The bridegroom's mother wore a dress of angle blue satin with a scalloped lace tunic. She chose ice blue accessories and a corsage of red rose.

A reception was held immediately following ceremony at the Me-De-So Club.

S.Sgt. Coates is the son of Mr. and Mrs. James Q. Coates, Sr. He and his bride left for a wedding trip to Pocono, Pa., and will be at home on Dolfield Avenue following their return.

Dr. Mishoe to Del. State

Dr. Luna I. Mishoe, physics professor at Morgan State College, has resigned his post to become president at Delaware State College.

His appointment, effective yesterday (Thursday), was announced by Dr. Martin D. Jenkins, president of Morgan, and John N. McDowell, president of Delaware State's trustee board.

He will succeed Dr. Jerome Holland who is scheduled to become president of Hampton University, Hampton, Va.

The AFRO carried an exclusive story last week that predicted the appointment.

Established since 1891, Delaware state has a student enrollment of 345. Approximately five per cent of the enrollment is white.

Fourteen buildings are on the college's campus.

DR. MISHOE, 43, has served as chairman of the natural sciences division at Morgan since 1956, and holds degrees from three institutions.

He received his Bachelor degree from Allen University, Columbia, S.C.; his Masters degree from the University of Michigan, and his Doctorate from New York University.

He also did post graduate work in research at Oxford University, where he had been invited to serve as consultant and guest lecturer.

In addition, he taught at Kittrell College, N.C., and spent two years at Delaware State College as mathematics professor before coming to Morgan as associate professor of physics in 1948.

A NATIVE OF Bucksport, S.C., Dr. Mishoe was raised in Marion, S.C., where he attended public schools.

He has been married to Mrs. Hattie Mishoe for 26 years.

They have four children: Bernellyn, 13, Luna 3rd., 12, Wilma, 11 and Rita, 10 months.

They live at 3321 Sequoia Ave.

LENA IS FOR KENNEDY — "I'm no politician," says Lena Horne, "but it just seems to me that a Democrat like John Kennedy cares more about people. He cares more about all the things that still need to be done in this country, like more jobs and a better chance for everybody. Republicans talk pretty but Kennedy will do something about all the problems. That's what counts. That's why I'm for Senator John Kennedy for President."
