IT'S KENNEDY

(Continued from Page 1)

"That means we must secure to every American access to all parts of our public life—

"To the voting booth,

"To the school room,

"To jobs,

"To housing, and

"To all public facilities including lunch counters."

No presidential candidate has made a more forthright statement on Civil Rights.

The White House today needs such a President who will take charge.

• • •

The Catholic issue

One of the issues in this presidential campaign is:—Can a Catholic be elected President?

Senator Kennedy is a Catholic.

Catholics constitute one of the largest minority groups in our country.

If a member of the Catholic minority cannot be President simply because of his religion, what hope is there for equal rights and a square deal for smaller minority groups?

Thirty-two years ago we said the same thing when the AFRO supported Al Smith for the presidency.

We will continue to repeat it until we do put a Catholic in the White House.

Our Constitution gives citizenship equality to all Americans, no matter what their religion or race.

This is the time to test our high claims to democracy.

When we win, we shall have elected to the nation's highest office one, who has felt the lash and sting of prejudice and can sympathize with others who suffer under its handicaps.

Republican failures

Both President Eisenhower and Vice President Nixon have sought to settle our differences with Russia. Both have failed.

We do ourselves no favor when we do not put in a fresh team after the older boys are bogged down.

Senator Kennedy would not risk war in defending Quemoy and Matsu, two islands near the Chinese mainland, which have no connection with our chief interests or those of Nationalist China.

Senator Kennedy has been a vigorous supporter of welfare legislation, health, labor, education, public housing, urban renewal and social security.

Vice President Nixon voted this year against increased funds for building classrooms and increasing teachers' salaries.

Mr. Nixon voted against increasing public assistance payments to the blind, aged and disabled (up to $70 a month).

Undoubtedly, if elected, Senator Kennedy, a Democrat, would have better relations with the next Congress.

Congress—both House and Senate —is Democratic now and this situation is not likely to change in November.

Mr. Nixon, a Republican, would find the same difficulties with a hostile Congress as did Republican Eisenhower.

• • •

We can do better

Our country has moved forward these last eight years—but falteringly and awkwardly.

Senator Kennedy has had the courage to tell the people we have not done enough and we can do better.

For these reasons the AFRO favors the election of John F. Kennedy.

Noteworthy

By HERB MANGRUM

Christmas is over 50 days away but merchants around the country are acting like December 25 is next week.

This year the merchants apparently intend to soak the rich because they are teasing the big money crowd with gimmicks like:

A Mercedes - Benz touring coach for $12,750.

Believe it or not the air-conditioned hot rods contain mahogany - paneled conference rooms and living quarters, and 70 - inch long sofas that convert into beds for three.

But that's not all.

The "Thing" carries two upholstered lounge chairs, a sink and rest room facilities plus "many extra features."

Mercedes-Benz's are made in Germany.

With a gimmick like the touring coach I can well understand how Germany got back on its feet after losing a war.

• • •

THE STATE of Texas has outdone Germany however.

The top gift in one Texas store's Christmas catalog is "His and "Hers private airplanes."

For $176,000 the store will deliver a seven-place Beechcraft Super G18 for "him," and a four-place Beechcraft Bonanza for "her."

Those Texans always did over do things with their pocket change.

• • •

A MIDDLE - aged engineer from Alington, Va., received his Christmas gift early Saturday at Western.

Police found the engineer and a lady friend together in a rooming house. Neither had bothered to register.

The woman was ordered to leave town. The man was allowed to go on his way.

Question: Why is it that men are never charged in cases of this type?

5,000 in, 10,000 more needed to reach NAACP's 1960 goal

A total of 5,500 members has been reported so far in the NAACP'S Annual Membership Campaign. The goal is 15,000 members.

The campaign will end November 15. All volunteer workers are urged to make a partial report Tuesday, November 2, at Sharp Street Memorial Methodist Church, Dolphin and Etting Sts., 8 p.m.

Philip H. Savage, Campaign Director, said Thursday, "The price of freedom is rising every day."

"The NAACP membership must double if it is to keep pace with this rising cost. School integration suits and sudent sit-ins cases must be appealed to the Supreme Court. We must pay the rising cost even if we have to make a supreme sacrifice to do so."

• • •

AT THE weekly meeting held at Apostolic Faith Church, 25 S. Caroline Street, Bishop Winfield Showell, pastor, fifty workers reported a total of 172 new members.

Bishop Snowell, made an initia $50 payment on his $500 life membership. He pledged also that the church would start its life membership on Sunday.

This brings to 166, the number of Baltimoreans who have completed or made partial payments on life memberships.

Some of those making reports at Apostolic Faith Church were: Mrs. Josephine Jones of Knox Presbyterian and Mrs. Marie Smallwood of Zion Baptist, 11 members; Willie Hubbard, Elizabeth Martin, Mrs. Ruth Boyd, Addison Warren, Mrs. Geraldine Jones, of Israel Baptist Church 82 members;

And, Mrs. Sereatha Spriggs, Mrs. Julia Smoot, Mrs. Marion Taylor, Mrs. Hilda Johnson, Martin Carrington, and Phobe Murphy of First Apolostic Faith, 64 members.

• • •

ON SUNDAY, the NAACP sent speakers to various churches in the community, urging that NAACP memberships be taken out during the campaign. John Quarles, David Williams, Clarence Mitchell, III, Noemia Collins, Charles Michael, and Clarence Logan were among them.

Monday and Tuesday were busy days at the NAACP office this week. A number of workers made their reports. There were 340 new NAACP members.

Valiant workers for freedom reporting were: Mrs. Marie Turner, Mrs. E. Golden, and Edith S. Clement of Pennsylvania A.M.E. Zion Chuch; Herman Handy, Macedonia Baptist Church; Luther Mitchell and Mrs. Genevieve Thompson, Centennial Methodist

Addison Warren, Miss Tilman of Israel Baptist Church; Mrs. Emmie Moore, and Jimmie Dean of Little Ark Baptist Church; Mrs. M. Campbell of the Carroll Improvement Association, and Elizabeth Baptist Church;

OTHERS REPORTING were: Boyd L. Christoe, Mrs. Mattie B. Moore and Walter A. Brown, who reported 17 members.

And, Mrs. China Dean, Joshua Brown, Mrs. Virginia Keasley of Leadenhall Baptist Church; Mrs. Amanda Pinch, First Baptist;

Mrs. Susie Murphy, Mrs. Bethel Morrow of Wayland Baptist Church, 39 members; Mrs. Clarice Rucker of Perkins Square Baptist; Mrs. Eliza D. Green, Mrs. Eleanor Gladden, Mrs. Regina Smith, Simmons Memorial; Mrs. Louise Belcher Mrs. Lorraine Frank, Mrs. Sarah Corbin of Whitestone Baptist, 12 members; Mrs. Edith B. Campbell, Union Baptist.

The twins, Joan and Jean Wilson, and their friend, Brenda Boyd, reported 14 members.

Douglas Memorial Community Church, the Rev. Marion C. Bascom Sr., pastor, reported 44 members.

The Jackie Robinson Youth Council, Stanley Bugler, president, has turned in 25 new members.

THIS WEEKEND, today (Friday), and Saturday, October 28 and 29, youths of the 700 block of Dolphin Street will begin the NAACP door-to-door canvass for new members. Headed by the president of the 700 block Improvement Association, Mrs. Victoria Coleman, and its financial secretary, Mrs. Alice Wilson, these young adults will ring door bells on Dolphin, Lanvale, Lafayette, Myrtle and Fremont Avenues.

Charles and Hazel Scott, Peggy Johnson, Thomas Curtis, D. Anthony Curtis Joan Curtis, Rosetta Dunnock, Rowena Dunnock, Barbara Davis, Diana Davis, Betty Williams, Brenda Wheeler, James Thomas, Norma Neal, James Harris, Patricia Evans, and Kathleen Brown will be the door bell ringers.

NAACP meetings will be held at Allen A.M.E., 1230 W. Lexington St., October 30, 3 p.m.; Ebenezer Church of God in Christ, 1505 Brady Ave., November 2; and Leadenhall Baptist, Leadenhall near Cross St., November 3.

Minimum NAACP membership is $2.00. A $3.50, or above, membership entitles holders to a subscription to the Crisis. Twenty-five dollars will start a junior life membership. Fifty dollars will begin a senior life membership.

The NAACP office at 1231 Druid Hill Avenue open daily from 9:30 A.M to 7:30 P.M. Additional campaign material and information may be secured there. The telephone number is Laf. 3-8503-04.

Hidden cash disappears; diamonds too

Floyd Aams of the 2500 block Kirk Ave., apparently does not trust banks.

Mr. Adams hid $4,800 cash in the basement of his home recently.

When his wife, Mrs. Thelma Adams reached behind a light fixture Sunday she found the money gone.

Northeastern Distriet Police reported at least four persons knew the money was hidden in the basement.

• • •

MRS. PHYLLIS C. SHAMWELL of the 3000 block N. Hilton St., was almost as unlucky as the Adams family.

On Tuesday Mrs. Shamwell reported the theft of the following articles from her home:

A half-carat diamond ring, a half-carat engagement ring, a platinum wedding ring with diamond chips, two television sets, three radios, seven watches and $31 in cash.

The hope of tomorrow and today

"We will carry out the great Democratic platform and turn into a living reality the American vision of a free society in which no man has to suffer discrimination."

Senator John F. Kennedy

Senator John F. Kennedy is a Democratic leader in the Roosevelt tradition. He cares about people. His voting record proves his concern for human problems. And the Democratic platform to which he is pledged has the strongest civil rights plank in history:

• *A national FEPC* . . . to guarantee the right to equal opportunity for employment,

• *Elimination of literacy tests and poll taxes* . . . to insure the right to vote,

• *Desegregation plans for all schools by 1963* . . . to enforce the right to a good education,

• *Executive action to end inequality in Federal Housing and Government Contracts* . . . to provide the right to decent housing,

• *Federal court action on civil-rights laws* . . . to prevent the denial of any civil right on grounds of race, creed or color.

Leadership Needed Now

The future will not wait much longer. For 7½ years America has been governed by an aloof, do-little Republican Administration. It is time for leadership and action. It is time to elect John F. Kennedy President of the United States. He will dedicate himself to the Democratic "Rights of Man" Platform—in America and throughout the world.
