CERTIFICATES.

☞ *MORE CONCLUSIVE PROOFS* of the extraordinary efficacy of *Dr. WM. EVANS'* celebrated *CANOMILE* and *APERIENT ANTI-BILIOUS PILLS*, in alleviating afflicted mankind.—Mr. Robert Cameron, 101 Bowery. Disease, Chronic Dysentery, or Bloody Flux. Symptoms, unusual flatulency in the bowels, severe griping, frequent inclination to go to stool, tenesmus, loss of appetite, nausea, vomiting, frequency of pulse, and a frequent discharge of a peculiarly fœtid matter, mixed with blood, great debility, sense of burning heat, with an intolerable bearing down of the parts. Mr. Cameron is enjoying perfect health, and returned his sincere thanks for the extraordinary benefit he had received.

☞ ASTHMA, THREE YEARS' STANDING.—Mr. Robert Monroe, Schuylkill, afflicted with the above distressing malady. Symptoms: Great languor, flatulency, disturbed rest, nervous headache, difficulty of breathing, tightness and stricture across the breast, dizziness, nervous irritability and restlessness, could not lie in a horizontal position without the sensation of impending suffocation, palpitation of the heart, distressing cough, costiveness, pain of the stomach, drowsiness, great debility and deficiency of the nervous energy. Mr. R. Monroe gave up every thought of recovery, and dire despair sat on the countenance of every person interested in his existence or happiness, till by accident he noticed in a public paper some cures effected by *Dr. Wm. Evans' Medicine* in his complaint, which induced him to purchase a package of the Pills, which resulted in completely removing every symptom of his disease. He wishes to say his motive for this declaration is, that those afflicted with the same or any symptoms similar to those from which he is happily restored, may likewise receive the same inestimable benefit.

☞ LIVER COMPLAINT, TEN YEARS' STANDING.—*Mrs. Hannah Browne*, wife of Joseph Browne, North Sixth st. near Second street, Williamsburg, afflicted for the last ten years with Liver Complaint, restored to health through the treatment of *Dr. Wm. Evans*. Symptoms: Habitual constipation of the bowels, total loss of appetite, excruciating pain of the epigastric region, great depression of spirits, languor and other symptoms of extreme debility, disturbed sleep, inordinate flow of the menses, pain in the right side, could not lie on her left side without an aggravation of the pain, urine high coloured, with other symptoms indicating great derangement of the functions of the liver.

Mrs. Browne was attended by three of the first physicians, but received but little relief from their medicine, till Mr. Browne procured some of Dr. Wm. Evans' invaluable preparations, which effectually relieved her of the above distressing symptoms, with others, which it is not essential to intimate.

A CASE OF TIC DOLOREUX.

Mrs. J. E. Johnson, wife of Capt. Joseph Johnson, of Lynn, Mass. was severely afflicted for ten years with Tic Doloreux, violent pain in her head, and vomiting, with a burning heat in the stomach, and unable to leave her room. She could find no relief from the advice of several physicians, nor from medicines of any kind, until after she had commenced using Dr. Evans' medicine, of 100 Chatham street, and from that time she began to amend, and feels satisfied if she continue the medicine a few days longer, will be perfectly cured. Reference can be had as to the truth of the above, by calling at Mrs. Johnson's daughter's Store, 389 Grand st. N. Y.

☞ PARALYTIC RHEUMATISM.—A perfect cure effected by the treatment of *Dr. W. Evans*. Mr. John Gibson, of North Fourth street, Williamsburgh, afflicted with the above complaint for three years and nine months; during which time he had to use crutches. His chief symptoms were excruciating pain in all his joints, but especially in the hip, shoulder, knees and ankles; an aggravation of the pain towards night; and for the most part all times from the external heat, an obvious thickening of the fascia and ligaments, with a complete loss of muscular power.—For the benefit of those afflicted in a similar manner, Mr Gibson conceives it meet to say that the pains have entirely ceased, and that his joints have completely recovered their natural tone, and he feels able to resume his ordinary business.

☞ Mrs. Anne F. Keany, No. 115 Lewis street, between Stanton and Houston sts., afflicted for ten years with the following distressing symptoms: Acid eructation, daily spasmodic pains in the head, loss of appetite, palpitation of her heart, giddiness and dimness of sight, could not lie on her right side, disturbed rest, utter inability of engaging in any thing that demanded vigour or courage, sometimes a visionary idea of an aggravation of her disease, a whimsical aversion to particular persons and places, groundless apprehensions of personal danger and poverty, an irksomeness and weariness of life, discontented, disquietude on every slight occasion, she conceived she could neither die nor live; she wept, lamented, desponded, and thought she led a most miserable life, never was any one so bad, with frequent mental hallucinations.

Mr. Keany had the advice of several eminent physicians, and had recourse to numerous medicines, but could not obtain even temporary alleviation of her distressing state, till her husband persuaded her to make trial of my mode of treatment.

She is now quite relieved, and finds herself not only capable of attending to her domestic affairs, but avows that she enjoys as good health at present as she did at any period of her existence.

J. Keany, husband of the aforesaid Anne Keany.

☞ A Letter from Mr. Sheldon P. Gilbert, to Dr. Wm. Evans, proprietor of the celebrated Camomile Pills:

Dear Sir—Had the immortal Cowper known the medical qualities of the Camomile Plant, he as well as thousands since (besides myself,) would have experienced its wonderful effects on the nervous system. The public utility of Cowper was blighted in the bud, thro' the natural effect of his nervous debility upon the mental powers, which made it necessary for him to seek relief beneath the rural shade, but the calm retreat gave his physical nature no repose. If some one then had known the secret of concentrating the medical virtues of Camomile, the discoverer would have been immortalized with poetic zeal as the benefactor of suffering man.

The above lines were prompted from the effect I have experienced from Dr. Wm. Evans' Camomile Pills.

Yours, with esteem,

Sheldon P. Gilbert.

Durham, Green Co., N. Y.

☞ *Another recent test of the unrivalled virtue of Dr. Wm. Evans' Medicines.—DYSPEPSIA. TEN YEARS' STANDING.*—Mr. J. McKenzie, 175 Stanton street, was afflicted with the above complaint for 10 years, which incapacitated him at intervals, for the period of six years, in attending to his business, restored to perfect health under the salutary treatment of Dr. Wm. Evans.

The symptoms were—A sense of distension and oppression after eating, distressing pain in the pit of the stomach, nausea, impaired appetite, giddiness, palpitation of the heart, great debility and emaciation, depression of spirits, disturbed rest, sometimes a bilious vomiting, and pain in the right side, an extreme degree of languor and faintness; any endeavour to pursue his business causing immediate exhaustion and weariness.

Mr. McKenzie is daily attending his business, and none of the above symptoms have recurred since he used the medicine. He is now a strong and healthy man.

He resorted to myriads of remedies, but they were all ineffectual. He is willing to give any information to the afflicted respecting the inestimable benefit rendered to him by the use of Dr. Wm. Evans' medicine.

☞ *An Extraordinary and Remarkable Cure.—Mrs. Mary Dillon*, Williamsburgh, corner of Fourth and North streets, completely restored to health by the treatment of Dr W. Evans, 100 Chatham st.

The symptoms of this distressing case were as follows: Total loss of appetite, palpitation of the heart, twitching of the tendons, with a general spasmodic affection of the muscles, difficulty of breathing, giddiness, languor, lassitude, great depression of spirits, with a fear of some impending evil, a sensation of fluttering at the pit of the stomach, irregular transient pains in different parts, great emaciation, with other symptoms of extreme debility.

The above case was pronounced hopeless by three of the most eminent physicians, and the dissolution of the patient daily awaited by her friends, which may be authenticated by the physicians who were in attendance. She has given her cheerful permission to publish the above facts, and will also gladly give any information respecting the benefit she has received, to any inquiring mind.

MARY DILLON.

☞ DYSPEPSIA AND HYPOCHONDRIACISM.—*Interesting Case.*—Mr. William Salmon, Green street, above Third, Philadelphia, afflicted for several years with the following distressing symptoms: Sickness at the stomach, headache, dizziness, palpitation of the heart, impaired appetite, sometimes acid and putrescent eructations, coldness and weakness of the extremities, emaciation and general debility, disturbed rest, a sense of pressure and weight at the stomach after eating, nightmare, great mental despondency, severe flying pains in the chest, back and sides, costiveness, a dislike for society, or conversation, involuntary sighing and weeping, languor and lassitude upon the least exercise.

Mr. Salmon had applied to the most eminent physicians, who considered it beyond the power of medicine to restore him to health; however as his affliction had reduced him to a very deplorable condition, and having been recommended by a relative of his to make trial of Dr. Wm. Evans' medicine, he with difficulty repaired to the office and procured a package, to which, he says, he is indebted for his restoration to life, health and friends. He is now enjoying all the blessings of health.

Persons desirous of further information, will be satisfied in every particular as to this astonishing cure, at Dr. Wm, Evans' Medical Office, 100 Chatham st. N. Y.

☞ *A severe case of Piles cured at* 100 *Chatham street.*—Mr Daniel Spanning, of Shrewsbury, Eden Town, New Jersey, was severely afflicted with Piles for more than 20 years. Had had recourse to medicines of almost every description, also the advice of several eminent physicians, but never found the slightest relief from any source whatsoever, until he called on Dr. Evans, of 100 Chatham street, N. Y. and procured some medicine from him, from which he found immediate relief, and subsequently a perfect cure.

☞ *An Extraordinary Cure* performed by Dr. Wm. Evans, of 100 Chatham st. N. Y.—Mr. W. W. W. of 160 Eldridge street, was labouring under a disease, which was by many physicians considered incurable, and could find no relief from any source whatever, until he made application to Dr. Evans, and placed himself under his successful course of treatment, from which he began to find immediate relief, and in a few weeks was perfectly cured.

☞ *REMARKABLE CASE OF ACUTE RHEUMATISM*, with an affection of the Lungs—cured under the treatment of Dr. Wm. Evans, 100 Chatham street, New York. Mr. Benjamin S. Jarvis, 13 Centre street, Newark, N. J. afflicted for four years with severe pains in all his joints, which were always increased on the slightest motion; the tongue preserved a steady whiteness; loss of appetite, dizziness in his head, the bowels commonly very costive, the urine high coloured, and often profuse sweating, unattended by relief. The above symptoms were also attended with considerable difficulty of breathing, with a sense of tightness across the chest, likewise a great want of due energy in the nervous system.

The above symptoms were entirely removed, and a perfect cure effected by Dr. Wm. Evans.

BENJ. S. JARVIS.

City of New York, ss.

Benjamin S. Jarvis being duly sworn, doth depose and say, that the facts stated in the above certificate, subscribed by him, are in all respects true.
