HOME . . . More than a place to hang your hat
When you get home tonight, sink into your favorite chair and just relax for a few moments. Are you comfortable in your present home? Then think for a moment about your family. Are you and your family satisfied with your present surroundings? If you can honestly answer YES to this question, then read no further.
If the answer is NO, it could be for a number of reasons. Possibly the rent is too high, the landlord won't make repairs, the heating plant leaves much to be desired, the house is too small for your family, too much noise overhead, need smaller quarters.
BETTER . . . Call WI. 5-5053 NOW
We'll be happy to talk location, planning, objectives, circumstances, financing and any other HOME need you might have.
MAY . . . We suggest or plan a tour of our homes at your convenience. There is no charge and you are under no obligation to buy. We will buy, sell, rent or trade your present home.
