Fries, chicken, mushroom sauce for thrilling taste experience

It is not difficult to account for the affectionate regard which cooks . . . and diners . . . have for chicken pie.

The beautiful aroma of the flavorful combination of chicken and vegetables cooking in a sauce to which a whisper of herbs have been added given an air of specialness and a feeling of "happy occasion" to any meal.

MOST GOOD cooks have a favorite recipe for this popular dish so it is possible for the family to become accustomed to the same flavor and appearance each time it is served. Don't get in a rut! Now is the time to treat your family to a new version of this all - time favorite . . . one which will have them passing their plates for second helpings. One which you will enjoy making, too, for it takes only minutes to prepare.

The secret of this exciting dish is the frozen French fries which are used as the shell.

• • •

FRIES 'N CHICKEN Pie with mushroom sauce require two packages (9 - ounces each) frozen French fries, four eggs, beaten slightly, one cup milk, one and one half cup diced cooked chicken, one package (10 ounce) frozen peas, defrosted, one teaspoon instant onion, one teaspoon dried parsley, two tablespoons chopped pimiento, two teaspoons salt, one teaspoon tarragon leaves, optional, one - fourth teaspoon pepper, and one can (10½ ounces) cream of mushroom soup.

Reserve one third of French fries for top of pie. Line bottom and sides of buttered 9 - inch pie pan with remaining French fries; standing French fries up on end around edge of pan. Combine and mix eggs, one - third cup milk, chicken, peas, onion, pimiento, salt, tarragon leaves, and pepper.

Pour into pie pan. Arrange remaining French fries on top. Bake in moderate oven (375 degrees F.) until mixture is set, about 45 minutes. Combine mushroom soup and remaining two - thirds cup milk, heat. Serve with pie.

Yield: Six servings.

Round out the menu with a tossed green salad, hot crunchy rolls and a substantial dessert such as cheese and fresh fruit or baked apples which can bake in the oven along with the pie.

FRENCH FRIES are used as a shell with mushroom sauce. for a new and exciting chicken pie
