For Judge of the Court of Appeals.

To the Voters of St. Mary's, Charles, Calvert, Prince George's, Montgomery, Anne Arundel and Howard Counties:

In April last, in answer to inquiries from every county in this Judicial District, I announced myself as a candidate for re-election to the Court of Appeals, with a resolution long before expressed, under no circumstances to accept a nomination by convention, or allow my name to be connected with party arrangements. I have too much respect for my fellow-citizens to suppose that they will degrade the office by associating it with political issues, and shall adhere to my present position. For their favorable judgment and support I rely upon my character and experience in the profession, if a knowledge of these shall satisfy them of the propriety of recalling me to a station the duties of which I have endeavored to discharge faithfully according to the constitution and laws. WM. H. TUCK.

For the Circuit Court.

Peace Resolutions of the Maryland Legislature.

WHEREAS, in the judgment of the General Assembly of Maryland, the war now waged by the Government of the United States upon the people of the Confederate States, is unconstitutional in its origin, purposes and conduct—repugnant to civilization and sound policy—subversive of the free principles upon which Federal Union was founded, and certain to result in the hopeless and bloody overthrow of our existing institutions; and

WHEREAS, the people of Maryland, while recognizing the obligation of their State, as a member of the Union, to submit in good faith to the exercise of all the legal and constitutional powers of the General Government, and to join as one man in fighting its authorized battles, do reverence, nevertheless, the great American principle of self-government, and sympathize deeply with their Southern brethren in their noble and manly determination to uphold and defend the same; and

WHEREAS, not merely on their own account and to turn away from their own soil the calamities of civil war, but for the blessed sake of humanity, and to avoid the wanton shedding of fraternal blood, in a miserable contest which can bring nothing with it but sorrow, shame and desolation, the people of Maryland are enlisted, with their whole hearts, on the side of reconciliation and peace: now, therefore, it is hereby

Resolved by the General Assembly of Maryland, That the State of Maryland owes it to her own self-respect and her respect for the constitution, not less than to her deepest and most honorable sympathies, to register this her solemn protest against the war which the Federal Government has declared upon the Confederate States of the South, and our sister and neighbor, Virginia, and to announce her resolute determination to have no part or lot, directly or indirectly, in its prosecution.

Resolved, That the State of Maryland earnestly and anxiously desires the restoration of Peace between the belligerent sections of the country, and the President, authorities, and people of the Confederate States, having, over and over again, officially and unofficially, declared that they are willing to throw down the sword, the instant that the sword now drawn against them shall be sheathed, the Senators and Delegates of Maryland do beseech and implore the President of the United States to accept the olive branch which is thus held out to him: and, in the name of God and humanity, to cease this unholy and most wretched and unprofitable strife at least until the assembling of Congress in Washington shall have given time for the prevalence of cooler and better counsels.

Resolved, That the State of Maryland desires the peaceful and immediate recognition of the independence of the Confederate States, and hereby gives her cordial assent thereunto, as a member of the Union—entertaining the profound conviction that the willing return of the Southern people to their former Federal relations is a thing beyond hope, and that the attempt to coerce them will only add slaughter and hate to impossibility.

Resolved, That the present military occupation of Maryland being for purposes in the opinion of this Legislature, in flagrant violation of the Constitution, the General Assembly of the State, in the name of her people, does hereby protest against the same, and against the oppressive restrictions and illegalities with which it is attended—calling upon all good citizens at the same time, and in the most earnest and authoritative manner, to abstain from all violent and unlawful interference, of every sort, with the troops in transit through our territory or quartered among us, and patiently and peacefully to leave to time and reason the ultimate and certain re-establishment and vindication of the right.

Resolved, That, under existing circumstances, it is inexpedient to call a Sovereign Convention of the State at this time, or to take any measure for the immediate organization or arming of the militia.

BAUGH'S RAW-BONE SUPER-PHOSPHATE OF LIME.

ANALYSIS:

7 to 8 Per Cent. of Ammonia, and 54 Per Cent. Bone-Phosphate of Lime.

FOR FALL SEEDING it is a most invaluable manure, being made from pure Raw-Bone.

IT ACTS DIRECTLY—bringing forward the young shoots of the grain and grass, giving them a vigorous growth, healthy color, and imparting strength and stamina.

IT IMPROVES THE LAND PERMANENTLY. It does not, like Peruvian Guano, stimulate the growing crop, and leave the soil exhausted but leaves the land permanently benefitted.

FARMERS AND PLANTERS GIVE IT A TRIAL.

It is rapidly working its way into favor, and is a reliable fertilizer.

Price $45 per ton of 2,000 lbs., in Baltimore, in strong sacks of 160 lbs. each.

FOWLE & CO.'S

Soluble Phosphated Peruvian

GUANO,

The Best, Cheapest and most Permanent

FERTILIZER

Ever Offered to the Agriculturist.

Approved by Prof. Campbell Morfit.

ONE of the most eminent Chemists of America, as the most reliable and efficient combination of *Phosphatic and Ammoniated Guanos* yet offered in a really soluble form. It is composed of No. 1 *PERUVIAN AND SOMBRERO GUANOS* of direct importation from the Chincha and Sombrero Islands, and is warranted *free from all impurities.*

This Fertilizer has been severely tested, in comparison with Peruvian Guano, by many of the most successful and intelligent farmers of Virginia and Maryland, from whom we have received numerous letters and certificates of approval. We submit the following extract from Prof. Morfit's report upon the Soluble Phosphated Peruvian Guano, viz:

"The above analytical results express a high value for this Fertilizer, and indicate that the formula for its preparation is founded upon sound principles of agricultural economy and efficiency. Though replete with the indispensable elements of a fruitful soil, the relative proportions are so skillfully adjusted as to promote their mutual action, and render it a most profitable manure, adapted for crops generally, without distinction as to kind. CAMPBELL MORFIT.

Copies of the above named documents, together with Prof. Morfit's Analysis, and other interesting matter, will be found in our pamphlet, which pamphlets, showing that our Fertilizer is far better adapted to general use than Peruvian Guano alone, besides being

SIXTEEN PER CENT. CHEAPER.

The Sombrero Guano, before its combination with the Peruvian, is rendered immediately soluble by a process recently discovered and peculiarly our own. The value of Peruvian Guano, presented in this modified and improved form, can hardly be over-estimated.

We continue to keep on hand our usual supplies of *PERUVIAN AND SOMBRERO GUANO,* of *our own direct importation,* which we offer at lowest market rates.
