THOMAS E. WATKINS AND OTHERS,
vs.
SUSAN A. ROBARDS AND OTHERS.

In the Circuit Court for Montgomery County, as a Court of Equity.

THE OBJECT of this suit is to procure a decree for the sale of certain real estate lying and being in Montgomery County, of William Pitt Hunt, died seized and possessed, for partition among the heirs-at-law of said intestate.

The bill states that a certain William Pitt Hunt was in his lifetime seized and possessed of a certain tract, part of a tract or parcel of land lying and being in said Montgomery County called part of "Tusculum" being portion of a tract originally called "Brother's Industry" and containing one hundred acres of land, more or less, and being so seized and possessed sometime in the year seventeen hundred and ninety seven, whilst residing in Charlotte County in the State of Virginia, departed this life, intestate as to his said lands in Montgomery County, leaving as his only heirs-at-law, three sons and a daughter, viz:—William P. Hunt, Jr., James W. Hunt, the complainant, Thomas Hunt and Ruth Hall Hunt.

The bill further states that sometime in the year eighteen hundred, the said William P. Hunt, Jr., departed this life intestate, unmarried and without issue, and sometime in the year eighteen hundred and seventeen, the said James W. Hunt departed this life intestate, leaving one child, viz:—John James Hunt, who died in the year eighteen hundred and thirty three, aged sixteen years, unmarried and without issue.

The bill further states that the said Ruth Hall Hunt intermarried with a certian Joseph Watkins, and has with her husband departed this life leaving as her only heirs-at-law, the following children, viz:—Frank B. Watkins, now residing in the city of Richmond, in the State of Virginia, Susan A. Watkins who intermarried with a certain William J. Robards of Granville County, in the State of North Carolina, and whose husband, the said William J. has since departed this life, Bettie J. Watkins who intermarried with a certain Horace L. Robards of the same County and State and whose husband, the said Horace L., is also now deceased, and Josephine F. Watkins who intermarried with a certain Joel Watkins of Charlotte County in the State of Virginia.

The bill further states that the said Joel Watkins and Josephine F. Watkins his wife have both departed this life and that the only heirs-at-law of the said Josephine F. Watkins are her six children, viz:—the complainants Thomas E. Watkins, William L. Watkins, Frank B. Watkins, James C. Watkins, Susan F. Lacy and Nannie E. Stewart.

The Bill charges that the said real estate is not susceptible of division or partition among the parties entitled thereto without loss or injury to the parties interested, and that the complainants are entitled to have the same sold and the proceeds thereof distributed among the said parties in proportion to their respective interests.

The prayers of the bill are for a sale of the said real estate and a distribution of the proceeds thereof among the parties entitled thereto in proportion to their respective interests and general relief.

The bill further states that the said Frank B. Watkins, Susan A. Robards and Bettie J. Robards do not reside in the State of Maryland.

It is thereupon this 23th day of July, in the year eighteen hundred and seventy-two, by the subscriber, Clerk of the Circuit Court for Montgomery county, adjudged and ordered, that the complainants by causing a copy of this order to be inserted in some newspaper printed at Rockville, in said Montgomery county, once in each of four successive weeks before the 20th day of August next, give notice to the said absent defendants of the object and substance of this bill and warn them to appear in this Court in person or by solicitor on or before the twenty-fifth day of November next, to answer the premises and show cause if any they have why a decree ought not to pass as prayed.

CERTIFICATE.

The State Inspector of Georgia, says:

The recent analysis of Clark's Ammoniated Dissolved Bone warrants me in pronouncing it a highly reliable compound for the early and effective nutrition of crops, with a sufficient quantity of ammonia to stimulate, develop and sustain the plant. It contains a heavy proportion of Soluble Phosphoric Acid to sustain an ample fruitage. It, therefore, has an official sanction as a good fertilizer.
