This year try a NEW VACATION SPOT

—Rev. H. E. Smith

(Continued from page 13)

nine years of age.

Q — Rev. Smith, you are the husband of Lula E. Smith, is that correct?

A —Yes, sir.

Q — Is it a result of that marriage you have how many children?

A —Two of them.

Q — What are their names?

A — John W. Smith and Robert S. Smith.

Q — All right, and when did you move to Grantley Road?

A — I never moved to Grantley Road really. My wife moved out at a time when I was away — I don't know where I was. When I came back, I found a note saying she had gone to Grantley Road.

Told to Leave

Q — Did you go out there?

A — Did I move there? I went out separately, a few nights after she had moved. I was told I wasn't wanted.

Q — Who told you that?

A —Mrs. Lula E. Smith.

Q—Why did she say that?

A — I would like to know how somebody can tell you that. After all, I did support the family all these years; but I do remember when she came to her when I spoke to her with reference to one of the boys who had just bought a new car, an Oldsmobile that he had purchased to take a trip, when she said she didn't want me and that I wasn't fit to be around.

When I came back home then, somebody had taken the front door off, and she gave me a good calling down. I wasn't in any shape to take it any longer, for I would be sick and I would be in the hospital with ulcers, as my daughter mentioned, and the doctor told me that, if I had emotional upsets like that I would have to have my stomach taken out.

Q — Were you asked to leave the house?

A — Was I asked to leave the house?

Q —You heard Mrs. Smith say that you came in during the night and wanted bed linen to go back to Fulton Avenue?

A — Yes, —well —

Q —Was that what happened?

A — No, that isn't what happened.

Says Wife Nagged

Q — Tell His Honor what happened.

A — If Your Honor pleases, what happened is this —and you can judge from me and from my wife. My wife has been the worst nagger for sixteen years and she has been nagging me to death for getting a divorce.

I begged her to stay together until the children got grown up; and after I had a serious breakdown, I had to go to the hospital; and when I came back home and informed her of what the doctor said about my emotional condition that was the cause of the ulcers, then she tried to kill me by worrying me to death.

If she had been like that always, I would be dead long ago. I had to get out.

I love my family —no feeling, I do. I did everything I could for the family. My wife said she was working, but she had to have two maids, not only one. She had one maid take care of the house and to look after the children; and I paid them —they didn't work for nothing.

Don't Bring Lord In

Q — On September 17, 1959 on that evening —you returned to Fulton Avenue; is that correct?

A — Yes, sir. I thought that was the only thing I could do. I went to the house, and I ask the Lord to come to me there and live with me.

THE COURT: Don't let's bring the Lord into this mess.

THE WITNESS: Thank you, Judge.

BY MR. LEESE:

Q — Have you been living at Fulton Avenue since September 17th?

A — I have.

Q — I now show you your income - tax return, a copy which was introduced into evidence, for the year 1959, and you and your wife, on which the adjusted gross income is $7,—; and that was your return for that year; is that correct?

A — If Your Honor pleases, I never filed that —

Q —Just answer the question.

THE COURT; Answer the question.

A — May I tell Your Honor that I didn't handle it. My wife handled all income - tax matters and made up our reports and put everything in there. I never even looked at the income-tax returns. That is true, Your Honor. I wouldn't know.

THE COURT: Just a minute, suffice to say that you were very negligent if you didn't look over your returns before you filed them.

THE WITNESS: As I told Your Honor, Mrs. Smith handled them.

Church Pay

Q — Now, you are employed at the present time by Mount Lebanon Church; is that correct?

A — That is correct, thirty-seven years.

Q —How much does the church give you in wages?

A — I don't know exactly, but I presume —

THE COURT (interrupting): by the month, Reverend?

THE WITNESS: I am paid, Your Honor, by the week; but I have to look after the church, keeps the record, and I really don't have that figure. No; I can't give you an authentic statement as to just how much of my salary is in arrears.

BY MR. LEESE:

Q — Did you have any idea at all?

A — It is around $300 or $400 or something like that.

Q — Now, besides your salary at the church, do you have any additional income?

A — Other than from the church, well, I engage in real estate business, and when it is active, I pick up a few dollars there during my spare time by sales and from rentals.

Q — If I said that seven properties were yours, other than that at Fulton Avenue, would that be right?

THE COURT: And other than that at Grantley Road.

THE WITNESS: Other than that?

THE COURT: The question was: Would seven pieces of property be right?

A — I think, that is correct.

BY MR. LEESE:

Q — Are there any mortgages on those properties?

A — They are all mortgaged —with one exception, and that is the property at Calvert Beach.

Q — Are all in Baltimore City?

A — They are all in Baltimore.

THE WITNESS: Thank you, Your Honor.

Beechwood Park

BY MR. MILES: Q—Now, in regard to those properties that you own as tenants by the entirety in Baltimore City, with respect to any of those rents that you collected individually, have you paid any of those to your wife?

A—Up until—I believe it was in January — until January, my wife collected $20.00 a week from 2858 West Mulberry Street.

Q—Other than that, did she ever collect any money from any property that you own as joint tenants?

A—Not directly; but indirectly, of course, she did.

Q—In regard to that Beechwood Park property, is that an amusement center?

A—It could be used for that purpose.

THE COURT—Do you still own that property?

A—Yes.

Both Owned It

THE COURT—Do you and your wife own it, or just you?

A—No, she is joint tenant.

Q—Is it owned by my wife and me.

BY MR. MILES: Q—What is this property used for?

A—Well, right now it isn't used for anything. We were supposed to operate it last year, but at that time we were separated.

Q—What did they do there in the summer before the separation?

A—About the same thing.

Q—Was it supposed to be used for an amusement park?

A—Yes, sir.

Q—How many acres are there?

A—In the park it is twenty-four.

Q—And the whole property?

A—That is around seventy-five at present.

Q—Was that property leased last year?

A—Yes, sir.

Q—What was that lease? How much money did you receive from that lease?

A—I think, around $900.00 or $1,000.00.

Q—What were the taxes on the property?

A—Around the same thing, around $900.00 or $1,000.00.

Q—Did you pay the taxes? Or, I didn't.

Q—Did you receive money from the lease?

A—I would say, around $3,000.00.

Q—Was that payment made under the terms of the lease that was signed last year?

A—It never actually was. That lease never was signed.

Denies Wife's Charges

Q—Do you know Hattie Williams Matthews?

A—I certainly do. Yes, sir.

Q—Did your ever buy her any shoes or makeup?

A—Did I ever buy her shoes or makeup? No, sir.

Q—Did you ever buy her any stockings?

A—No, sir.

Q—Did you ever pay her rent at "Hortense's Rest?"

A—No, sir.

Q—Did you ever pay her rent at Lyndhurst Avenue?

A—No, sir.

Q—Did you ever pay any rent bills for Lyndhurst Avenue?

THE COURT—Pardon me, what kind of bills?

MR. MILES:—"Rent bills," Your Honor.

A—No, sir.

BY MR. MILES—Q—Did you ever buy her an Easter outfit?

A—No, sir.

Q—Did you ever buy any groceries for her?

A—Groceries?

Q—Yes, "groceries."

A—Groceries? — No, sir.

Q—Did you ever pay for any plumbing, or repairs at 2902 Lyndhurst Avenue?

A—No, sir.

MR. MILES — I have no further questions.

MR. LEESE — I have no further questions.

THE COURT — You may step down, Reverend.

Science Shrinks Piles New Way Without Surgery Stops Itch—Relieves Pain

New York, N. Y. (Special) — For the first time science has found a new healing substance with the astonishing ability to shrink hemorrhoids, stop itching, and relieve pain — without surgery.

In one hemorrhoid case after another, "very striking improvement" was reported and verified by a doctor's observations.

Pain was relieved promptly. And, while gently relieving pain, actual reduction or retraction (shrinking) took place.

And most amazing of all, this improvement was maintained in cases where a doctor's observations were continued for over a period of many months!

In fact, results were so thorough that suffering were able to make such astonishing statements as "Piles have ceased to be a problem!" And among these sufferers were a very wide variety of hemorrhoidal conditions, some of 10 to 20 years' standing.

All this, without the use of narcotics, anesthetics or astringents of any kind. The secret is a new healing substance (Bio-Dyne®) — the discovery of a world-famous research institution. Already, Bio-Dyne is in wide use for healing injured tissue on all parts of the body.

This new healing substance is offered in suppository or ointment form called Preparation H®. Ask for individually sealed suppositories or Preparation H Ointment with special applicator. Preparation H is sold at to make such astonishing state-
