Mrs. Fortune given award to work on doctoral degree

NEW YORK — Mrs. Hilda O. Fortune, personal service secretary of the Urban League of Greater New York, has been granted study leave from June 1 to September 1, 1961, to pursue a doctoral degree in the Center for Human Relations at New York University.

The current recipient of the highly prized Felix M. Warburg Award of $2,400, which was bestowed for "outstanding contributions to the center for Human Relations," Mrs. Fortune has maintained outstanding scholarship throughout her master's and doctoral course work at New York University.

WHILE CARRYING on a full - time program at the Urban League, except in the summer, Mrs. Fortune completed the requirements for the master's degree in a year and the required 45 points course work for the Ed.D., in less than two years, earning an "A" average on both educational levels.

She was graduated summa cum laude and valedictorian of the class of 1938 at Morgan State College. Keeping up this pace at New York University, she was elected to Kappa Delta Pi honor society and presently is serving in the center for Human Relations as a substitute instructor.

She is also serving as graduate students representative, acting chairman of the Human Relations Society, chairman of the Human Relations Institute, and as a member of the GSO Board of Directors of the School of Education.

Mrs. Fortune's doctoral dissertation will be in the area of family life, an interest which was developed while working with the Community Service Committee of the Urban League of Greater New York.

Dr. Hibler leaves Morgan to establish private practice

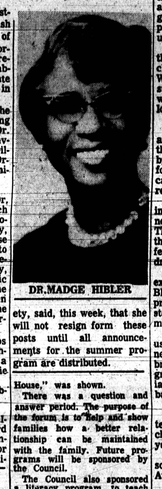
Dr. Madge Hibler, assistant professor of English and speech and director of the Speech Clinic at Morgan State College, has resigned her position to establish residence and private speech pathology practice in Los Angeles, Calif.

Dr. Hibler accepted the Morgan post in 1947, during the presidency of Dr. Dwight O. W. Holmes, having previously taught at Dillard University in New Orleans and Prairie View University in Texas.

WHILE AT Morgan Dr. Hibler organized a speech clinic, a college - wide program in speech proficiency, and speech education course for teachers. In addition to holding the doctorate degree in speech pathology, she is certified in public school audiometry by the State of California and in speech pathology by the American Speech and Hearing Association.

Before going to Los Angles, the speech pathologist will conduct a speech institute at Prairie View University.

A successor for Dr. Hibler has not been named.



DR. MADGE HIBLER

DR. HIBLER, who is also a member of the board and chairman of the committee on rehabilitation for the Baltimore Hearing Society, said, this week, that she will not resign form these posts until all announcements for the summer program are distributed.

19 blocks join Early Bird club

AFRO Clean Blockers were off and running!

That was the conclusion drawn Thursday by Clean Block Director M. Francis Mackay, who disclosed that nineteen captains had completed their registrations only two days after the Clean Block office opened for business.

The early registrations set a record, it was announced, as the business of getting organized for the 27th annual prize - winning campaign got underway.

Registrations will continue through June 16 when school closes, it was explained. With the beginning of the summer vacation the drive will really settle down to the long pull.

MORE CLEAN Blockers are getting an early start this year, a fact attested to by the demand of youngsters for the giant yellow trash cans distributed byy the Bureau of Sattisation.

A brand - new - money - saving scheme has been planned for this year's drive. This will take the place of the flag crusade which was featured the last three drives.

The new project, it was explained, will permit Clean Blockers to pocket a 15 cent profit on each item sold instead of the dime they made on the flags last year.

Many Clean Block clubs use this means to raise funds needed for the purchase of brooms, paint, flower boxes, grass seed and other material needed to prosecute their battle against filth.

HEREWITH are the nineteen captains who hold charter membership in this year's "Early Bird" club:

Captain Annie Mae Anderson, 2500 block W. Fairmount Ave.

Captain Leola Jones, 500 E. 20th St.

Captain Barbara Scaff, 600 block Pitcher St.

Captain Melvin Brown, 1100 block Tiffany Ct.

Captain Martha Simon, 200 block E. Hoffman

Captain Leon Tillman, 2200 block Belmont Ave.

Captain Pearl Goins, 1000 block N. Stricker St.

Captain Maria Rebecca Smith, 2200 block Rayner Ave.

Captain Karon Alford, 200 block N. Dallas Ct.

Captain Ruth Darby, 2700 block Presbury St.

Captain Billie L. Roberts, 2000 block Walbrook Ave.

Captain Towanda Whetstone, 200 block Nolan Ct.

Captain Larry Grant, 500 block N. Fulton Ave.

Captain Carolyn Matthews 400 block Worsley St.

Captain Patricia McCray, 1900 block Homewood Ave.

Captain Catherine Carter, 1000 block Leadenhall St.

Captain Randolph Tilghman, 1900 block Aisquith St.

Captain Linda Hall, 1600 block Booker Ct.

Captain Juanita Robinson, 700 block E. 20th St.

DOES YOURS LOOK LIKE THIS? — This backyard in the Northwest section of the city won't have this appearance long after AFRO Clean Blockers swing into action in their 27th annual prize-winning campaign. Registrations are already pouring in the Clean Block office which opened on the second floor of the AFRO Building, Druid Hill and Eutaw Monday morning.

Tormenting Rectal Itch Stopped In Minutes. Science Finds New Healing Substance That Promptly Stops Itching and Pain of Piles. New York, N. Y. (Special) — One of the most common afflictions is a condition known as "itching piles." It is most embarrassing for the victim during the day and especially aggravating at night. No matter what you've used without results—here's good news. For the first time, science has found a new healing substance with the astonishing ability to promptly stop the burning itch and pain. It actually shrinks hemorrhoids—without surgery. Medical science has proved this substance produces a remarkably effective rate of healing. Its germ-killing properties also help prevent infection. In one hemorrhoid case after another "very striking improvement" was reported and verified by a doctor's observations. This improvement was maintained in cases where a doctor's observations were continued over a period of months! Among these sufferers were a wide variety of hemorrhoid conditions, some of 10 to 20 years' duration. The secret is this new healing substance (Bio-Dyne®)—discovery of a world-famous research institution. This substance is now obtainable in ointment or suppository form known as Preparation H®. Ask for Preparation H Suppositories (convenient to carry if away from home) or Preparation H Ointment with special applicator. Available at all drug counters.

Outdoor eating on economical budget

By VIRGINIA L. McLUCKIE

The popularity of out door eating for weekend and holidays means planning menus and shopping for foods that are easy to prepare and easy to serve and eat, says, Virginia McLuckie, food economist, Baltimore Office, University of Maryland, Department of Markets.

Foods that carry well make the picnic meal more enjoyable. Foods that can be prepared in advance are desirable for the out door barbecue meal. Fryer chickens are recommended as the ideal meat choice, regardless of the style of eating. Chicken may be fried, roasted, cooked on a rotesserie, broiled or barbecued.

• • •

THE SUPPLY of broilers is expected to be near twenty five percent larger for the next month than the same period last year. Lower retail prices and frequent specials will provide consumers with a price advantage.

Select chicken with short plump legs and a plump body for meatiness. A moderate fat covering means a better flavor, texture and tenderness. The skin should be free of pin feathers, bruises and discoloration.

• • •

RED MEAT specials will provide shoppers with quick cooking cuts suitable for out door cooking. Beef supplies are heavy. For simple out door cooking the ground beef and hot dog items rate high in popularity.

You can be just plain or as fancy as you wish when you barbecue. Actually barbecuing is cooking meat in a specially seasoned sauce. You may barbecue over an open fire, in an oven or broiler, indoors or outdoors, a whole animal or small cuts of meat. It is the sauce that makes it barbecuing.

• • •

ALL TYPES of meat may be used. The less tender cut require tenderizing. This is done by marinating in a juice, vinegar or tomato juice to break down the meat fiber as well as give it flavor. Commercial tenderizers may also be used. Tenderizing in a marinate may be done over night in the refrigerator depending of course on the size piece of meat to be tenderized.

• • •

FOR FOODS to take in a picnic basket it may be a wise investment to own an insulated container to ease the problem of keeping perishable foods safe. Fresh meats and poultry, salads and sandwich fillings should be chilled before being packed, and by keeping their coldness in the refrigerated carriers, these foods can be prepared at the picnic site.

Bread and cookies are good travelers and need no chilling. Keep the number of different foods to a minimum on picnics while providing plenty to fill healthy, active, appetities.

• • •

THE BEST produce buys will provide variety to any type meal. Asparagus is lower in price and quality very good. White potatoes, for baking in foil on the grill or for making potato salad, are low in price. Cabbage will make a delicious crisp salad to accompany the picnic or barbecue meal.

• • •

CORN ON the cob from Florida is in heavy supply and priced attractively. Tomatoes are increasing in volume and prices are lower. For the meal at home cooking greens are in abundance. These include the collards, turnip tops, spinach, and cabbage sprouts.

Plan to serve some raw and some cooked vegetables for variety. Serve finger foods when possible for youngsters and out door eating.

• • •

FOR THE picnic fruit and cookies are recommended desserts. Fresh strawberries from the Eastern shore are in greater supply as the season advances. A box of washed berries can be enjoyed out doors. Serve the family shortcake and other fresh strawberry desserts often.

Bananas are a best buy. Watermelon from Florida has dropped in price and will provide a treat for the coming holiday.

• • •

EASY BARBECUE SAUCE for chicken, chops and turkey is made with two teaspoons salt, one - fourth teaspoon pepper, one and one - half cups tomato juice, one-fourth teaspoon cayenne pepper, one - fourth teaspoon dry mustard, four and one-half teaspoon Worcestershire sauce, one bay leaf, one - half to three - fourth cup vinegar, one teaspoon sugar, three minced cloves garlic, and three tablespoons butter, margarine, or salad oil.

Simmer all ingredients ten minutes. Makes about two and one - half cups.

Broccoli Pie

For a new and unusual luncheon dish try this springtime Broccoli Pie.

It is made with one egg white, one and one-half cups dry bread crumbs, one-fourth cup melted shortening, one and one-half tablespoons cornstarch, two tablespoons finely chopped onion, two tablespoons butter or margarine, one cup grated, process cheese;

Also one - half cup liquid from cooked broccoli, one-half cup milk, one - fourth teaspoon salt, one - eighth teaspoon thyme, one small bay leaf, one cup diced, cooked ham or canned luncheon meat, twelve and one-half stalks cooked broccoli, (nine-ounce package frozen broccoli).

• • •

TO MAKE crumb crust: Beat egg white until foamy. Add dry bread crumbs and shortening. Reserve one-fourth cup mixture for top of pie. Press remaining mixture firmly and evenly against the sides and bottom of a (nine - inch) pie pan.

Bake in a moderate oven (350 degrees F.) for fifteen minutes.

STYLE NOTE: This chic sheath and top coat ensemble was among the designs shown when the Baltimore chapter, of the National Association of Fashion and Accessories Designers held its annual show, Sunday. Model is Mrs. Millie Wilkins of Baltimore.

Canned soups open vista to new world of eating pleasure

Open up a new vista of convenience and a new world of eating pleasure, too, through an old standby — canned condensed tomato soup.

For instance, try Baked Fish Creole. Use a pound of fish fillets, a half medium onion, thinly sliced, a half medium green pepper, thinly sliced.

Also two tablespoons butter or margarine, a dash of pepper, a dash of tabasco, a teaspoon vinegar, and a 10½ ounces can of the condensed soup.

• • •

ARRANGE FILLETS in single layer in greased shallow baking dish. In saucepan cook onion and green pepper in butter until tender.

Blend in soup, vinegar, pepper and tabasco. Pour sauce over fish. Bake in a moderate oven about 45 minutes, or until bubbling. Makes four servings.

• • •

SPAGHETTI CASSEROLE is another delectable dish that employs soups in its making.

For this you will need a pound of ground beef, a half cup chopped onion, a fourth cup chopped green pepper, two tablespoons butter or margarine;

Also a can of condensed cream of mushroom soup, a can condensed tomato soup, a soup can of water, a clove garlic, minced, a cup shredded sharp process cheese, and a half pound spaghetti, cooked and drained.

SUN FLOWER — The charity club was entertained by Mrs. Margaret Simms of 2412 W. Franklin St.

An anniversary tea is being planned for July.

Mrs. Margaret Simms is president of the group.

In a large skillet, cook beef onion and green pepper in butter until meat is lightly browned and vegetables are tender. Stir often to separate meat particles.

Add soups, water and garlic. Heat. Blend with half cup cheese and cooked spaghetti in a three - quart casserole. Top with remaining cheese.
