Four Douglass students make honor society

By MERLE JEWETT

Inducted into the National Honor Society recently at Douglass were Charles Lee, who has maintained a 90 average during his high school career; Geraldine Reddick, Betty Witherspoon, and Willard Downing.

To be inducted into the Honor Society, an average of 85 must be maintained for three consecutive semesters.

As a part of the program, members of the scholarship club were introduced.

Regina Jackson is president and Mrs. N. Y. Hardy is the faculty sponsor of the Douglass Chapter of the National Honor Society.

TWO students, Cyiburn Soden and Devan Davison, participated in "Boss Tare," a radio program presented on station WEBB.

Douglass group has garden tea

The Frederick Douglass Memorial Association Committee and the Washington Vicinity Federation of Women's Clubs of the N.A.C.W.C. sponsor jointly a garden party and Tour of the home and grounds of Frederick Douglas, 1411 W St., SE on Sunday June 11 at 3 p.m. in the evening.

Mrs. Marguerite Caldwell, president; Mrs. Lucy Brown, chairman and Mrs. Eudora Gilmore, secretary.

Science Shrinks Piles New Way Without Surgery Stops Itch—Relieves Pain

New York, N. Y. (Special) — For the first time science has found a new healing substance with the astonishing ability to shrink hemorrhoids, stop itching, and relieve pain — without surgery.

In one hemorrhoid case after another, very striking improvement" was reported and verified by a doctor's observations.

Pain was relieved promptly. And, while gently relieving pain, actual reduction or retraction (shrinking) took place.

And most amazing of all — this improvement was maintained in cases where a doctor's observations were continued over a period of many months!

In fact, results were so thorough that sufferers were able to make such astonishing statements as "Piles have ceased to be a problem!" And among these sufferers were a very wide variety of hemorrhoid conditions, some of 10 to 20 years' standing.

All this, without the use of narcotics, anesthetics or astringents of any kind. The secret is a new healing substance (Bio-Dyne®) — the discovery of a world-famous research institution. Already, Bio-Dyne is in wide use for healing injured tissue on all parts of the body.

This new healing substance is offered in suppository or ointment form called Preparation H®. Ask for individually sealed convenient Preparation H Suppositories or Preparation H Ointment with special applicator. Preparation H is sold at all drug counters.
