American Printed Goods.

CALICOES SHAWLS and POCKET HANDKERCHIEFS manufactured by the subscribers near this city, are offered to the dealers in those articles, at No. 13, Calvert-street, two doors above Lovely lane.

Their assortment is yet small, but growing—and it was not thought well to decline advertising the public on that account, at a period when so many traders from the country visit the city, to make their usual purchases; and who may, before another season, be informed of the comparative merit and prices of their goods, with those imported.

The Messrs. Lannays who conduct the printing work, have been regularly bred to the business under their father, who held, if not the largest, one of the best esteemed Factories formerly in France; and they have for several years owned and managed one for themselves. From their knowledge of the business, as generally done in Europe, they feel warranted in saying, that work of the like kind shall be as well executed here as there—The colors capable of being fixed, will be found as permanent, and as quall in other respects. The quality of the goods they hope will recommend them, and trust they will be found cheaper than the imported.

To counteract prejudice and distrust often existing against new undertakings, and sometimes cherished by men who an feel a national as well as an individual interest to defeat them they have enlarged more than was desirable or necessary in a simple advertisement.

M'CULLOCH & LANNAYS,
No. 13, Calvert-street.

French Night School—

Ecole Francoise.

NOTICE is hereby given, That I, the subscriber, *Teacher and Translator of all French and English Languages*, intend to open the FRANCEN SCHOOL, in my common dwelling of the 20th instant; and if 43 years experience in giving tuition in this line, in different parts of the United States, with success, are sufficient to entitle me to a share of encouragement, I beg those promising youths, who have a desire to become scholars, to apply to Friend Philip Thomas, at the sign of the golden key, Baltimore-street, where they can be acquainted with my short, yet grammatical manner of Teaching.

AS I can devote some leisure hours in the day time, to the instruction of a few scholars, I should be happy to make an engagement.
