National AAU junior track meet at Morgan Saturday

Twenty-three clubs embracing 224 individuals have entered the National A.A.U. junior track and field championships to be held at Morgan State College tomorrow (Saturday).

The entries have come from six states (Virginia, Maryland, Pennsylvania, New York, Massachusetts and Ohio) and the District of Columbia. All registered athletes are eligible for the junior championships except NCAA champions, former junior champions and Olympic team members.

* * *

THE off-again - on - again-character of the meet explains the age of some of the records in nineteen championship events that will be contested here. The junior nationals were revived at Bangor, Maine, in 1959 after a lapse of nearly ten years.

The New York Athletic Club captured the team title then and successfully defended it in 1960. The Baltimore Olympic Club was the runner - up last year at Travers Island, N.Y.

Louis Gregory, of St. Joseph's Catholic Club in New York, set the 6-mile record in 1928, while the two sprint marks (9.6 and 21.5) were established by the University of Mississippi's Jack Burnett in 1931.

* * *

OF THIS year's meet, co-director Bill Jimeson had this to say as the deadline for accepting entries approached:

"There are a lot of people in the meet of equal ability. No event has a real standout entry. The battle for the team trophy will be the closest this meet has ever seen.

EDWARD HURT

The hammer throw will start the meet at 12:30 p.m. Other field events begin at 1 o'clock with the track events slated at 1:30.

Edward P. Hurt, Morgan coach for more than 25 years, will act as meet referee.

See tan players on Georgia eleven

AUGUSTA, Ga. (ANP) — The dean of the School of Business Administration at the University of Georgia told a gathering of Augusta Rotarians here last week that colored students will play on the university's football team within three years.

Dr. James E. Gates explained, however, that colored students won't be put on the Georgia Bulldogs team until there is more than one available.

Otherwise, he added, the situation could get pretty rough.

Villainous foursome heads Coliseum mat bill

A team match featuring four of the most villainous characters currently on the wrestling circuit, is the top attraction at the Baltimore Coliseum next Friday night.

The 6-bout program will be highlighted by a tag - team battle between the Fabulous Kangaroos in one corner and Mark Lewin and Don Curtis in the other.

The Kangaroos are currently recognized as tag - team champions. The Lewin-Curtis team has enjoyed much success since abandoning the "good guys" role and getting tough.

BILLY DARNELL returns after a long absence to meet the midwestern contender, Bob Orton.

"The Black Terror" will again risk losing his mask when he meets the big Hollywood star, Mike Mazurki.

Jerry London of Canada, will match holds with the German roughster, Karl Von Hess. And from Ponce, Puerto Rico, comes Lalo Rodriguez, to take on New Jersey's, Larry Sinon.

The Polish newcomer, Billy Zbyszko, meets another newcomer, Juan Sabastian from Madrid, Spain.

No-hitter for little leaguer

This week's play in the James Mosher League saw the front-running Cubs lose their first game of the season.

Everyone around the league felt that it would take a strongly - pitched game to beat this well-balanced team but few envisioned it as it really happened.

* * *

UP TO the fourth inning, little Stanley Williams of the Athletics pitched to the power-laden Cubs as if they were waving tooth picks.

Then in the fourth inning, his battery - mate, James Hurd, lashed a homer to give him a 1-0 margin to work with. From that time to the bottom of the last inning, Williams pitched as if the Cubs were his first cousins.

* * *

IN THE LAST inning with one man on, by way of a walk, and one down, the runner advanced to third base on a throwing error. Williams then proceeded to strike out the next batter.

Ironically enough, the runner at third attempted to steal home as the catcher dropped the ball. Williams raced in to cover the plate and taking the throw from Hurd nabbed the tying run at the plate for the final out.

Olympic champ quits U.S. squad

NEW YORK — Amateur Athletic Union officials were informed early this week that Otis Davis, Olympic 400-meters champion, will not accompany the American squad overseas for its dual meet with Russia.

Davis, who captured the National AAU quarter-mile title at Randalls Island last weekend "Because I was curious," said he could not afford to make the trip because of job commitments.

The 29-year-old University of Oregon star said he had not planned to enter the AAU meet, but decided at the last minute to do so after a national magazine had done a big spread on Earl Young.

"I just wanted to see how much Earl had progressed," said Davis. Young finished fourth behind Otis' 46.1 victory.

OKLAHOMA CITY — The Urban League of Oklahoma City announced last week that its industrial relations secretary, Napoleon B. Johnson, has resigned to become director of industrial relations of the Milwaukee branch. He is a product of Morehouse College and Atlanta University.
