A MOST CHARMING "bread and butter" party on Monday was the luncheon in the beautiful and cool confines of Dr. and Mrs. Henry Welcome's Liberty Heights home.

IT WAS NOT A meeting of the Maryland Pharmaceutical Society, but anyone would have thought it was had he witnessed the party at the Garrison Lounge last Sunday. Actually the group had gathered to celebrate a surprise birthday party for a faithful member and close friend, Mrs. Ramona Dorcas.

The surprise dinner, which was kept secret for weeks, was in itself a feat since it is so hard to pin Mrs. Dorcas down to any leisure time activity. In addition to her duties as research chemist at the City Hospitals, she is also a practicing pharmacist.

Radiant in a white, linen sheath, she was escorted to the Garrison by Omar Doall, who had convinced her that she deserved a quiet evening out after being on duty that day in the drugstore.

On her arrival she was genuinely surprised by Messrs. and Mesdames Bernard White, Richard Butler, Wesley Sheldon, Ralph Quarries, Carl Walker, Bernard Ralph, E. Lloyd Davis; and John Hagan and Robert Walker. After dinner she was showered with lovely gifts from everyone and issued a gracious Thank You.

SPRIGHTLY and sparkling as the champagne which accompanied those lively toasts was the Bon Voyage party, an elegant send-off honoring the "much feted" Florence Bailey prior to her European flight Saturday.

The octet of hostesses including Mesdames: Lon Lockerman, Jo Rogers, Mary McPherson, Bernice McDaniels, Bea Wright, Blanche Beckham, Helena Hall, Bertha Forte (a contingent of the honoree's club, the Baltimore chapter of The Molesi chose the portals of the David N. Wrights for the occasion.

"Twas a beautiful and breezy party with "air-lift" decorations artistically embanked with summer flowers. Eye-catching and sumptuous was the elaborate smorgasbord repeating the "air-lift" decorative theme. And the hostesses, so chic, cool and charming set the pace for guests who also donned summer cocktail pretties for the affair.

About were Mr. and Mrs. Wesley Stubbs, Glenford Dudley, William Brackett; Drs. and Mesdames: Nathan Pitts, Alan Forte, Thomas Jones;

Miss Jacqueline Spencer, Paul Beckham, Thomas McPherson, Irving Lockerman, David Wright; Drs. Smallwood Ackiss and Edward McDaniels; from out-of-town: Col. Claude Clarke of Miami Fla., and Bruce Dunkins, Washington, D.C.

Science Shrinks Piles New Way Without Surgery, Stops Itch—Relieves Pain

New York, N. Y. (Special) — For the first time science has found a new healing substance with the astonishing ability to shrink hemorrhoids, stop itching, and relieve pain — without surgery.

In one hemorrhoid case after another, "very striking improvement" was reported and verified by a doctor's observation.

Pain was relieved promptly. And, while gently relieving pain, actual reduction or retraction (shrinking) took place.

And most amazing of all — this improvement was maintained in cases where a doctor's observations were continued over a period of many months!

In fact, results were so thorough that sufferers were able to make such astonishing statements as "Piles have ceased to be a problem!" And among these sufferers were a very wide variety of hemorrhoid conditions, some of 10 to 20 years' standing.

All this, without the use of narcotics, anesthetics or astringents of any kind. The secret is a new healing substance (Bio-Dyne®)—the discovery of a world-famous research institution. Already, Bio-Dyne is in wide use for healing injured tissue on all parts of the body.

This new healing substance is offered in suppository or ointment form called Preparation H®. Ask for individually sealed convenient Preparation H Suppositories or Preparation H Ointment with special applicator. Preparation H is sold at all drug counters.
