She took with her 3 silver table spoons and 3 silver three pronged forks, which she will, no doubt, endeavor to sell.

She was bought on the 16th july last, from on board a vessel from Holland, commanded by captain John Bilkes. The above reward and all reasonable charges will be paid to bringing her home at 8 Tell's-street, Tell's Point.

75 Dollars Reward.

RAN away from the subscriber, on the 28th October last, a German man, named CHARLES SORG, about 20 years of age, 5 feet 10 or 11 inches high, square built, short light brown hair, very straight, thin visage, blue eyes, looks very vicious when spoken to, he is a German, and has been but one year in this country, and cannot speak much English; he is a very ingenious fellow at anything, a saddler by trade; had on when he went away, a high crown wool hat, long blue cloth coat, striped swansdown waistcoat, velvet breeches, shoes and stockings; but being a artful fellow he may change his dress—he has a very remarkable stooping steady walk if observed—he often carries his hands behind him when not in a hurry, but when in a hurry he swings his hands and carries himself very study. If apprehended within 30 miles of home, 30 dollars; if 50 miles, 50 dollars, or if 75 miles or upwards, the above reward will be paid for securing him in any jail, and letting me know thereof, so that I may get him again, and all reasonable charges if brought home, by

RICHARD CARROLL,
Saddle and Harness-maker, York and Baltimore turnpike road, 4 miles from the city of Baltimore.

N. B. All masters of vessels and other persons are forewarned harboring or carrying off said servant at their peril.

november 8 2aw4t

100 Dollars Reward.

RAN away from the subscriber, on Tuesday night, the 17th July last, a negro woman, named ALMEY, about 35 years of age—she is a slim spare woman, very black, active in moving and quick in her speech; her teeth out before in her upper jaw all but one, which is near the centre of her mouth, it is long and very remarkable—her clothing cannot be particularly described, as she has several changes of calico, muslin, and common coarse clothes, and her having free connections, she may have changed her clothes. I bought her last fall of a Mr. Henry Stump, living near Deer Creek in Harford county, in which neighborhood I think it probable she may be harbored. I will give 20 dollars to any person that can give information of any person or persons harboring said woman, so as to convict them by law. I will give the above reward if she is taken up out of the state; 50 dollars if taken in the state, and out of the county; and 30 dollars if taken in the county, and secured in any gaol, and if brought home all reasonable charges will be paid by

PEREGRINE NOWLAND.

P. S. She is cheerful in her speech when talked to, but not apt to be talkative, but I believe pretty shy and cunning, and perhaps may have a pass from having free connections—she was taken up at Havre de Grace, by a Mr Giles.

To the Curious and Ingenious.

THE most surprising Phenomenon in science and philosophy, is just arrived in this city, and is to be seen at the corner of Market and Charles-streets, one door above Mr. Rice's bookstore.

It is constructed upon philosophical principles, and was invented by the celebrated JACKSON of LONDON, whose genius in the musical art, has surpassed all before him, he having discovered that celebrated machine, played by one person, which performs all the parts and tones of a full band of music—The name of the phenomenon is justly called

The Mystery.

The amateurs of science and curious experiments are respectfully invited to its exhibition, which is beyond the conception of any person, or any discovery yet made in *Acoustics*. So confident is the proprietor of the nature of its operations, that he will give a premium of 100 dollars to any gentleman or lady who shall discover the secret. The expence and trouble of bringing this curious construction to this country, will, it is hoped, from the citizens of Baltimore, receive a patronage worthy a scientific and liberal people.

☞ Admittance one dollar, children half price.....Door for admission open from 9 till 1, A. M. and from 2 till 8 in the evening.

The price cannot be lowered, as each visitant will be allowed to come again if accompanied by another person.

French Night School—

Ecole Francoise.

NOTICE is hereby given, That I, the subscriber, *Teacher* and *Translator of the French and English Languages*, intend to open the FRENCH SCHOOL, in my common dwelling, on the 26th instant; and if 43 years experience, in giving tuition in this line, in different parts of the United States, with success, are not sufficient to entitle me to a share of encouragement, I beg those promising youths, who have a desire to become scholars, to apply to friend Philip Thomas, at the sign of the golden key, Baltimore-street, where they can be acquainted with my short, yet grammatical manner of Teaching.

AS I can devote some leisure hours in the day time, to the instruction of a few scholars, I should be happy to make an engagement

VENERAL DISEASES

AS Dr. WARNER's practice has been very extensive both in public and private, daily experience convinces him of the propriety of his method of removing the venereal disease, in preference to any medicine vended or known in Baltimore. He has removed the most desperate cases with care and dispatch, after the failure of some of the ablest physicians both in Europe and America. Complaints of the urinary passages and debility thereof, from various causes and accidents, removed in the shortest possible space of time.

—As there are persons from various causes cannot personally apply, it may be necessary to inform them, they may be relieved from a description of their complaint.

Dr. W. warrants a cure in all cases. Masters of vessels and travellers may have their medicine so prepared that a safe, effectual and expeditious cure may be effected, without the least restriction in drink or diet.

N. B. *Dr. Warner has removed from Second-street, to Cumberland Row, No. 64, below the Marsh-market.*

Notice.

THE partnership heretofore existing under the firm of M. DIFFENDERFFER & SON, was on the 27th instant, by mutual consent, dissolved; all persons having claims against said firm, are requested to exhibit the same for settlement—and all persons indebted to the said firm, are desired to make speedy payment to John Diffenderffer, who is duly authorised to settle the business of the said concern
