NOTICE

To the Owners and Planters of Tobacco, through the State of Maryland, Virginia and elsewhere.

UNDER a late law of the General Assembly of Maryland, a large, spacious and commodious Fire-proof Warehouse, built on the end of the centre Market space and Frederick-street dock, is now ready for the reception, packing and inspection of Tobacco. It is presumed that the great and many advantages attached to this Warehouse, both from its central situation in the city of Baltimore, not being more than 300 yards from the Custom House of the United States—the little danger from fire, and its easy, and immediate accessibility by water, without any charge for wharfage, will deserve and claim the attention of all persons interested. It is very convenient and near to the merchants who principally buy and deal in Tobacco—always to be approached by the largest craft, bay and coast, with sufficient navigation for all vessels employed in the exportation of this article, not drawing more than twelve feet water. Its exemption from risk by fire, and from wharfage, are also considerations affording peculiar advantages. The subscriber promises always to use the utmost dispatch, care and attention for the interest of those who may please to consign their tobacco to his charge.

JOSIAS STEVENSON,
City of Baltimore, } Inspector.

AS I can devote some leisure hours in the day time, to the instruction of a few scholars, I should be happy to make an engagement

VENEREAL COMPLAINTS

AS Dr. WARNER's practice has been very extensive both in public and private, daily experience convinces him of the propriety of his method of removing the venereal disease, in preference to any medicine vended or known in Baltimore. He has removed the most desperate cases with care and dispatch, after the failure of some of the ablest physicians both in Europe and America. Complaints of the urinary passages and debility thereof, from various causes and accidents, removed in the shortest possible space of time.

—As there are persons from various causes cannot personally apply, it may be necessary to inform them, they may be relieved from a description of their complaint.

Dr. W. warrants a cure in all cases. Masters of vessels and travellers may have their medicine so prepared that a safe, effectual and expeditious cure may be effected, without the least restriction in drink or diet.

N. B. *Dr. Warner has removed from Bond-street, to Cumberland Row, No. 64, below the Marsh-market.*

☞ *Not two Blanks to a Prize.*

The tickets to be sold in halves, at five dollars each.

The Managers respectfully solicit the aid of the public to complete the object of the above Lottery—the valuable donations for seven years having been already made by an association of ladies, for the education of poor orphans of all denominations—Teachers in every part of the city have been paid quarterly for the schooling of children, and in some instances assisted with necessary clothes, from the precarious resources of subscriptions, public and private donations, charity sermons, &c.

The legislature of Maryland have been pleased to grant a lottery to raise a fund upon more stable and permanent principles, for the support of this institution; and the mayor and city council, in sanctioning it by an ordinance, have also given a very honorable testimony of their good wishes, by relinquishing the customary tax. The Managers therefore confidently hope, that the above scheme, as well from the benevolence of its intention, as the principle of adventure, will be inviting to every citizen, in this or any other part of the United States. Adventurers in this lottery, while they feel a conscientious and consoling reflection of having thereby contributed their mite to the permanent establishment of a Free School, for the education of poor children, male and female, of every denomination; will also in a pecuniary point of view, experience advantages superior to any other scheme heretofore offered.

For the convenience of purchasers, the managers have thought proper to strike off the tickets in halves, leaving it optional with the purchaser to take the whole or half ticket.

The managers have given bond for the faithful performance of their trust.

Sixty days after the drawing is finished the prizes will be paid, subject to a deduction of 12 1-2 per cent.—if not demanded within 12 months after the drawing is finished, they will be considered as relinquished for the orphans.

THE Managers of this Lottery flatter themselves, from the elevated and healthy situation chosen by the Commissioners appointed for erecting the Market-house, that it will be of the greatest utility and advantage, to that part of the city, and to the country in general; and beg leave to recommend it as an object worthy of their encouragement.

As the above Scheme offers every possible encouragement to adventurers, from the many valuable Prizes it contains, and there being considerably less than two Blanks to a Prize, and all Prizes payable in 60 days after the drawing of the Lottery is completed without any deduction, the Managers entertain the greatest hopes of such a speedy sale of the Tickets, as may enable them to commence drawing without loss of time.

Such Prizes as shall not be demanded within six months after the drawing is finished, will be considered as relinquished for the benefit of the Market-house.

For the satisfaction of the public, it may not be unnecessary to inform them, that the Managers have given bond to the State of Maryland in the sum of 50,000 dollars, for the due performance of the trust.
