Columbia Mills for sale.

THESE MILLS, with the LANDS thereto attached, about 27 acres, will be offered for sale by the subscribers, at their Auction room in Baltimore, on MONDAY the Eighth of April next, at ½ past 11 o'clock. This property is situate on the waters of Deer Creek, in Harford county, Maryland; 1½ miles from Stafford the residence of John Stump, esq and 3 miles from Rockrun Landing, at the head of tide water on Susquehanna. The improvements are a decent dwelling house, a miller's house, and other out houses; an apple orchard, and a variety of peach and other fruit trees.

The mill is a substantial stone building, about 66 feet by 40; has two pair of excellent French burr stones, and one pair of Cologne; the stream is capable of turning two wheels at the dryest season, and the mill every way calculated for carrying on an extensive business but now out of repair. Jeremiah Rogers, on the premises, can give further information, if required.

The nearness of this situation to the tide water on Susquehanna, promises important advantages in the purchase of grain descending that river, as well as in the easy carriage of flour, by water, to Baltimore. One third of the purchase money will be required in hand, a reasonable credit may be had for the residue, on being satisfactorily secured.

At the same time and place will be sold,

A tract of LAND, of about 130 acres, on which is an apple orchard and some small improvements, in a healthy situation, nearly adjoining the residence of col. [illegible] Carvel Hall in Harford county. It is now in the tenure of William Arnold, and belongs to the estate of Alexander W. Davey, deceased.

Caution.

WHEREAS there was on Thursday last, put in the hands of Elken Solomon, broker, by a small boy, for discount two notes, purporting to have been signed by James Corrie, in my favor and by me endorsed, for about 50 dollars each. And as a certain Elisha Watson, (who was in prison in the winter on a charge of the same nature) has been apprehended and committed on strong suspicion of being the forger of said notes. I have thought proper to caution the public against receiving any note with my signature, either as drawer or indorser, as from certain circumstances I have reason to believe there are others beside the above mentioned notes now in existence.
