LIBERTY CAPTAIN — Tackle John Brown will captain Syracuse in her televised Liberty Bowl game against Miami at Philadelphia Saturday.

Lenny denies sulking

SAN FRANCISCO, Cal. — "There's no mystery about a man feeling bad."

Lenny Moore, star halfback of the Baltimore Colts, gave this answer when questioned about a report that he has been acting "mysteriously" in the camp of the football team which plays the San Francisco 49ers tomorrow (Saturday) at Kezar Stadium.

A story published Thursday afternoon, called Moore a "man of mystery" the past week, and said he was "surly" and incommunicable.

LENNY WAS not available for comment until shortly after midnight Friday morning. The Colts did not come to San Francisco from Long Beach until Thursday night, and it was 9:00 p.m., (12:00 a.m., Baltimore time) before he was available for comment.

"I was hurt in the Rams game (last Saturday at Los Angeles). Since then I've been plagued by headaches and an upset stomach," he said. "There's no mystery to a man feeling bad if there's." Whether or not Moore and Joe Perry will be able to play in the season finale tomorrow, is pure conjecture. Both were hurt in the 34-17 loss to the Rams, and neither has engaged in serious workouts since then.

Golf champs get awards Sunday

Norman Wallace, 1961 Colonial Golf Club Champion, will receive the championship trophy and the golfer of the Year award on Sunday at the club's 5th annual awards banquet.

The event, scheduled for the Sheraton Inn at 6 p.m., will also see Mrs. Alma Arwin, 1961 women's champion, receiving a championship trophy and golfer of the year award.

A total of 122 service and sportsmanship awards will be given. Among them is the award to George Taliaferro, who holds the longest hole record in the state of Maryland.

Y swimmers

The Druid Hill "Y" swimmers under the tutelage of Joseph Montgomery, won their opening meet of the season at the Jewish Community Center on Park Heights Ave.

Co-captains Kent Oliver and Monterria Purdy led their team to victory by copping first place and avenging the team's lost by the J.C.C. last year. Riley Hawkins tied for first and Monterria Purdy was nosed out in two separate races which proved to be the most exciting events of the afternoon.

Other oustanding swimmers for the "Y" were "Mike" Nichols, Laws Nickens, Lenniel Mosely and Gary Swift.

On Dec. 27, the "Y" will clash with the Chick Webb Center in what promises to be a thrilling meet.

Wilt, Elgin, Oscar NBA pace setters

NEW YORK—Enjoying the finest week he has had in scoring since joining the N.B.A. ranks, Wilt Chamberlain of the Philadelphia Warriors, last week scored a total of 272 points in five games for a 54.4 per game average. This lifted his season average to 47.8 points per game.

During the same period, Elgin Baylor of the Los Angeles Lakers increased his season's per game average from 34.6, last week, to 37.1 this week.

Oscar Robertson of the Cincinnati Royals is the fourth N.B.A. player to average more than 30 points every time he performs with a 30.2 average.

Chamberlain is hitting the records at 10.3 more points each time out as compared to the corresponding period a year ago.

• • •

IN CREATING his new N.B.A. individual scoring record of 78 points against Los Angeles in the triple overtime at Philadelphia last Friday night, Wilt Chamberlain created four new individual league records:

Most points for one player — 78; most field goal attempts by one player — 62, most field goals made by an individual player in a single game — 31; and most free throws attempted by an individual player in a single game — 31.

• • •

WALTER BELLAMY, Chicago Packer rookie, with a .499 field goal percentage, maintained his lead in that department over Clyde Lovellette of St. Louis, who is second with .482 to .480 for Oscar Robertson.

Bill Russell of the Boston Celtics, continues in 4th place with .472 but John Kerr of Syracuse, yielded 5th place to Bob Ferry of Detriot, who is batting at .461.

THE FIRST four rebounders in the league increased their averages with Chamberlain going from 26.1 to 26.2 each time out, while Bill Russell of Boston moved from 24.6 to 24.9; Elgin Baylor increased his average grabs per contest to 19.0 over the pervious week's 17.9, while Bob Pettit of the Hawks is retrieving 19.3 rebounds over 18.8 last week.

Robertson lost a little ground in the assist column, making feeds at the rate of 11.2 per game with a total of 218, well ahead of Guy Rodgers of Philadelphia who has 196 feeds for a 7.5 average.

CORE pickets Houston Oilers

NEW YORK—Several hundred members of CORE Groups in the New York area picketed the Houston Oilers-New York Titans professional football game.

A total of 9,462 persons crossed the CORE picket line. The capacity of the Polo Grounds, is in excess of 56,000.

• • •

THE CORE groups were responding to a request for support from Houston. The Oilers maintain a segregated seating policy in their home games. The Oilers also refuse to integrate their press box.

Leaflets passed out by the pickets said don't "play football with bigotry." Cooperating in the demonstration were members of Bronx, Brooklyn, New York, Suffolk and Newark CORE.
