# —Mrs. Santa

(Continued from page 1)

to help some deserving family have a happy Christmas, just pick up the phone and call Mrs. Santa at Mulberry 5-6015.

She'll give you the name and the address of the family. She'll be receiving calls until 5:30 p.m. Saturday.

So here are the latest cases but before that, Mrs. Santa has one other thing to say to everyone.

It's simply:

"God bless you everyone, thanks from the bottom of my heart, and have a very Merry Christmas."

NO. 301 - I have seven children, six going to school. One of them cannot talk.

My husband left us three years ago. He does not give us any money at all.

We get a little help from the Welfare. I would like for you to send us a basket so I can make my children happy.

Thanks.

NO. 302 - I am 13 years old and I am writing you about my family needs. I sleep on a mattress and a spring and I would like, if you would give me a bed if you can and some warm clothes because it is very cold when I go to school.

My family is very large and I have four brothers and two sisters and we live on the second floor with my mother and father and my father doesn't make a good pay and sometime we do not eat dinner or breakfast and lunch.

Please help me and my family with needs.

My brothers and sisters are from three to thirteen years of age.

NO. 303 - I am writing for a Christmas basket for my six children.

I have two boys and four girls, the oldest girl is thirteen. My husband and I are separated, and I get very little income which is just enough for rent and a little food. They would appreciate anything you give them. Please help them to have a merry Christmas. Thank you.

NO. 304 - Will you please help my children to have a nice Christmas?

My husband is out of work and doesn't have any way of helping them for I am not getting no more from the welfare and is unable to work my self.

My children are ages 11 months to 14 years old. Would be grateful for whatever we get. May God bless you.

NO. 305 - I am writing to see if you can help me and my daughter for Christmas.

I am a widow and I have a little girl 12 years old. I only work two days a week and I will not be able to give my girl anything for Christmas.

I would appreciate it very much if you could send me a basket. Yours truly.

NO. 306 - I am a mother of five children. A girl seven years old, four boys, eight to fifteen years old.

I have been able to help others every year. Now I am sick in bed, and my husband is out of work and has drawn his last unemployment insurance, and we are having it hard. We can't help anyone now.

I would like for you to help my children with anything that you can for Christmas.

NO. 307 - I'm writing to you in hope that you may help my children have some sort of Christmas. I don't want too much, but just enough so that they may realize that this is Christmas that we are celebrating. I only have two children, their ages are four to ten years old.

I am an unemployed mother at the present time. My husband and I are separated. He is in California somewhere.

I'm D.P.D. at the present, and my income is $6.36 per week for the two, rent, food, and on the 11th of the month, I get $8.41 from the D.P.W.

At the end of the month, I get $42.46 as a make up check. My rent is $48 a month, so you can see since I'm not working things have been pretty tough with me.

I have to put from $8 to $10 with my rent every month because the manager usually sends me a court order.

I haven't worked since Sept. 19. I had an accident and am unable to work.

I would appreciate everything and anything you do for the children. Thank you very much.

NO. 308 - I wish you can help us. There are eight children, the oldest is 15 years and the youngest is three years.

We are really in need of food and clothes. My husband has been laid off a longtime and we only get $35 a week and we pay $20 a week rent, so that leaves us very little for food and clothes. I would be glad of anything that we can get.

My baby boy needs shoes, too very badly. Thank you and God bless you.

NO. 309 - This time last year I wrote for help for these two families and didn't receive it. One for my mother and two for my brother who had two operations on his leg.

My father is dead.

Please help her if not me. She is a well deserving person who is always helping us off the little money she gets. She let the bills go by just to help some one at times.

I have eight children, 13 years to four months. My husband left and I try to do the best I can by my kinds. I find it hard sometimes. Oldest one needs glasses, some need shoes, some need coats.

I'm 13 years old. We will be grateful to anything.

NO. 310 - I am writing you for my mother. She is 82 years old and receives $60 a month. I would like her to have a nice Christmas, but I am not able to get her anything. this year because I am now on the welfare myself and I have six children.

Will you please help her this year? She and her grandson. A nice basket would make her happy.

God knows I am not able. If I were, I would be very glad because she is a wonderful mother.

Thank you very much and God bless you and your wonderful work.

NO. 311 - I am a little girl twelve years old.

Please send me and my brother and sister something for Christmas because my mother won't have any money to give us something. She is on the welfare and they don't give you much.

I am in Junior High School and I like to go to school looking like other girls.

NO. 312 - I am writing you to ask you to send me a basket.

I would love my children to have a nice Christmas.

I have five children, The two boys are six and nine, and the three girls are 10, 12, and 14.

I was on welfare and my husband is in the hospital and the money that they send me, I just can make it.

I try to do my best, but Christmas I won't be able to have a nice Christmas dinner. So if you please send me a basket so my children can have a nice Christmas. It takes a lot for a large family. I'll thank you so much if you help me to have a nice Christmas.

NO. 313 - Will you please help me and my six children? I am a mother living alone on $18 a week probation check.

I don't get it part of the time. I would like to give my children a nice Christmas this year. Last year I was sick in the hospital about four months with yellow liver disease.

All go to school except two and they would like some shoes, pants and sweaters and fourteen. And the girls nine shirts, sizes eight and ten and end five dresses and a girls coat, size nine.

Some food so they will have a nice Christmas.

NO. 314 - I am writing to ask you if you can help me this Christmas because I have three children. I am poor and do not have much money. I would appreciate anything I get.

I thank you very much.

NO. 315 - I would like for you to send us a basket, clothing or anything.

I have seven children with five in school. Their father has been disabled for the past four years and is still disabled.

If possible, give the children tickets, if you can, to the Christmas party. They did get them last year.

So thank you and God bless you.

NO. 316 - I am the oldest of five children and my mother only gets a check once a month from the welfare. If you would please send my little brother and sister some warm clothes and food and maybe a small toy then, I think my mother's Christmas will be one of the happiest for a long time and she won't cry much.

She wrote to you last year but there were so many people who had more trouble that we were a long way down the list.

I hope we are more lucky this time.

I have two brothers 9 and 6 and two sisters 4 and 2. I am 11, myself.

My mother and all of us will always be grateful.

NO. 317 - I hope I am not too late for a basket. My husband was in the hospital in May for his stomach. He has an ulcer and he is out now. He works one or two days a week as a handyman.

He doesn't stay well and is unable to work steady.

He works sick most of the time. We have six children. I had my last child in February and I went for my six - week check - up and the doctor told me I had to have an operation. So I wasn't able to go to the hospital then. I had to work and make ends meet.

My husband gets a $36 veterans check a month and we pay rent with that. We have little money to eat off, so if you have a basket please send us one and anything you can send.

God bless you all.

NO. 318 - Will you please try and help us this Christmas? I have a boy who is five years old. He needs pants, shirts to wear to school. I went to Columbus, Ohio seeking work, but was sent back by the welfare when I couldn't find any.

NO. 319 - I am the mother of eight children. My husband is out of work, and his social security hasn't come through yet.

I have five boys and three girls. The boys are 11 to two and a half years old; the girls are eight to three years old.

# Post office to get chief photographer

J. Edward Day, postmaster general, said Monday that the Administration's program to upgrade colored persons in the post office has resulted in two significant appointments to posts higher than they have ever held before.

He referred to the appointment of a personnel manager in Chicago and a deputy post master of transportation in Washington.

An aide added that Loris Boone, a career man in the post office would soon be appointed chief photographer of the post office with headquarters in Washington.

• • •

MR. DAY made the statement Monday during a press conference in Baltimore Postmaster William F. Lautkaitis' office. He was here to get a first hand look of the post office in action on its busiest day.

He said half a billion pieces of mail would be handled Monday by the 36,000 post offices throughout the United States because of the Christmas rush.

Mr. Day pledged all his resources to get passed in the next legislative session increased postal rates.

He was most anxious to raise first - class mail to 5 cents, increase second-class mail by at least 50 per cent and third class mail by about 25 per cent.

The postmaster noted that the postal deficit is some $600 million yearly, not counting an estimated $250 million for non-postal services.

Later at a luncheon in the Emerson Hotel, Mr. Day endorsed a pay raise for postal employees who number about one-fourth of all civil service workers.

J. EDWARD DAY, Postmaster General of the United States, sorted through some of the record volume of mail at the Baltimore post office, Monday, during his tour of the building. Mr. Day is visiting the 23 largest post offices in the country. Baltimore ranks 17th.

ONE OR TWO factors are involved: the inclement weather which has prevailed for the past two Sundays and more importantly, our inability to satisfy the bail bondsman at this time.

These two items alone make it impossible for us to adequately fulfill our present obligations and forces upon us the necessity of calling upon the Community to rush financial assistance to us.

NOTE:

1. The article in the AFRO which stated that the Masonic Family had contributed some five hundred or so dollars was incorrect. This might lead many to think that the Assistance Committee is in the BLACK when it is actually in the RED.

2. This committee has also been approached for help in obtaining release of six persons who are presently at Cecil County Jail. Urgent help is forthcoming immediately we shall be unable to lend assistance which is pressing at this time.

rea, that you perhaps might be able to assist me in this problem.

"Although I have not enjoyed the privilege of reading your publication, I have read and do enjoy those colored publications I have read. After reading my letter, it will be appreciated if you could see fit to publish same for me, or to at least recommend me some way in which I might be able to go about finding a solution to my problem. My request is simply this: I would like to meet and marry an American colored girl.

"May I therefore present a brief picture of myself. I am a citizen of the Republic of Korea, am 23 years; height 5 feet 10 inches and weight approximately 150 pounds, with black hair and eyes. I have completed three years at the University of Korea with a major in Political Science.

"My religion is Protestant and I have approximately one thousand dollars worth of real property or my own. "I have just completed a tour of service in the Korean Army where I served mostly with the Korean Military Advisory Group (KMAG).

My experiences with colleagues members of the American Armed Forces and with my very good friends at the American Embassy and U.S. Operation Mission in Seoul have done a great deal to strengthen a long latent desire.

• • •

I would, therefore, be extremely grateful to you and your staff for publishing this request for me as well as for other assistance and information which you may be able to give me.

empty pulpits come Sunday and Christmas mornings...the pastors might be in jail."

Speaking was the Rev. Marion C. Bascom, pastor, Douglas Memorial Community Church, repeating a statement he made at the St. John's Day celebration before Maryland Masons Sunday.

Pressed for details, he added

"Note the word 'might,' it is important."

• • •

THE REV. Dr. I. Logan Kearse, pastor of Cornerstone Baptist Church, and head of the newly-created Maryland Committee for Freedom, when asked if his group will become active after the first of the year, said:

"I have a lot of people begging for action and we aren't ready to write off 1961 yet."

WALTER CARTER, co-chairman of the local CORE chapter asked if his group would stage the usual weekend protests, said:

"Our plans have not been crystalized, but you'll be safe in saying we'll be doing something."

Clarence Logan, chairman, the Civic Interests Group, was equally non-committal.

"The students are meeting today (Friday) we'll know after then."

The "maybe we will or maybe we won't" position of demonstrators regarding the holiday weekend followed the collapse of attempts to persuade lead ers to hold the protests in abeyance.

The failure was admitted by Dr. Leon Sachs, director of the Jewish Council, who desired two meetings between "old pro" civil rights fighters and demonstration leaders at Fellowship House, 3200 N. Hilton St.

"We have agreed to disagree agreeably in the good old American way," Dr. Sachs said in summing up the sessions. "But we did accomplish something. This is the first time we've agreed to meet."

The "old pros," representing religious, educational, labor, and community organizations, had called the meetings to discuss the "advisability of calling off the demonstrations temporarily."

THE FIRST session was held Dec. 13, three days before the Route 40 ride last Saturday. At that session Dr. Sachs told the group it was too late to halt the highway protest.
