Leontyne Price concert to be gala presentation

with Lula Jones Garrett

Alpha Kappa Alpha sorors are knee - deep in arrangements for their joint presentation, with the Baltimore Symphony Orchestra, of Leontyne Price here on March 6.

They share the tickets, of course, from boxes to balcony, and with the exception of the boxes, I think, have fine seats still available. They declare it's going to be a top-drawer event. Fiorella R. Clark, along with Charlotte Harper is heading this project.

The concert will be at the Lyric Theatre.

Each person contributed an idea and the crowning performances were the Mozart-like variation improvised by Georgeanna Chester and the jazz hopping of pianist Louis Kane with Clarence Henderson on the bongos.

Science Shrinks Piles New Way Without Surgery Stops Itch—Relieves Pain
New York, N. Y. (Special) — For the first time, science has found a new healing substance with the astonishing ability to shrink hemorrhoids, stop itching, and relieve pain — without surgery.
In one hemorrhoid case after another, very striking improvement was reported and verified by a doctor's observations. Pain was relieved promptly, and, while gently relieving, actual reduction or reshrinking (shrinking) took place. And most amazing of all, this improvement was maintained in cases where a doctor's observations were continued over a period of many months! In fact, results were so striking in the tests that doctors were able to make such astonishing statements as "Piles have ceased to be a problem!" And among these sufferers were a very wide variety of hemorrhoid conditions, some of 10 to 20 years' standing.
All this, without the use of narcotics, anesthetics or astringents of any kind. The secret is a new healing substance (Bio-Dyne®)—the discovery of a world-famous research institution. Already, Bio-Dyne is in wide use for healing injured tissue on all parts of the body.
This new healing substance is offered in suppository or ointment form called Preparation H®. Ask for individually sealed convenient Preparation H Suppositories or Preparation H Ointment with special rectal applicator. Preparation H is sold at all drug counters.

To acquaint you with the fine shops at Mondawmin, where there are parking facilities for over 4,000 cars, we invite you to participate in Mondawmin's PARK-A-WINNER contest.
NOTHING TO BUY! NOTHING TO WRITE!
Merely take advantage of the wonderful shopping facilities and the ease of parking your car at the Mondawmin Shopping Center. Each day, Monday through Saturday, from Jan. 15 through Jan. 27, 1962, a number of cars will be tagged. If your car is tagged . . . YOU'VE PARKED-A-WINNER! Merely bring the tag, together with your registration card, to the Mondawmin office and you will receive a wonderful prize absolutely free. However, you must claim your prize within 24 hours of the time indicated on the tag. You'll have more fun, you'll find wonderful merchandise, and you'll have the convenience of Mondawmin's parking facilities.
WIN
Remember, you can still PARK-A-WINNER anytime from Jan. 15 through Jan. 27. Over $1,000 in prizes will be given away during this period in Mondawmin's PARK-A-WINNER contest.
