Philip Savage calls Emancipation still a misnomer; Chorus of elementary school children from Parole Elementary School and Miller Trio of Washington to give program; Margaret Thompson is clerk at the Progressive Savings and Loan Company.

"Emancipation...now almost 100 years old, is still a misnomer, because of America's unfinished business. There is still no equality or justice for one segment of our society," said Philip H. Savage, field secretary of the NAACP for Pennsylvania, New Jersey, Delaware and the Eastern Shore.

Mr. Savage spoke to a large audience at the public meeting conducted by the Anne Arundel County Branch of the NAACP at the First Baptist Church on Sunday.

"Our critics tell us to go slow, but we know it is already going too slowly, and needs to be speeded up.

"Others tell us we ignore the great progress that has been made...we are not ignoring it. We just can't find it," he further stated.

MR. SAVAGE indicated there is a plan to bring a large group of people to Annapolis to let our legislators know how we feel about the proposed equal accommodations bill.

He gave the following points as of great importance to impart to the legislators:

(1) That everyone register and vote; (2) that we conduct a state-wide boycott of goods and services where we can't get justice; (3) that we contribute to the NAACP, as the Maryland demonstrations, so far, have cost $80,000 and more money is needed.

"This problem is not just of local concern, but national and even international. Maryland draws publicity all over. So, don't stop now, nor delay. The time to advance is now," said Mr. Savage.

The meeting was designed to stimulate interest in the sit-ins and in the purposes of the sit-in movement.

DELTA PI OMEGA Chapter of Alpha Kappa Sorority presented a check for $200 to the branch to aid in the sit-in movement expenses.

A plaque was presented by the president of the branch, Dr. Theodore Johnson, to the Rev. Leroy Bowman, minister of the church for the $500 life membership the church contributed. Mrs. Mae Penwick is chairman of Life Memberships.

A cultural afternoon of good music should attract many music-lovers on Sunday to the Mt. Olive Church in Parole, when a chorus made up of 120 voices of the Parole Elementary School and the Miller Trio of Washington, D.C., appear in a musicale at the church on Sunday, Jan. 21 at 4 p.m.

Mrs. Irene Richardson, teacher of music at the school, directs.

The program is sponsored by the Junior Missionary Society of which Miss Deborah Makell is president. The public is invited.

THE BALTIMORE CHAPTER of the Cheney Alumni Association held its regular meeting on January 6, at the home of the president, Mrs. Thelma Moore.

The guest speaker for the evening was Judge Robert Watts of the Municipal Court.

Judge Watts' topic was "The New Court System." He gave an account of how the court was reformed into the Magistrate System developed. Under that archaic system the Governor appointed justices of the peace who were assigned to police courts and districts for two years. He appointed the magistrates also, on a part-time basis. These men did not necessarily have to be lawyers.

Their affirmation depended upon the senator or congressman of their districts. Thus, political favoritism played a major role in handling cases which eventually led to widespread corruption in the courts.

The Governor appointed the judges and a chief judge. Their assignment to various courts and districts is on a rotating basis. The judges can give sentences up to three years and fine up to $1,000. The judges wear robes and conduct sessions in the best court room style.

The present system has brought dignity to the courts, has discouraged political interference in meting our justice, and has prevented a tie in of police and magistrate in giving out sentences, Judge Watts said.

The two areas in which the court would like to see more concentrated effort are decentralized traffic court and rehabilitation of the alcoholic, he added.

A question and answer period followed.

The Alumni Association is presenting, "The Vagabond Players" in "The Breath Of Spring" by Peter Coke, on Wednesday, Feb. 21, at the Vagabond Arena Theatre, 306 W. Franklin St.
