THE Managers of this Lottery flatter themselves, from the elevated and healthy situation chosen by the Commissioners appointed for viewing the Market-house, that it will be of the greatest utility and advantage, to that part of the city, and to the country in general; and beg leave to recommend it as an object worthy of their encouragement.

As the above Scheme offers every possible encouragement to adventurers, in the many valuable Prizes it contains, and there being considerably less than two Blanks to a Prize and all Prizes payable in 60 days after the drawing of the Lottery is completed without any deduction, the Managers entertain the greatest hopes of such a speedy sale of the Tickets, as may enable them to commence drawing without loss of time.

Such Prizes as shall not be demanded within six months after the drawing is finished, will be considered as relinquished for the benefit of the Market-house.

For the satisfaction of the public, it may not be unnecessary to inform them, that the Managers have given bond to the State of Maryland in the sum of 30,000 dollars, for the due performance of the trust.

## To the Voters

*Of the City and County of Baltimore.*

*GENTLEMEN,*

BEING solicited by many friends, both in the city and county, to offer myself a candidate for the Office of *SHERIFF*. I have taken the liberty of soliciting your suffrages at the ensuing election, as I conceive myself qualified (from long experience as assistant to the present and two preceding sheriffs) to discharge the important duties attached to that office.—My engagements will continue to prevent a personal application to each individual, whose approbation I am ambitious to possess; but if correctness, diligence, and every degree of humanity, consistent with the interest due to an indulgent public, are becoming requisites.—I hope the want of a personal interview will be no material objection against the

Public's humble servant,

JOHN HUNTER.
