NOTICE.

I INTEND to petition the General Assembly for an act of Insolvency, to relieve me from debts I am involved in by imprudences of Mr. Charles Edwards, which debts I was not accessary in creating.

GEO. P. GREENFIELD.

Hannah Wiebert,

AN INDENTED GERMAN SERVANT WOMAN, ran-away from the subscriber about the first of September last. She is between 18 and 20 years of age; and is about the common size—of somewhat clumsy form, with a little of a bend about the neck and shoulders. She has a down look—has little hair, which is of a light color—her complexion fair, with rather a mixture of salowness. Her head and face flat, the latter of which, when she is at work, she is in the habit of twisting in a variety of ugly shapes.

She took with her, a dark calico gown, and several cotton striped dresses, and a Leghorn bonnet trim'd with black.

It is supposed she went off with a German, a butcher. She arrived in this country, with her father, from Wirtemburg about a year since—his name is *Jacob Wiebert*, and he is, by profession, a gardener. Since her flight he left the city, and, no doubt, he is now with her. She could speak some little English, but her father could not. A REWARD of

TEN DOLLARS

Will be paid by the subscriber, if said run-away is secured so as he can get her again.

TO BE SEEN,

Two Dromedaries,

FROM ARABIA.

THESE are the first of the species ever imported into this country. The value of them is such, that the Arabian, possessed of his Dromedary, has nothing either to want or to fear. They will travel at the rate of a hundred miles in a day, 5 or 6 days together, without either eating or drinking. They are part like the horse, cow, sheep, and the rabit, and are the most docile animal in the world. They kneel down, take on their load, and wait the pleasure of their keeper to rise. They arrive at their full growth at 6 years old, which is about 20 hands high, and live to the age of 40 or 50 years. The oldest of the above is forty years, and the youngest 17 months.

These astonishing Animals are to be seen at No, 36, opposite the lower Marsh-market. It is to be hoped the Ladies and Gentlemen of Baltimore will not loose this favourable opportunity, which may be the only one (at least for many years) of viewing these surprising animals, so much spoken of by naturalists and Historians.

☞ Admittance 25 cents, children half price.

French Night School.

NOTICE is hereby given, that I the subscriber, Teacher and Translator of the French & English Tongues, have resumed the FRENCH NIGHT SCHOOL in my common dwelling, between Light-street and Charles-street; but as to promise to do wonders in be half of my pupils—I have no need, it suffices to tell them that no language can be learned without grammatical rules, even as far as translation; the master and scholars must take a great deal of pains; also, that every person is not capable to learn a foreign language. Those impartial judges who know me will certainly agree, that after having taught the French language to the most respected Ladies & Gentlemen of America, during more than 45 years; I ought to be a competent judge. I would advise those promising youths who will favor me with encouragement, to apply as soon as possible, so that they may get some benefit of their studies by the 15th of March.

VENEREAL COMPLAINTS.

AS Dr. WARNER's practice has been very extensive both in public and private, daily experience convinces him of the propriety of his method of removing the venereal disease, in preference to any medicine vended or known in Baltimore. He has removed the most desperate cases with care and dispatch, after the failure of some of the ablest physicians both in Europe and America. Complaints of the urinary passages and debility thereof, from various causes and accidents, removed in the shortest possible space of time.—As there are persons from various causes cannot personably apply, it may be necessary to inform them, they may be releived from a description of their complaint.

Dr. W. warrants a cure in all cases. Masters of vessels and travellers may have their medicines so prepared, that a safe, effectual and expeditious cure may be effected, without the least restriction in drink or diet.

N. B. Dr. Warner has removed to the corner Calvert and Bank streets.

ELOPED

FROM the subscriber on the evening of the 28th July, a bright mulatto man, named PERRY BENTLY, aged about 30 years, but in appearance not more than two or three and twenty; he is a straight made handsome fellow, about 5 feet 10 inches high, and rather slender, his visage long and features small, with a direct and steady look when addressed.—He took with him a change of good summer and winter cloathing. Any person securing the above described man, so that the subscriber can obtain him, shall receive 20 dollars if taken in the state, if taken out of the state 40 dollars, together with all reasonable charges.

For Sale,

A TRACT OF LAND in Baltimore county, containing about six hundred acres; 4 hundred of which are supposed to be in wood On this tract there is a handsome piece of meadow, and a young thriving apple orchard. This land is about 28 miles from the city of Baltimore, and not far from Colonel O'Donnell's country residence, purchased of Mr. William Buchanan.

ALSO,

A TRACT of LAND containing about 300 acres, about 14 miles from the city of Baltimore, west of Randall's town. On this last mentioned tract there is a stone dwelling HOUSE, just finished, with convenient cellars, two rooms and a passage on the first floor three rooms and a passage on the second floor, and a garret; a new stone stable, corn house and coach house; an overseer's house with two rooms, lately repaired at the expence of two hundred dollars; kitchen and other out houses, an excellent apple orchard, with other good fruit trees, and good garden.

On both places there is water, not exceeded in the county; and good clover lots. No place can exceed them in respect of health. There is a proportionate part of woodland on the last place.

I will permit the purchasers to seed the ensuing fall, or I would seed for them. The dwelling house on the last mentioned farm might be immediately taken possession of by the purchaser. Presuming that no person will purchase without viewing the premises, I do not go into detail.

Both of the above places are convenient to mills; there is a mill not more than a quarter of a mile from the last mentioned place; a good neighbourhood, and the Episcopal and Presbyterian churches within five miles. An indisputable title will be given on the payment of the purchase money.
