RAN AWAY from the subscribers, living in Baltimore, on Sunday morning, the 6th July, a negro man named ELIJAH. He is about twenty years of age, five feet, ten or eleven inches high; slender round the waist, but is a remarkable strong, big limbed fellow. He is a light blackman; has a large flat nose, with very thick prominent lips; has his wool cut, so as to form a rolover the top of his head. He is a ready-witted fellow, smart in answering questions; when spoken to in a good humour, generally laughs, and shews a handsome set of teeth; walks with a long step, and rocking motion with his body. He has taken with him a variety of cloths, among which are a pair of nankeen pantaloons; coarse linen shirts and trousers; an old cast hat, and a fustian roundabout jacket. We purchased him about 18 months since, of Mr Richard Key Beach, acting as attorney of Susanna Wilson, of Kent county, to which place he has probably gone. He is about 5 feet 6 inches high, stout made, rather handsome than otherwise, has tolerable good teeth, was very lame when he went off, owing to the wheel of a carriage in cleaning it falling upon his foot; has a particular aversion to giving a direct answer; but always says, "I reckon," to every question the most positive; and is constantly talking to himself as if grumbling. His clothes were numerous, among them was a blue cloth coat, a brown cloth coatee rather rusty, though not much worn; a dove colored twilled nankeen coatee, considerably faded from washing, the sleeves of which have been let out; several handsome Marseilles vests of different patterns, all very short; shirts of fine white Irish linen; pantaloons and gaters of India nankeen, very good, and of the present mode; a fashionable Beaver hat, quite new, maker's name in the crown, Wm. Fire Insurance.

THE SUBSCRIBER HAVING RECEIVED POWERS AND INSTRUCTIONS FROM THE

PHOENIX COMPANY OF LONDON,

is fully authorised to effect insurance on Houses, Buildings, Stores, Ships in Harbor, Goods, Wares and Merchandize, in any part of the state of Maryland,

FROM LOSS OR DAMAGE BY FIRE,

On terms so moderate, as will, it is presumed, make it the interest of all to resort to a measure so well calculated to give additional security to commercial transactions, and to afford protection from the injury which Fires have so often occasioned.

In this Office, no insured person is liable to any call to make good the losses of others; but in case of Fire, the Sufferer will be fully indemnified with that liberality and promptness which have always distinguished this Company; requiring no other delay (even where presumption of fraud appears) than is necessary to distinguish the honest Sufferer from the fraudulent Incendiary.

As a proof of the usefulness of this Institution, and the benefit that individuals have derived from it, it is only necessary to state, that since the commencement of the Office, in 1782, near SEVEN MILLIONS OF DOLLARS have been paid to claimants upon their Policies.

The following is published for the information of those who may wish to insure.

CONDITIONS OF INSURANCE.

I. PERSONS who desire to make Insurance on BUILDINGS, are to deliver in to the Agent the following particulars, viz.—Of what materials the walls and roof of each building are constructed, as well as the construction of the buildings contiguous thereto—whether the same are occupied as private dwellings, or for other purposes—where situated—also, the name or names of the present occupiers.

Each building must be separately valued, and a specified sum insured in the manner a separate sum insured on the property contained therein.

All manufactories which contain furnaces, kilns, stoves, cockles, ovens, or otherwise use fire heat, are chargeable at additional rates.

In the insurance on Goods, Wares or Merchandize, the building or place in which the same are deposited, is to be described; also whether such goods are of the kind denominated hazardous, and whether any manufactory is carried on in the premises. And if any person or persons shall insure his or their buildings or goods, and shall cause the same to be described in the policy otherwise than as they really are, so as the same be charged at a lower premium than would be demanded if the true situation or quality of the buildings or goods were made known, such insurance shall be of no force.

II. Goods held in trust, or on commission, are to be insured as such, otherwise the policy will not extend to cover such property.

III. No loss or damage to be paid on fire happening by any invasion, foreign enemy, civil commotion, riot, or any military or usurped power whatever; nor for damage done by fire occasioned by earthquakes or hurricanes; but this company will make good losses on property burnt by lightning.

IV. Books of accounts, written securities, bills, bonds, tallies, and ready money, cannot be insured.

V. Jewels, plate, medals, or other curiosities, paintings and sculptures, are not included in any insurance, unless such articles are specified in the policy.

VI. Persons insuring property at this office, must give notice of any other insurance made elsewhere on their behalf on the same, and cause such other insurance to be endorsed on their policies; in which case each office shall be liable to the payment only of a ratable proportion of any loss or damage which may be sustained; and unless such notice is given, the insured will not be entitled to recover in case of loss.

VII. No order for insurance will be of any force, unless the premium is paid to the agent, or unless a sum has been advanced, and the agent has delivered his receipt on account of the office; and all persons desirous to continue their insurances, must make their future payments annually within fifteen days after the day limited by their respective policies, or the same will be void.

VIII. All persons assured by this company, sustaining any loss or damage by fire, are forthwith to give notice to the company's agent, and as soon as possible after, to deliver in as particular account of their loss or damage, signed with their own hands, as the nature of the case will admit of, and make proof of the same by their oath or affirmation, and by their books of accounts, or other proper vouchers, as shall be reasonably required; and shall procure a certificate, under the hand of a magistrate or sworn notary of the city or district in which the fire happened, not concerned in such loss, importing that they are acquainted with the character and circumstances of the person or persons insured, and do know, or verily believe, that he, she, or they, really, and by misfortune, without any kind of fraud or evil practice, have sustained by such fire, loss and damage to the amount therein mentioned; and, until such affidavit and certificates are produced, the loss money shall not be payable; also, if there appears any fraud or false swearing, the claimant shall forfeit his claim to restitution or payment, by virtue of his policy.

IX. In case any difference or dispute shall arsie between the assured and the company, touching any loss or damage, such difference may be submitted to the judgment and determination of arbitrators indifferently chosen, whose award in writing shall be conclusive and binding to all parties. And when any loss or damage shall have been duly proved, the insured shall receive satisfaction, to the full amount thereof, without allowance of any discount, fees, or other deduction whatever.

X. Persons choosing to insure for seven years, will be charged for six years only; also, for a less number of years than seven, will be allowed a reasonable discount.

Pitch, Tar, Turpentine, Saltpetre, Flax, Hemp, Oils, and Tallow, are deemed hazardous goods: Tallow-melters, Soap-makers, Brewers, Dealers in Spirituous Liquors, Vinegar and Sweet-makers, Hemp and Flax-dressers, Printing-houses, Coopers, Carpenters, Cabinet-makers, Coach-makers, Malt-houses, Bakers, Ship-chandlers, Boat-builders, Rope-makers, Sugar-refiners, Distillers, Chymists, Varnish-makers, Turpentine-works, Theatres, and all Mills and Machinery, are deemed extra-hazardous, and the rate upon such risks will be proportionably increased.

Ships in port, and their cargoes; ships building or repairing; also barges, and other small craft, with goods on board, may be insured against fire, at 75 cents for one year—45 cents for six months, and 37 1-2 cents for three months per 100 dollars.

Barns, Stables, Hay and grain contained in them, or in stacks or ricks, and live stock, will be insured at such premium as may be agreed on.

The rates on buildings, (and on property contained in them) depend so much on the materials of which they are constructed, [illegible] for which they are used, and their situation [illegible] respect to other buildings that may [illegible] hazardous, that particular attention [illegible] ed to these circumstances in the [illegible] insurance.

In cases requiring a Surveyor's report or plan of the buildings, where there are several, showing their situation with respect to each other and to other buildings, such survey or plan must be furnished by the Assured, or at his expence; but, where a clear description of the property can be given, of which the Agent must be the judge, they may be dispensed with. The Assured is subject to no charge or expence in this Office, except 50 cents for the Policy.

In stating the sums for which insurance may be requested on any property, it should be recollected that *indemnity* only is the object of insurance against Fire, and that *profit, or expected profit or advantage*, beyond a just estimate of the value of the property destroyed, is against the principles of the contract.

Orders left at the Marine Insurance Office, in Second-street, will be attended to
