Auxiliary pledges IMHOTEP support

with Lula Jones Garrett

The Woman's Auxiliary to the Monumental City Medical Society heard Dr. Emerson C. Walden cite several breakthroughs on the hospital integration front at their monthly meeting, Thursday.

Dr. Walden is president of the Maryland Medical Association and regional coordinator of Imhotep National Conference on Hospital integration. The conference takes the name from an Egyptian demigod of medicine, who is also credited with designing the Step - pyramid of Sakkara.

Imhotep means "He who cometh in peace", and was first, that a dark skin was gue Cobb for two reasons: selected by Dr. W. Monta- the first associated with distinction in medicine; and second, because in a time of tension, sponsoring organizations (NAACP, the National Urban League and the National Medical Association) are attempting to solve problems in a peaceful manner.

Introduced by Mrs. Eric L. White, Auxiliary president, Dr. Walden told the physician's wives that breakthroughs which have occurred on local and national levels are directly resulted from projects and actions of the three organizations which sponsor the Imhotep movement.

Locally the physician hailed the report of the subcommittee on Medical Education and Research of the Committee on Medical Care of the Maryland State Planning Commission.

This commission calls upon hospital trustees, the Hospital Council of Maryland, hospital Medical Staffs, the Medical and Chirurgical Faculty of the State of Maryland and the State Department of Health to meet their leadership responsibilities in the immediate future. By accelerating the trend toward equal opportunity as regards admission to medical schools, and as regards the availability of internships, residencies, and hospital staff appointments.

Dr. Walden also stated that the Maryland Chapter of the American College of Surgeons has appointed a committee to study the matter of bias in staffing and admitting patients to all Maryland hospitals has been submitted for consideration by the Medical and Chirurgical Faculty of the State of Maryland at its annual meeting in April.

On the national level, Dr. Walden called the ladies attention to a bill introduced in the U.S. Senate by Senator Jacob K. Javits, (R, N.Y.) which asks for the crimination now possible under the Hill - Burton Act because of a 'separate but equal' clause.

Dr. Walden asked the members of the Auxiliary to aid their husbands and the Imhotep movement by engaging in related activities of local sponsoring organizations, and by writing U.S. senators and congressmen from Maryland asking them to vote for passage of the Javits Bill.

The meeting was hosted by Mesdames I. Bradshaw Higgins, Louis A. Johnson, Charles R. Campbell, William H. Watts, John S. Braston, Albert F. Laforest and Richard Hunt.

Also attending were Mesdames Edward Holt, Eric White, Shirley Clinton, Emerson Walden, Oakley Saunders, Samuel Owings;

Also Mesdames Frank Washington, Talmadge Pinkney, Janes Priest, Archie Robinson, R. Garland Chisell, John Chisell, Mary Beate, Vivian Madison and William Birt.

POTPOURRI. Mesdames Mattie Coasey and M. H. Davis were hosts to Mesdames Reverdy C. Ransom of Wilberforce, Ohio, and L. M. Hemmingway of Washington, both widows of AME Bishops, last week. The Baltimoreans entertained the visitors at luncheon. They had come over from Washington where a Bishops' Council was being held.

Off to Furone, Friday went Mrs. Evelyn (Howard) Jones, to join her husband, who is doing a stint in agriculture for the State Department there.

Betty Washington writes from Los Angeles that she is homesick for Baltimore, and will jet in on April 23 for a month of visiting and renewing acquaintances on the East Coast.

Betty is the wife of Dr. George Washington Jr. (ex-Morgan State basketball star). They moved to the West Coast in 1959 where he set up dental practice.

Betty was active in campus organizations while a student at Howard University, and she held down a government job at the same time. Since moving to the West Coast she is active in the Alva G. Garrott Dental Wives, the Med - Dent - Pharmacy Wives, the Morgan State College Auxiliary - Alumni, and of course, Alpha Gamma Omega Chapter of Alpha Kappa Alpha Sorority.

Venice Reynolds presided and Ruby Reid was elected delegate to the Maryland League of Women's Clubs spring activities. Contributions were made to the Civic Interest Group fund.

Margaret delighted the group with her special spaghetti and meat ball party, chili topped by a Valentine mold dessert.

Roberta Keets entertained the We Wives this past Tuesday ... a catered affair by Brewington. Her centerpiece was a huge affair of fresh fruit, with sliced turkey, green star molds (filled with nuts) and salad.

Gwen Tarter was honored on her birthday with a gorgeous set of pale pink crystal jewelry. At the end of the evening, the group, to cheer up Betye Phillips and Priscilla Lansey, surprised them by handing them filled "shopping bags" as they left the meeting.

When Mesdames Phillips and Lansey reached home and took a look imagine their feeling of encircled warmth, when they found expressions evidenced by beautiful gifts, beautifully wrapped.

Tormenting Rectal Itch Stopped In Minutes

Science Finds New Healing Substance That Promptly Stops Itching and Pain of Piles

New York, N. Y. (Special) — One of the most common afflictions is a condition known as "itching piles." It is most embarrassing for the victim during the day and especially aggravating at night.

No matter what you've used without results — here's good news. For the first time, science has found a new healing substance with the astonishing ability to promptly stop the burning itch and pain. It actually shrinks hemorrhoids — without surgery. Medical science has proved this substance produces a remarkably effective rate of healing. Its germ-killing properties also help prevent infection.

In one hemorrhoid case after another "very striking improvement" was reported and verified by a doctor's observations. This improvement was maintained in cases where a doctor's observations were continued over a period of months! Among these sufferers were a wide variety of hemorrhoid conditions, some of 10 to 20 years' duration.

The secret is this new healing substance (Bio-Dyne®) — discovery of a world-famous research institution. This substance is now obtainable in ointment or suppository form known as *Preparation H®*. Ask for Preparation H Suppositories or Ointment with special applicator. Available at all drug counters.
