Baltimore County ss,

By virtue of a Special Warrant granted out of his Lordship's Land Office on the 6<sup>th</sup> day of February Anno dom<sup>o</sup> 1748, to resurvey and lay out for William Young of Baltimore County, a tract or parcel of land called "Company's Adventure," lying and being in the County aforesaid, on the 18<sup>th</sup> day of April 1734, surveyed and laid out for Levin Gale Esq<sup>r</sup>, Thomas Fletcher, clerk, and Thomas Lambden all of Somerset County for 400 acres, who never sued out his Lordship's Grant of Confirmation thereon. I Skipwith Rieghy, deputy Surveyor of Baltimore County, have carefully resurveyed and laid out for and in the name of him the said William Young, the aforesaid tract or parcel of land according to its ancient metes and bounds, Beginning at a bounded red Oak and a bounded white Oak standing at the head of a branch called "Soldiers Delight branch," descending into the West side of Lewis falls and near to a large Spring; and running thence North North East two hundred perches, East South East three hundred and twenty perches, South South West two hundred perches; and then with a straight line to the beginning, containing and laid out for four hundred acres, more or less; —

I also certify that by the order and direction of the said William Young, I have excluded one hundred and eighty two acres part of the above four hundred acres, (the said one hundred and eighty two acres, being poor barren land) and have added to the residue of "Company's Adventure," one hundred and two acres of vacant land, and have reduced the said residue with the vacant land added into one entire tract, bounded as follows, viz<sup>t</sup>, lying in Baltimore County on the South side of Lewis falls, Beginning at a bounded red Oak  
(and

and a bounded white Oak standing at the head of a  
branch called "Soldiers Delight Branch," which descends  
into the aforesaid falls; and running thence South eighty  
deg. East forty perches, North fifty deg. East eighty perches,  
North fifteen deg. West forty perches, North seventeen  
deg. East forty perches, South fifty five deg. East twenty perches,  
North thirty five deg. East eighty perches, North forty  
seven deg. East ~~forty~~ perches, South seventy one deg. East  
eighty eight perches, North East ninety six perches, South thirty  
deg. East sixty perches, South West forty three perches, South  
sixty six perches, South eighty deg. West seventy two perches,  
South ten deg. West one hundred and twenty four perches,  
South sixty deg. West seventy five perches, until it intersects  
the given line of the Original Survey, and thence with  
a straight line to the beginning, containing, and now laid  
for three hundred and twenty acres more or less, to be  
held of the manor of Baltimore by the name of  
"Devedente" July 26<sup>th</sup> 1749.

The beginning of Hab Stab enlarged, is on the North west side of Piney Hill, above the Blacksmiths shop -

The stone for the beginning was placed between two Pine Trees, both were blown down, and the roots of the Trees threw down the stone.

To find the beginning, go to the stone on the road to the meeting house, in a fence corner, and reverse the course, which will show the beginning

N. 27 W. 12 perches

N. 21 E. 52 " This 52 perches over reaches the above bounded stone

~~I M & B M. above one perch; therefore we lose the difference.~~

N. 82 E. 122. to a bounded white Oak and Spanish Oak, to run a straight line requires a return variation of  $2\frac{1}{4}$  degrees; thence, according to Aquila Sparks certificate, the elder survey

S.  $47\frac{1}{2}$  E. 56. which carries us to an established bounded stone, marked with the letter **M**. on the top a barren hill, or ridge

S.  $85\frac{1}{4}$  E. 24

N. 81 E. 34.

N. 36 E. 18 to a bounded white Oak

S.  $77\frac{1}{4}$  E. 10. to a bounded white oak on the west side of a branch, distance about 5 perches

S. 20. E. 40. to a Stone marked **M**, and a bounded Spanish Oak, near the mouth of a branch

S.  $52\frac{1}{4}$  E. 26. to a bounded white oak and Hickory

S.  $41\frac{1}{4}$  W. 78. to a stone marked **M**. on the east side of the public road.

This stone has been moved, or lost. This line divides Mr. Orrick's field, now Mr. Matthews' from Hab Stab, and the fence has been standing perhaps 60 or 70 years, and the line must be run on the fence, as near as possible.

S. 20. W. 1 perch, to the road leading from Brynns Mill, then running with and binding on said road the nine following courses -

N. 70. W. 18

N. 84. W. 22

N. 69. W. 28

N. 85. W. 12

S. 74 1/2 W. 22. to a Hickory, called for in the certificate of land called Bachelors Good Luck, and also called for in the certificate called Hab Nub enlarged rectified. The Hickory being now dead, a stone is set up. Still running and binding on said road

N. 46 1/2 W. 18.

N. 57 1/2 W. 22

N. 63. W. 10.

S. 55. W. 13. to a stone standing on the north side of said road near said Nervyman's apple Orchard -

The following are new lines or courses.

Running with said road, until it reaches a stone marked

M & B. on the south side of said road, near the Turnpike; thence to a stone on the Hereford line, on the north side of said road, a few yards, thence to the beginning.

Containing

acres, more or less.

Mr. Bouldin will observe, that, our lines do not correspond from the beginning with Gorsuch's, Sparks', and other lines - and as we are the youngest survey, we will have to lose the difference, therefore, you will please run the lines so as to prevent any future difficulty. ~

When you run to Orrick's, now Matthews fence, it having been on the dividing line for 60. or 70 years, you will let it remain as the dividing line. The stone formerly in the fence corner, near the road, has been removed, I fear. ~

The remainder runs with the road, until you nearly reach the turnpike, on the south side of the road, thence go to the stone, on the north of the road, a few yards in the woods, being a line of Hereford, thence to the beginning. ~

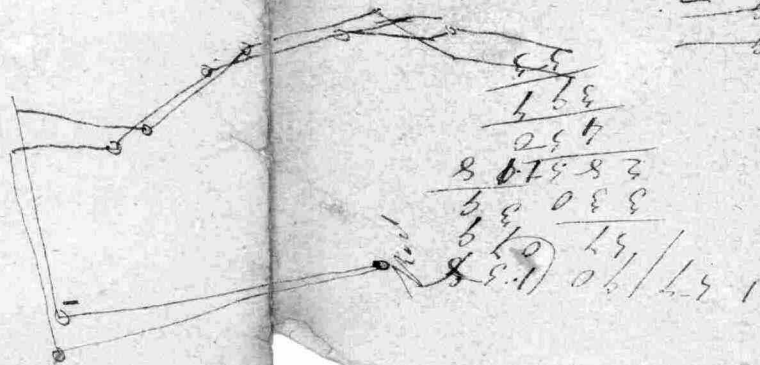

When you ascertain the quantity of land, please send me the statement. ~
