Thirty Dollars Reward

FOR apprehending SIMON, who absconded on the evening of the 25th ult. from the subscriber's Well River, Anne Arundel county. He is about 5 feet 6 or 7 inches high, strongly made, rather knock-kneed, of a lowering countenance and speaks slow; he had on when he went away a dark blue twilled cloth jacket and overalls, and a black cap, bound with red. Whoever secures him in any jail so that the subscriber may recover him again, shall be entitled to twenty dollars reward, and thirty if delivered to the subscriber at Well River.

JOHN T. MERCER.

February 10 d

100 Dollars Reward.

RAN AWAY from the subscriber, living in the city of Baltimore a negro man, named SAM, sometimes calls himself Samuel Carson, and has since he left home called himself *Jack*. He is very black negro, about the middle size. His clothes, when he left home, were a new pair shagg bear skin trowsers, and blue jacket; he may probably change his cloaths as he is a determined villain. *The most remarkable particular by which he may certainly be known, is the loss of his toes on both his feet, the one entirely, and the other nearly so*, which occasions a small hobbling in his walk, although he generally walks smartly. He left Baltimore on Friday morning last in the French-Town packet, and was seen at Christiana in New-Castle county, on Sunday morning. He stated to those with whom he was in company at Christiana Bridge, that he meant to go to Philadelphia and there take shipping, as he was a seaman (which was a lie as he never was at sea since he was born.) The above reward will be paid for apprehending and securing the said negro in any gaol in the United States, and giving me information of the same.

ELIAS GLENN.

March 4 d4t

200 Dollars Reward.

RAN away from the subscriber, living in Frederick county, (Va.) near Millwood, on 15 miles from Winchester, on the 28th of September last a tall athletic slim Negro man, not of the blackest complexion, called SAM DOYLE, years his hair combed back, upwards of six feet high, about 35 years of age. It is supposed he will change his name, and has, I am informed, procured a free pass, or an indenture from some one of the free negroes. He stole an iron grey or dark sorrel mare with a blaze face, has been much worked, fourteen or fifteen years old, about fourteen and a half hands high, with a new saddle and bridle, plated stirrups, which property I expect he will dispose of in order to get money.

I will give the above reward to any person, on delivering said runaway, mare, saddle and bridle, or in proportion for the Negro, or mare and saddle, separately. I expect he will make for Pennsylvania, perhaps the city of Philadelphia, or Baltimore, Maryland.

Farmers' Bank of Maryland.

NOTICE is hereby given, that the Books will be opened at Annapolis, on Monday the 13th day of April next and continue open the next day for the disposal of the number of Shares remaining unsubscribed in the Farmers' Bank, on the Western Shore, the subscriptions to be taken at the Bank, between the hours of ten and five each day. The subscribers to pay ten dollars on each Share at the time of subscribing, and the residue as follows, to wit—Ten dollars on the thirteenth day of June, ten dollars on the thirteenth day of August, ten dollars on the thirteenth day of October, and ten dollars on the twelfth day of December next, but neglecting to any subscriber, the liberty of paying at any one of those days the whole of the subscription then due. The Shares which may be subscribed above the number limited to be reduced by a proportional deduction throughout the several counties on the Western Shore if it be necessary, and the money that may be paid thereon to be immediately repaid at the Bank.

If any Stockholder shall fail to make regular payment of any instalment after the first payment, such Stockholder's shares in Bank shall become free from interest and not entitled to dividend, until such instalment or call shall be made good, and the dividends thereafter to be paid to such Stockholder as well upon the money by him regularly paid as upon the money paid after default) shall be calculated only from the time when said last instalment was made good.

The subscribed Shares of the Farmers' Bank having already risen above par, and being in great demand, the Directors deemed it to be their duty to give every facility in their power to the citizens of every part of the Western Shore to become proprietors of a Stock to which experience has already attached an high degree of consequence and enhanced value, and which from every appearance, would rapidly appreciate whenever the subscription of the surplus Shares should remove the possibility of procuring the stock at a lower value, than the successful management of the institution and the public opinion should have conferred on it: Notwithstanding, therefore, that the charter directed that the Subscription Books for this stock shall be opened at Annapolis, yet the Directors held themselves at liberty and have determined it to be their duty, to devise means to accommodate the citizens of the several counties who might wish to subscribe, but who cannot attend at Annapolis; In conformity, therefore, to a determination that had already obtained, at a joint meeting of the Directors of the Bank and Branch Bank on a similar occasion, the board have adopted the following resolution:

That the Directors for the several counties on the Western Shore, be authorised and directed to receive in their respective counties, from all persons who may offer to subscribe for Stock in The Farmers' Bank, on the day or days appointed for subscribing, powers of attorney enabling some person to subscribe for them at Annapolis, and also to receive from persons so disposed to subscribe, the sums which are made payable, on subscriptions personally made; and all subscriptions made under powers as aforesaid, shall be held and deemed as valid, as if made by the individuals themselves at Annapolis.
