P. WILLIAMSON'S

Celebrated Elastic Three Slit

METALLIC PEN,

WHICH has been pronounced, by many of the most eminent penmen, to be far superior to any metallic Pen that has ever been made heretofore, either in Europe or America; it is well known, that all the Pens upon the former principle have been wanting in that pliability which all Pens should have, in order to write with smoothness and rapidity, which in this is happily effected by the two additional side slits.

Also,

Perpetual Almanac Cases with Pens or Pencils, or both—the novelty and utility of which will render it far preferable to any common pencil case, the difference in the price being insignificant, may be had of the above, or Mr. George Aiken, No. 72, Market-street, Baltimore.
