MARINE INTELLIGENCE.

Left at *Lisbon* about the middle of August, the Charles, Chase, of Baltimore. At *Bermuda*, Sept. 4, ship Erin, Patterson, for Baltimore, ready for sea. At *Gravesend*, early in August, Globe, Bailey, for Baltimore. At *Cronstadt*, late in July, Messenger, of Salem, for Baltimore. At *Trinidad*, September 6, ship Margaret, Heard, from Batavia, bound to Baltimore, prize to the British letter of marque Dominico Packet—it was supposed her cargo would be condemned as Dutch property. Captain Heard was at Barbadoes attending the trial.

Cleared from Boston Sept. 23, Catharine, Shores, for Baltimore.

Spoke, Sept. 11, long. 61, the William Wilson, of Baltimore, from Amsterdam. Aug. 29th. lat. 45, 28, long. 30, 50, ship Frances, 24 days from Baltimore for Liverpool. Sept. 5, lat 50, 36, long. 35, 32, ship Hibernia, from Baltimore for Tonningen. Sept. 15, a schooner from Baltimore for Antigua. Sept. 19, brig Susannah, 116 days from Smyrna for Baltimore—who informed capt. O. Smyrna was blockaded by the Russians.

The sch'r Sincerity, Kim, from New-York for St. Croix, was completely wrecked on the 25th of August in a severe hurricane; and John Charles, cook, and a black boy of Mr. De Luy, were lost.—The schooner however reached her port of destination, and her hull was to be sold on the 7th inst. for the benefit of the concern.

Below at New-York on Friday evening last, two ships—the brig Havanna Packet from Havanna—and two schooners—the wind still southerly. One of the schooners is the Margaret, of Portland, from P. Quoddy.

The brig Syren, Sulser, arrived at Kingston, (Jam.) from Philadelphia the 29th of August. Off Cape Tiburon, she was boarded by the French imperial sch'r Musquito, who took out two of her crew, and gave the master a note, assigning his reason for doing so.

The Peterell sloop of war also arrived at Kingston on the same day, from a cruize: she brought in with her the American schooner Princess Ann, of Norfolk, with 30,000 lbs. of coffee, cut out of Jeremie on the 20th inst by her boats, on which occasion Dickins and one seaman were wounded, the former slightly, but the other has since died. At the time she was taken possession of 50 of Petion's troops were on board, who had been hired by the American captain to defend his vessel under an assurance from him that he understood a French privateer was to make an attempt to cut her out. Two of these men were killed, and 6 wounded, one of them their commander, dreadfully; the remainder jumped overboard, and it is supposed perished, as the sch'r lay at the distance of nearly a mile and a half from land.

The sch'r Mayaguana, Sano, was immediately dispatched from Jeremie, under Danish colors, with dispatches to vice admiral Dacres, on the Jamaica station. The dispatches related to the capture of the Princess-Ann, before mentioned—and the vessel has since been given up to the owners.

From the Merchants' Coffee House Book.

September 28.

Arrived, Swedish sch'r Ulm, Davis, 18 days from Jacmel—coffee—to order. Off the Capes saw a three masted schooner and a brig bound in. Came into the Capes the night before last—saw nothing bound up the bay.

☞ *Fell's Point Republican Blues*, meet on 30th inst. at 4 o'clock, on your usual ground, in uniform, each member with a pistol. Roll-call, 15 minutes after 4. Absentees will be fined. *A. Yates*, Sergeant.

Caution.

I hereby forewarn all persons from trusting any of the crew of the Bremen barque Aeolus, as I am determined not to pay any debts of their contracting.

LUDER HENDRICKSON, Captain.

The Ladies and Gentlemen of Baltimore are respectfully informed that this

SPOTTED

LAST WEEK IN THIS CITY.

This famous horse from the great progress he has made in arithmetic and the art of boxing, may justly be entitled,

The Real Horse of Knowledge.

Will be exhibited every day (Sundays excepted) at Mr. Cook's Tavern, Market space, Baltimore.

This beautiful animal was caught on the Coast of Africa; and from the beauty and peculiarity of his colours and shape, was imported into this country, and exhibited as a natural curiosity. He is variegated with four very rich and distinct colours, white fore-feet to circular spots, similar to those of the Leopard, and his tail resembles that of the Elephant. Exclusive of these peculiarities, he will add, subtract, multiply and divide; tell the hour of the day by a watch; the number of buttons on a gentleman's coat, and the number of persons present, with many other pleasing matchless and marks of sagacity, which excite great admiration.

No danger need be apprehended during the performance, as the apartment is rendered very convenient.

*** Doors will be open'd from 8 until 12 o'clock in the morning, and from 3 until 6 in the afternoon.

☞ Price of admittance twenty-five cents only—Children half price.—Tickets to be had in the bar room.
