For Sale,

Farms and Lots to be Leased.

To be Leased on a Ground Rent, for ninety nine years, renewable forever,

Sundry LOTS, and Small FARMS, lying on the Frederick Turnpike Road, on the Elk-Ridge Landing Road, and Cross Roads, leading from one to the other; distant not three miles from the city of Baltimore, & commanding a view of the harbor and bay.

These Lands are generally in wood; good water is found at a little distance from the surface; and the situation is high, and healthy. As these Lands are laid out in a village, extending from the Frederick Road to the Elk Ridge Landing Road, a good neighborhood will soon be established; and persons who may wish to shelter their families from the diseases of a town in summer, may be accommodated with one to twenty acres, affording all the advantages of an agreeable country residence; without an advance of cash for the first purchase. There are two streams of water passing through the Lands, which render several of the Lots convenient for Butchers, Graziers, or Cowkeepers.

There is a fine quarry of Stone, and some sand on the premises, so that buildings may be erected cheap. A plat may be seen and the terms made known, by applying to Mr. Sam. Green, surveyor, No. 40, High street, Old Town; to Mr. Walter Roe, 46, South street, or to
RICHARD CATON,
Attorney for the Parties.
