Science Shrinks Piles New Way Without Surgery Stops Itch—Relieves Pain

New York, N. Y. (Special) — For the first time science has found a new healing substance with the astonishing ability to shrink hemorrhoids, stop itching, and relieve pain — without surgery.

In one hemorrhoid case after another, "very striking improvement" was reported and verified by a doctor's observations.

Pain was relieved promptly. And, while gently relieving pain, actual reduction of tissue (shrinking) took place.

And most amazing of all — this improvement was maintained in cases where doctor's observations were continued over a period of many months!

In fact, results were so thorough that sufferers were able to make such astonishing statements as "Piles have ceased to be a problem!" And among these sufferers were a very wide variety of hemorrhoid conditions, some of 10 to 20 years' standing.

All this without the use of narcotics, anesthetics or astringents of any kind. The secret is a new healing substance (Bio-Dyne®) — the discovery of a world-famous research institution. Already, Bio-Dyne is in wide use for healing injured tissue on all parts of the body.

This new healing substance is offered in suppository or ointment form called Preparation H®. Ask for individually sealed convenient Preparation H Suppositories or Preparation H Ointment with special applicator. Preparation H is sold at all drug counters.

6th District News, Views

By Madeline W. Murphy

IS A BASKET OF PLENTY

It is heartwarming to hear that Walter Baker is recuperating at his home, 513 Roundview Rd., after a serious operation. Visit him and send cards to cheer him.

Many interesting things happened during December, that we could not report, and so I shall just make mention of a few:

School 180, Cherry Hill Junior High PTA had a very interesting program for its second annual dinner meeting, just before the Christmas vacation. Perry Farrington is president of that PTA.

Students from Cherry Hill Junior High went to the concert and reception in honor of the International Students Association of Md. and the Maryland Collegiate Council for the U.N. at the Peabody Conservatory.

Students attending were: Linda Johnson, Veleria Roseborough, Sheila Custis, Jerome Johnson, Romaine Robinson, Doris Thornton, Ellen Rice, Jacqueline Sewell, Myra Smith, Marsha Smith, Mrs. Ruth Lighston was their faculty adviser.

IN THE midst of a political campaign one encounters a hard core of dedicated, enthusiastic and willing workers.

Last Saturday, 20 such people gathered at my home from 6 - 8 p.m. to help map out campaign strategy.

They were: Mrs. Reuben Parker, Roebe Richardson, Mrs. Rosa Dingle, Mrs. Mary Wise, Mrs. Ann Obey, Mr. and Mrs. George Dunham, Mr. and Mrs. Elmer Booth, William C. Butler, Mrs. Willie M. Jones, Leon J. Raymond, Mrs. Sara Frierson, Mrs. Ida Swanson and from the Civic Interest Group: William Henry, Frank McDougal, Dennis Fleming and Maurice Holmes, and Mrs. Reba C. Taylor, campaign manager.

These Saturday meetings will continue until the March Fifth Primary Election; and they will be enlarged, for it is really Open House at my House, 'every Saturday. Y'all Come!

WE OUTLINED the breadth and scope of the district — reader, you ought to know too:

At the top of the Sixth District Boundary Line is the south side of Edmondson Ave., on the east side of the District is the west side of Fremont Ave., on the west side of the district is the east side of Gilmor St.

Now on the west side, you travel south to Baltimore St., west to Monroe St. (east side) to the B and O R.R., following the Old City Line out to Frederick Ave., to the County.

On the east side of the District: Fremont Ave. on the west side down to Pratt Street over to Light St. and down to the end of the City Line —this includes Fairfield, Curtis Bay, Cherry Hill, Westport, Mt. Winans.

Four major Housing Projects are in this District: Edgar Allan Poe Homes, West Port Homes, Cherry Hill Housing Project and Fairfield Homes.

The CIG representatives who will help set up political Workshops in Mt. Winans, Mrs. Dorothy Wise, 2405 Pulget Street and Mrs. Willie Mae Jones will need workers to help, so let's get busy.

Feb. 4 is the deadline for Vote Registration and there are only 322 registered voters in the Westport - Mt. Winans area.

Maybe some of you who live in the Westport Homes have not registered or have not changed your residence. Do it now. Mrs. Rosa Dingle, 131 W. Cross St. in South Baltimore will be working with another workshop. She will also need help.

Thank you to the Rev. Mr. Wicks, Morning Star Baptist, and the Rev. Mr. Henry, Allen AME, for letting me speak to their congregations last Sunday. Also to Grand Master Samuel Daniels, for introducing me.

Thanks to the Rev. Perry, Mrs. Greer, Mr. Hundley for informing the Cherry Hill Methodist Church of my candidacy and securing volunteers.

Also to those in the Cherry Hill Presbyterian Church for volunteering to canvass, to address envelopes, to make telephone calls. The Voice of the People must be heard — you can do it!

Smile: If you must carry a chip on your shoulder, get a job in a lumber yard, where it won't be noticed.
