Every Home Needs a Faithful Cough And Cold Remedy.

When seasons change and colds appear, when you first detect a cold after sitting next to one who has sneezed, then it is that a tried and tested remedy should be faithfully used. I never wrote a testimonial before but I know positively that for myself and family Dr. Kings New Discovery is the best cough remedy we ever used and we have tried them all. 50c and $1.00.

The Next Best Thing To The Pine Forest For Colds Is—

Dr. Bell's Pine-Tar-Honey which goes to the very root of cold troubles. It clears the throat and gives relief from that clogged and stuffed feeling. The pines have ever been the friend of man in driving away colds. Moreover, the pine honey qualities are peculiarly effective in fighting child colds. Remember that a cold broken at the start greatly reduces the possibility of complications. 25c.
