A PRAYER FOR PEACE.

(TOMORROW IS PEACE DAY)

"O God, who hast made of one blood all nations of men to dwell on all the face of the earth, and who in thy Holy Word hast taught us that One is our Father, even God, and that all we are brethren: We pray thee in this dark hour of international strife that thou wilt open the eyes of the people and those who in thy Name are intrusted with the authority of government, to see and understand their right and true relation to thee and through thee to one another. Teach them by thy spirit that hatred and violence are not strength but weakness, that the true safeguarding of a nation is not to be found in weapons of war, but in those eternal principles which make for righteousness and truth and brotherhood and peace. Give to those who shall suffer in the war which is raging now the consolations of thy grace. Heal the sick, comfort the wounded, minister to the dying, and bind up the broken heart. Bring, we pray thee, to a speedy end this international strife, and hasten the time when peace shall flourish out of the earth, and all shall dwell together in unity and love, and war shall be no more. We ask it in the Name of Our Saviour, Jesus Christ. Amen."
