CHOLERA CAN BE PREVENTED

Start NOW to put and keep your hogs, both old and young, in healthy condition with CAL-SINO Hog Restorative and you will prevent sickness, especially Cholera, which all too often ends in loss and always causes a set back. It pays, for

Cal-Sino
HOG RESTORATIVE

will keep them well and gaining. Even though Cholera was raging all around them, many users of Cal-Sino did not have a single sick hog; and many that had sickness saved all their hogs by timely use of it.

Mr. A. R. Guerthes, Edgewood, Harford County, Md., writes:
"I have kept my hogs healthy and free from Cholera with Cal-Sino Hog Restorative even though neighboring farmers were losing their hogs from the disease."

Costs little—Does much. Try it! Ask the dealers to give you the names of some of your neighbors who have used it.

SHOPPING BY MAIL IS EASY

when you do your shopping at Baltimore's Best Store. A letter or post card stating your needs will bring you detailed descriptions and prices, as well as samples of materials, if you specify what you want.

The information you receive will be fresh and up to the minute. Styles change constantly, and this store keeps abreast of them, which is something that, of necessity, the house which issues a catalogue cannot do.

Your order, when received, will be filled by an experienced shopper—one who takes pride in giving her customers intelligent service. And, so far as is possible, the same young woman will fill all subsequent orders, so that the longer you deal here, the better you will be served.

We deliver purchases of any amount up to $5.00 free by Parcel Post within the limits of the first and second zones.

Purchases of $5.00 or over are delivered free by Parcel Post anywhere in the United States.

MUST SHOW THE COMMISSIONER

To Examine Applicants For Operators Licenses After December 1st.

After December 1st, Automobile Commissioner Baughman intends to issue no new operator's license without first requiring the applicant to give a demonstration of his ability to handle an automobile. Heretofore operators have made their application for cards, swearing that they are qualified to operate a machine and the license has been issued on their affidavit. Colonel Baughman finds that the applicants are not always qualified and the law, he believes, gives him full authority to apply a test.

He says that Maryland, with such a test, will be following a custom now in vogue in New Jersey. It will, he says, take some time for him to complete his plans for having these examinations made, but he expects to have everything in working order before the close of the year.

LETTERS FROM THE PEOPLE

Love Point, Maryland.
September 7th, 1916.

Centreville Observer,
Centreville, Maryland.

Gentlemen—It is seldom worth the while to answer letters written and caused to be published by persons who withhold their names and adopt, instead, some high sounding nom-de-plume.

The usual reason for pursuing such a course is that the assumed name is of more importance that the real thing. Around such an assumption are usually to be found motives not of the highest and best, and almost invariably they assume the high and mighty moral tone, and seek to give advice to those who are superior in every intellectual attainment and good judgment. When such letters, advices, expressions of high hopes and opinions occur over assumed names it is always wise to look around carefully, for usually underlying it all, as the real motive, is personal interest, vanity, ill will and conceit. In this case, if there is any real public spirit, any real high motives and right minded opposition to the construction of the piece of road at Love Point, why should not the writer, as an honestly interested citizen, come forward at the hearings, which have been free and open to all, and state his objections based on real facts and not write a vague and general statement of his own conclusions without supporting facts; indeed in the first paragraph "Taxpayer," if taxpayer he be, stated a conclusion based on an entirely erroneous recital of facts as follows:

"The road in question is proposed to connect the County road and the property owned by the Love Point Land Improvement Company of Caroline County."

This is just such a statement as might be expected from one who withholds his name, and really he ought to be ashamed to sign a letter containing a statement of this character. The proposed road is but three hundred yards in length, and instead of connecting up lands owned exclusively, as "Taxpayer" would have you believe, it connects up property belonging to thirty nine different owners and improved by them to the extent of many thousand dollars. There are twenty-two different dwellings built at Love Point and one hundred or more persons will be directly benefitted by this improvement. So much for the first paragraph, and as to the subsequent paragraphs of the letters they largely deal with the wisdom, observation, personal beliefs, &c., of "Taxpayer," but if such wisdom, foresight, personal judgment and advice are based upon observations no more exact than the statement of facts contained in the first paragraph of "Taxpayer's" letter, his presumption in advising the County Commissioners of Queen Annes County and the good citizens thereof is the most monstrous conceit that was ever ground through a printing press. We are merely asking the construction of three hundred yards of road in order to save a circuitous route of over one and one half miles. The people at Love Point have built their homes and improved their properties to an extent that the taxable basis of the County has been increased thousands of dollars, and if the road is constructed it will open up a section that will build up to the credit of our County, and from a financial standpoint we believe will be as good an investment as the county has ever made as well as afford a reasonably necessary and proper convenience to a larger number of citizens and taxpayers.

Yours very truly,
JOHN T. McNANEY,
JOHN A. RHODES,
T. M. GULLER.

NO MORE STAMP TAXES

EXEMPTION WENT INTO EFFECT AS SOON AS BILL WAS SIGNED.

With the passage of the new General Revenue Bill by Congress last Saturday, business men throughout the country were relieved of the stamp taxes which they have been paying since December 1st, 1914, and which were to have continued until December 31st of this year. The General Revenue Bill repealed the Emergency Revenue stamp taxes, and the Internal Revenue Bureau has ruled that revenue stamps are no longer required.

The stamp taxes repealed include those paid on telegraph and telephone messages, parlor car seats and berth tickets, bonds, debentures, certificates of indebtedness, certificates of stock transfers, bills of sale, promissory notes, express and freight manifests and bills of lading, bonding instruments, conveyances, insurance policies, entry of goods, passage tickets, power of attorney, protests, perfumery, cosmetics and chewing gum.

During the first seven months' operation of the emergency revenue law these stamp taxes yielded more than $23,000,000. These taxes are recorded collectively, and not under individual heads.

Keeping Yourself Well

DRIVING OUT CATARRH

If people knew how the presence of catarrh is a constant menace, they would have none of it. It infests some part of the delicately adjusted body and makes it useless, thus throwing on the other organs more than their share of work. It affords a carefully prepared seed-bed for the germs of colds, grip, tuberculosis and pneumonia. It so disarranges Nature's delicate plans as to make possible asthma, hay fever and other respiratory disorders. It spreads until it becomes systemic, thus involving many organs and debilitating the entire system with serious results.

Catarrh is easily neglected, and it rarely gets well of itself. It needs proper medicinal correction. For almost half a century many thousands have found help in Peruna, a valuable tonic with special efficacy in catarrhal conditions. The aim is to clean out waste matter to dispel the catarrhal inflammation, and tone up the whole system. Its users willingly testify that it has done all this and even more for catarrhal sufferers. What it has done is the best proof of what it will do. You may rely on Peruna.

In tablet form it is pleasant to take and easy to administer.

Manalin Tablets are the ideal laxative and liver tonic. They have no unpleasant effects and do not form a habit. 10c, 25c.
