Congratulations and our best wishes for continued growth and progress. Through the past four years we at Southern Life have watched with interest and admiration as Advance pressed toward its goal of eligibility for Federal insurance. Now this goal has been obtained, let us pray this is only the beginning of a long record of service to Baltimore and its citizens.

Speaking of growth, pardon us for mentioning that Southern Life too is growing. Plan now to visit our completely new addition to our East Baltimore office, opening around November 4.
