STOCKS, bonds, mutual funds and securities were momentarily forgotten Saturday night by members of the Couples Club as they gathered at the residence of James and Yvette Murphy for their first meeting of the fall season.

To make them forget, Yvette, who brought the special recipe direct from Mexico City, served her famous Mexican chili, with or without beans.

Several members known to be on diets were seen returning for 'seconds' and even 'thirds.'

Before they got down to the serious business of eating, the members heard an encouraging report on the current condition of the stock market as it applies to shares owned by the club.

The stock committee, headed by William Stanford, was empowered to increase the club's portfolio through the purchase of additional utility stocks.

Special guests after the meeting were Alma and Walter Gray.

Members present were Ethel and John Rich, Bea and Hiram Butler, Adele and Ben Foreman, Delphine Warrington, Verniece and Medford Reynolds, Lonnie Greene, Edna and Bill Stanford and Cliff Mackay.

A PLEASANT chat was held with the Rev. Christian Alrey of St. Mark Hall, while he was touring the AFRO's office, with the president of the Women's Auxiliary of the United Baptist Missionary Convention of Maryland, Mrs. Irene Paige, and Mrs. Dennis Barrow, past president, and his business, Mrs. Herman Johnson.

The Rev. Mr. Alrey is here under the sponsorship to the UBMC, to visit and speak at various churches, in hopes of furthering his education in this country.

He hopes to be able to attend seminars, and lectures that will be of value to his vocation, and will speak about the conditions in his country. He needs other sponsorships to be able to stay here and attend schools.

The Rev. Mr. Airey is the son of Mrs. Luciana Antonio, and attended public schools in St. Mark, and later attended the Bible College in Port Au Prince, where he became a staff member.

He also attended the Lott Carey Foreign Mission in Port Au Prince.

During his departure from Port Au Prince, he encountered the fury of hurricane Flora, and was delayed on his takeoff.

He said he could see the roofs of houses and trees being swept away, river rising, taking bridges with them, and the winds hurling everything in its path.

Since he has been here, he has been the guest speaker at the Providence Baptist Church and will speak at the 3 p.m. program of the Faith Baptist Church.
