Science Shrinks Piles New Way Without Surgery Stops Itch—Relieves Pain

New York, N. Y. (Special) — For the first time science has found a new healing substance with the astonishing ability to shrink hemorrhoids, stop itching, and relieve pain — without surgery.

In one hemorrhoid case after another, "very striking improvement" was reported and verified by a doctor's observations.

Pain was relieved promptly. And, while gently relieving pain, actual reduction or retraction (shrinking) took place.

And most amazing of all — this improvement was maintained in cases where a doctor's observations were continued over a period of many months!

In fact, results were so thorough that sufferers were able to make such astonishing statements as "Piles have ceased to be a problem!" And among these sufferers were a very wide variety of hemorrhoid conditions, some of 10 to 20 years' standing.

All this, without the use of narcotics, anesthetics or astringents of any kind. The secret is a new healing substance (Bio-Dyne®)—the discovery of a world-famous research institution. Already, Bio-Dyne is in wide use for healing injured tissue on all parts of the body.

This new healing substance is offered in suppository or ointment form called Preparation H®. Ask for individually sealed convenient Preparation H Suppositories or Preparation H Ointment with special applicator. Preparation H is sold at all drug counters.

The guest speaker will be Whitney Young, executive director of the National Urban League.

The banquet is sponsored by the Myra Grand Chapter OES. Mrs. Cornelia Ringgold and Mrs. Ida Norris are the chairmen.

Mrs. Madelane R. Williams is grand worthy matron and Travis W. Vauls is grand worthy patron.

Junetta Jones scores in outstanding concert

Petite and talented Junetta Jones, overflowing with laurels as a 1963 winner of the Metropolitan Opera National Council's Regional Auditions, gave a creditable account of her years of study as she appeared in a homecoming recital on Sunday evening at the Jewish Community Center.

An overflow audience gave thunderous applause to each number on the varied program which included masterpieces from English, German, French and Italian composers.

Miss Jones was more than familiar with the songs of Purcell, Schubert, Mendelssohn and Puccini.

This familiarity, so often lacking in the presentations of many concert singers, reflected years of conscientious study under capable teachers at Douglass High School, the Peabody Conservatory, and New England Conservatory of Music.

* * *

HER EXPERIENCE and training with Boris Goldovsky and the New England Opera Theatre was apparent as dramatic interpretations were involved in each number on the program.

Arrangements of spirituals, usually included as the closing group on the programs of many singers, were not there for the sake of tradition but as a definite part of an artistic presentation.

Miss Jones' rendition of the spiritual paralled that of the other compositions.

This writer has yet to hear a more dignified and relaxed presentation of voal repertoire. R. H. H.

Robert E. Mosby

Phoenix Singers coming to Johns Hopkins Nov. 1

Ned Wright, Roy Thompson and Arthur Williams, three young men who call themselves the Phoenix Singers, will appear on the Johns Hopkins University campus in Shriver Hall on the evening of Friday, Nov. 1 at 9 p.m.

The show is being sponsored by the Johns Hopkins YMCA.

It was only last summer that this trio was a brand new, virtually unknown commodity in the show business world.

They did not remain unknown for long, however, for when they hit New York, audiences responded with the enthusiasm that is generated only when here is something special on stage. The Phoenix singers had made it — but quick.

All three used to be with the Harry Belafonte Singers.

Tickets are available at the Johns Hopkins University YMCA (CH 3 - 2810) and Walker's, 327 N. Howard (LE 9 -2664). Prices are $1.50 and $2.00. Mail orders are accepted.
