NAACP hits President, congressman

The Maryland State Conference of NAACP has expressed disappointment to President Kennedy and Congressman Charles Mac Mathias (R., Md., 6th) over their failure to support the strong civil rights bill in the House Judiciary Committee.

Wires to the Washington offices of the President and Congressman Mathias were sent by Mrs. Juanita Mitchell-Jackson, president of the NAACP conference.

The telegram to President Kennedy said in part:

"Deeply disappointed and concerned over the retreat of the White House from the strong civil rights legislation which the House Judiciary Subcommittee approved and which could have passed the full house because the votes were assured.

"If the same pressures exerted against the strong bill in committee had instead been used on its behalf in the House and Senate, this much - needed legislation involving the constitutional rights of 20 million Americans could have passed. . . "

IN THE telegram to Congressman Mathias, a member of the House Judiciary Committee, the NAACP said in part:

"Deeply disappointed over your failure to vote for a strong bill. We know the pressures were great but the times demand strong leadership to alleviate human suffering.

"The blood of Medgar Evars and Bill Moore must remain on the hands of all who can and do not provide the legal protection in the law against violations of the Constitutional rights of the citizens. "

Mr. Mathias said he originally voted for the strong bill and finally changed under pressure after it became apparent the President and the leadership in the House were not suppprting the stronger measure, thus hampering prospects of its passage.

Excerpts:

Thanks for your hearty welcome in fifty-four,
When your school, across the city, also became mine
And I was privileged to join your educational design,
This was an opportunity, indeed, sublime.
You challenged me with the ideas you had in store.
When part-time was present with construction noise
And with sharing space in this room or that,
At all times was spread the understanding mat
Which gave all aims and plans a firmer format.
To provide serious learning challenge for all girls and boys.

Glenn leaves EOC for Phone Co. job

The announced resignation Wednesday of David L. Glenn from his post as executive secretary of Baltimore's Equal Opportunity Commission came as a surprise in downtown circles.

Mr. Glenn leaves to accept a position with the Chesapeake and Potomac Telephone Company starting as a personnel supervisor.

His resignation becomes effective Nov. 29.

There was little if any indications Mr. Glenn planned to leave EOC. He told the AFRO his final decision did not come until Sunday evening.

In his letter to Mayor Theodore R. McKeldin, Mr. Glenn said, in part:

"OBVIOUSLY, THIS HAS been a difficult decision for me to make. The recent introduction and potential passage of the omnibus civil rights bill means that this agency is headed for a bright and productive future.

"And in all honesty, I must admit that it is difficult for me to contemplate leaving the commission at a time when its responsibilities and program are about to be expanded.

"IT IS my hope that this commission will feel free to call upon me at any time it feels that I can be of help."

He told the AFRO:

"The interesting thing about the job I am going to is I will still be able to identify my self with the problems in the field of human rights."

Mr. Glenn took over the executive secretary post at EOC in May, 1961, succeeding Philip A. Camponeschi, who resigned after starting with the agency when it was established in 1956.

* * *

A NATIVE OF Cincinnati Mr. Glenn is a graduate of the University of Cincinnati and was on the staff of the Baltimore Urban League from 1952 to the time of going to EOC.

Mr. Warren Buckler Jr., EOC chairman, has asked Mayor McKeldin for authority "to explore with the Civil Service Commission the possibility of obtaining a temporary replacement for Mr. Glenn"

The post has a salary range of $8,220 to $10,500.

EOC has a staff of five persons, in addition to Mr. Glenn. These include two investigators and three clerks.

* * *

MAYOR MCKELDIN HAD these comments:

"For more than two years, David Glenn has held one of the most important and sensitive posts in the city, and he has discharged the duties of this position with a rare blend of tact, determination, knowledge, insight and compassion.

"Had it not been for Mr. Glenn, it is possible that some of our civil rights disagreements might have been settled through bloodshed rather than negotiations and might have ended in killings rather than amicable understandings.

"Although his parting from municipal service represents a great loss to the city, he can take justifiable pride in the outstanding contribution he has made to the cause of human brotherhood and we wish him all possible continued success."
