In Chancery
December Term
1811

The said cause standing ready for decision the Bill answer Exhibits, order of Publication and all other proceedings were by the Chancellor, read and considered.

It is thereupon this 16th. day of January eighteen hundred and twelve, by William Kilty, Chancellor, and by the authority of this Court adjudged ordered and decreed, that the Bill as against the said Andrew Haslet, Sylvanus Bourne, George S Bourne, & William T Bourne, be taken pro confesso. And it is further adjudged ordered and decreed, that the said Andrew Haslet, Sylvanus Bourne, George S Bourne, & William T Bourne & Jonathan Meredith and Hannah his wife shall by a good deed or deeds, to be acknowledged and recorded according to Law, give, grant, bargain, sell, release and confirm, unto the Complainants James A Buchanan, William Buchanan,

Sidney Buchanan, Margaret Buchanan, and Mary Allison, as tenants in common, all that Lot or parcel of Ground, being part of Gists Inspection; Heretofore sold by Moses Haslett, to Doctor John Boyd, and by him sold to William Buchanan deceased as Lot No 3, lying in Baltimore County, and described as follows, Beginning for the same at the end of ninety feet on the second line of the original tract of Land called Gists Inspection, and running thence with and binding on said Tract of Land the two following courses, agreeably to the Establishment of the said Tract of Land by commission at allowance of four and a quarter degrees allowance for variation North seventy one and three quarters degrees West one hundred and eight feet, North twenty six and three quarter degrees West twenty six feet to the end of the 2nd. line of the first parcel of Land described in a deed from Moses Haslett to Thomas Yates, dated Decr. 16th. 1783 then binding on said line reverse North seventy one degrees East three hundred and ninety nine feet to the tenth line of Gists Inspection being at the distance of one hundred and five feet south of Montgomery Street, then binding on said tenth by the allowance of

variation aforesaid South nineteen and a quarter degrees East one hundred and five feet & then South Seventy four degrees West three hundred and ten feet to the place of Beginning, together with the Appurtenances thereunto belonging, free clear & discharged from all claim of the Defendants or any of them, provided that Liberty is hereby reserved for the Infant Defendants, within six months after he she or they shall have attained the full age of twenty one years, if such infant or infants shall attain such full age, and also for the heirs of such Infant or Infants if such Infant or Infant shall not so long live, in six months after the decease of such Infant or Infants, if the said heirs shall then be of full age, and if such heirs shall not then be of full age, in six months after such heirs shall have attained, his, her or their full age to shew cause why such conveyance ought not to have been ordered or directed, and on sufficient cause being shewn as aforesaid the Infant or Infants aforesaid or his or their heirs shall be entitled to have a reconveyance, by order or decree of said Court

of the Lands Tenements or hereditaments, by whomsoever claimed or possessed, by from or under the conveyance made by such Infant or infants aforesaid, and also a full account of the rents and profits thereof, of and from the person who shall have received the same.

And provided also, that Liberty is reserved for the absent Defendants, of full age to appear in this court, at any time within eighteen Calendar Months from a date of this decree, and require a review of the same, and the Chancellor, upon a bill filed by such person his heirs or heirs, devisee or representative shall proceed to an examination of the matters in dispute and to a final decree in the same manner, as if the said person had originally appeared before him.

John James Giraud & Gists in Harford County
Christopher Hughes } Court Augst Term 1824

To John Boulden Esqr

On the part of the Plaintiff in the above cause you are directed to make the following locations in addition to those already made, to wit—

1. Locate the Commission of Christopher Hughes for making and bounding a part of Gists Inspection taken by James Baker, Wm. Markubin, John Cocky Goings and Z Markubin dated Augst 25th. 1802, for all that part of said tract of land located by said Commission as the same is therein laid down with 3½ degrees allowance of ~~the compass~~ for variation.

2.a Locate the whole tract of Gists Inspection course and distance according to the terms of the Patent with the same allowance for variation with that part of said tract located by said Commission.

3.a Locate the same tract with a full allowance for variation of one degree for every twenty years from the date of the Patent

4. Locate all that part of the Platt which was used in the trial of the cause between the said Christopher Hughes Plaintiff, and John Eger Howard Defendant at August term 1817 in Harford County Court, which contains the said Hughes location of Gists Inspection as laid down upon said Platt by his table of courses No. 1.

5. Locate the ~~place of high water mark~~ Shore of the Bason as located

by Defendants Table of courses No. 6 on the same Platt

6. Locate the Deed from John Mercer Porter to Moses Haslets dated July 17th 1782 according to the terms of deed beginning at the original beginning of Gists Inspection and running with said degrees allowance for variation to the Cider Post mentioned in said Deed and then bounding on the lines of Gists Inspection to the place of beginning.

7. Locate the deed from Moses Haslet to David Small beginning at the Cider post at the end of the fourth line of the said Haslets Deed, reversing that line to the end of the third line of said Deed, then bounding on that line 75 feet, then parallel with the first line to the line of the whole tract of Gists Inspection, then on that line to the beginning. Locate the Deed from Small to Myers, and the Deed from Myers to the Plaintiff for the same tract, in the same way, and locate this last Deed as the Plaintiffs claim and pretentions.

8. Locate the lines of Gists Inspection better second from the place where the patents calls for thence of the West north West 72½ perches line of Gists Inspection with the same allowance for variation as Gists Inspection has been located by the Plaintiff, bounding on the lines of Gists Inspection to the end of 48 perches on the tenth line of said tract as located by the Plaintiff aforesaid then with the same allowance for variation to the place of beginning

9. Locate the Cider Post at the spot where the line of Gists Inspection intersects the south line of

Montgomery Street and the old water line as shown by Lemuel Green's position, first locating the old water line in its true position from the Stone marked C. H. No. 46.

10. Locate the deed from [redacted] to Christ. Hughes with 1½ degrees allowance for variation of the needle confining it within the lines of first Inspection until it intersects a line drawn parallel with Henry Brown's lot, and locate the first ten perches line of Henry Brown's deed with the same allowance for variation — Locate the same with 2 degrees.

11. Locate the lease from Hughes to Small and the same lease surrendered up beginning the same as the Cider Post, and then pursuing the terms of said lease round to the place of Beginning

12. Locate the deed from Christopher Hughes to Levi and Harbaugh dated the 27th of January 1783. according to its terms beginning the same five perches North from the Cider Post, at the Intersection of the North line of Montgomery Street and the old water line of the basin, and running on the North line of Montgomery street as the deed directs, there on the line of Hughes lot to where it intersects the line of Mc. Candlish lot drawn on Green's Plat from 4. to 3 at the end of the old water line, there with Mc. Candlish lot to 3. there bounding on the old water line to the beginning

13. Locate Augustus discovery and Augustus discovery resurveyed according to the calls of the

Patents - and locate the same as the Plaintiff's claim and pretentions.

14. Make the same location in both the causes between the said Girard and the said Hughes.

15. Locate Montgomery Street according to its true position, as established by the City Commissioners, and built upon.

16. Locate the deed from John Mercer Porter to Henry Brown with 1½ and with 2 degrees of allowance for variation

17. Strike out 2 the Fragment as located by table of courses No. 11

Locate the land mentioned in the case of Hughes vs Girard beginning at [illegible] ~~Porter thence~~ ~~[illegible]~~ ~~North up the bank 40 Perch then~~ ~~[illegible]~~ ~~course mentioned~~ ~~[illegible]~~ ~~in the plan from Porter to Hughes as laid down with the 2 degrees~~ ~~variation by [illegible]~~ ~~[illegible]~~ ~~to the beginning~~
