Council asks study of East-West Expressway

The City Council adopted Monday a resolution proposing plans for the East-West Expressway be referred to the Metropolitan Transit Authority for study as to whether an effective transportation system can be coordinated with the route.

This is the first of a series of proposals to come by the Council's Committee on Public Transportation.

In other business, the Council gave final approval to a measure designed to protect horses, wagons and their drivers from traffic by restricting hours of their use of streets.

Peddlers using horses and wagons may operate from 6 a.m. to 9 p.m., but all other horse drawn vehicles must be off the streets after 7 p.m., after the measure is signed by Mayor Theodore R. McKeldin.

THE COUNCIL received from Leon A. Rubenstein (5th D.), a resolution endorsing President Kennedy's medical care plan for the aged within the framework of the Social Security System.

A public hearing on the resolution will be held at 3 p.m. Monday by the Council's Health Committee.

Still another resolution was presented, asking the Board of Municipal and zoning Appeals to consider the feasibility of allowing former coach houses to be converted to dwellings.

Representatives of the NAACP and The Postal Alliance again picketed the City Council session, urging passage of Mayor McKeldin's omnibus civil rights ordinance.
