PUBLIC LOCAL LAW.

A BILL ENTITLED

AN ACT to repeal Section 250 of Article 18 of the Code of Public Local Laws of the State of Maryland, title "Queen Anne's County," sub-title "Sudlersville," and to re-enact same with amendments.

Section 1, Be it enacted by the General Assembly of Maryland, That Section 250 of Article 18 of the Code of Public Local Laws, title "Queen Anne's County," sub-title "Sudlersville," be and the same is hereby repealed and re-enacted to read as follows:

Section 250. On or before the first day of July, nineteen hundred and eighteen, and on or before the first day of July of each third year thereafter, the Commissioners of Sudlersville shall appoint three assessors, residents and taxpayers of said town, who shall, under the direction of said Commissioners, make an assessment of all property real and personal, in said town, now subject to taxation by the County Commissioners of Queen Anne's county but with the exception, however, that no amount of furniture shall be exempt from taxation. Said assessors, before proceeding to act, shall take an oath before any officer of the State of Maryland duly authorized to take acknowledgments, to faithfully, honestly and impartially perform their duties as said assessors, and the fact of their taking said oaths shall be certified to the Commissioners of Sudlersville by the officer before whom same shall be made.

Said assessors shall assess each parcel of land separately with the improvements thereon in the name of actual owner at the full value as nearly as they shall be able to determine and shall assess all personal property in the name of the actual owner at its full value. Said assessments shall be completed before the first day of September and as soon as said assessment shall be completed the assessors shall return the same to the Commissioners of Sudlersville in a form of showing the name of the party assessed, the property with which he is assessed, and the amount of the assessment of each piece of property.

The Commissioners shall thereupon notify the owners of the property assessed in case such owners are known, of the amounts assessed against them by placing notices in the United States Mail with sufficient postage prepaid addressed to them at their last known Post Office address, in case the address of any owner shall be unknown such notices shall be posted on the front of the Municipal Building in the town. The giving of the notices in the manner above set forth is hereby declared to be sufficient legal notice of said assessment.

If the owner of any property shall feel aggrieved by such assessment he may appeal to the Commissioners within fifteen days from the giving of the notice above provided for. The Municipal officers or commissioners are hereby constituted a Board of Appeal and Equalization of such assessment and may make such deduction from or addition to such assessment, after hearing as to them may seem reasonable and just.

Before the first day of October the assessment list as corrected shall be transferred in alphabetical order to an assessment book by said Commissioners, and said book shall be the basis for levying all takes in said town. The Commissioners may provide by ordinance for certain days within each year at which assessment may be corrected; on such days they may sit as a Board of Equalization and Review, and may make transfers and abatements and increase decrease or correct any assessment which they may find to be at such time improper. Said Commissioners are authorized to pay said assessors after each assessment has been completed a fair compensation for their services, out of the proceeds of the taxes to be levied annually for the general expenses of the town.

Sec. 2. And be it further enacted, That this Act shall take effect from the first day of June nineteen hundred and eighteen.

A BILL ENTITLED

AN ACT to amend Article 18 of the Code of Public Local Laws of Maryland, title "Queen Anne's County," sub-title "Queenstown," as same was enacted by Chapter 542 of the Acts of the General Assembly of Maryland of 1892 by adding a new section thereto to come in after Section 218V and to be designated as Section 218W and to repeal all laws inconsistent therewith.

Section 1. Be it enacted by the General Assembly of Maryland, That the following additional section be and the same is hereby added to the Public Local Laws of Maryland, title "Queen Anne's County," sub-title "Queenstown," as enacted by Chapter 542 of the Acts of the General Assembly of Maryland, 1892, to immediately follow Section 218V and to be known as Section 218W and to read as follows:

Sec. 218W. That in addition to special taxes authorized by law to be levied, the Commissioners of Queenstown shall have power to levy on or before the 25th day of October, in each year, taxes at such rates as they may find necessary to meet the expenses of the town, not however to exceed fifty cents on the $100.00 on the assessment, for all general purposes. The costs of lighting the streets, lanes and alleys of the town by gas or electricity shall be a part of the general expenses of the town.

All taxes authorized under this act, and under any special act, shall be levied at the same time, and all taxes so levied shall be a lien on any and all property of the person, partnership or corporation against whom they may be levied.

The taxes so levied shall be due and payable on the first day of November next ensuing the levy thereof, and shall bear interest from and after that date.

It shall be the duty of the bailiff of the town as soon as possible after the levy has been made to notify each person against whom, or the known owner of each piece of property against which, any tax has been levied by placing a tax bill showing the amount due in the United States Mail, with sufficient postage prepaid, addressed to such persons or owners at their last known post office address. In case any address may be unknown such bills shall be posted on and in front of the Municipal Building of the town.

All taxes shall be paid to said bailiff. All taxes levied against real and personal property in said town which are not paid on or before the thirty-first day of December in the year of their levy shall be in default and deemed in arrear, and it shall then be the duty of the bailiff to advertise all such real property for public sale on the second Saturday in February of the year succeeding the year for which said taxes remain unpaid by advertisement in a weekly newspaper published in Queen Anne's County, at least three weeks before the day of sale, which advertisement shall state the day of sale, the name of the party in which the property is assessed, if known, the amount of taxes, with interests and costs, and also a description of the property sufficient to identify the same. Said sale shall be held at some public place in said town named in said advertisement and shall commence at ten o'clock A. M. and shall continue until all property advertised shall be sold. The terms of each sale shall be cash. All purchase money for said property not paid on day of sale shall bear interest at the rate of twelve per cent. annum from the day of sale until paid.

In taxing the costs of said sales there shall be included the cost of advertisement and a commission to the bailiff for collecting the taxes of ten per cent on the gross tax and a fee of one dollar.

All property which may be sold for taxes may be redeemed by the owner within one year and one day from day of sale upon the payment by the owner of the taxes due at time of sale, costs of sale and interest from day of sale at the rate of fifteen per cent per annum.

If the property so sold shall not be redeemed as above set forth, the bailiff of the town shall, when required and upon full payment of the purchase money and all costs and interest, execute a deed for the same to the purchaser.

The power to convey hereby given is hereby also conferred upon the successor or successors in office of the bailiff making the sale. Where taxes on both real and personal property are in arrear and said real and personal property are owned by the same person, the real property shall be sold for taxes due by said owner on his personal property as well as on his real property. Power is hereby given the bailiff to levy upon any personal property upon which taxes may be due and in arrears.

Whenever there shall be default in the payment of taxes on personal property, and the bailiff shall have levied upon the same for non-payment of said taxes, the bailiff is authorized to sell said property at public sale after he shall have given notice by advertisement published once a week for two successive weeks prior to the day of sale, in some newspaper published in Queen Annes County.

The advertisements and costs of sale shall be same as provided for the sale of real estate for taxes. All sales of personal property for non payment of taxes thereon shall be made on or before the second Saturday of February next succeeding the year for which said taxes shall be due.

Sec. 2. And be it further enacted, That all laws or parts of laws, either local or general, inconsistent herewith are hereby repealed, and that this Act shall take effect from the first day of June, Nineteen Hundred and Eighteen.

Var-ne-sis Helps Well-Known Avon Resident To Discard Crutches.

Was Flat On His Back For a Year—Now Chops Wood and Feels Like a Boy—Pain Stiffness Gone.

"I am seventy eight years of age and haven't a pain or an ache," said Hiram Whiting when seen at his home in Avon, Mass., where he has been a resident for the past fifty years.

"I have always held to the belief that rheumatism was a disease of old age, but I have had reason to change that opinion during the past year. My experience in fighting the disease I gladly give for the benefit of other sufferers.

"For one year I was flat on my back, unable to turn or help myself in any way. I was in constant pain day and night, to even come near my bed would bring on a paroxysm. Almost every joint was afflicted, my hands, arms, shoulders, back, hips and knees. No one knows the suffering I endured during that year.

"My hips and knees were sore and stiff, my hands were useless, swollen with a chalky substance. I was about to give up hope when I heard of Var-ne-sis. However, the day I started to take Var-ne-sis proved to be a wonderful day for me, it was the beginning of the end of my misery.

"Gradually the pain and stiffness left me so that I was able to go about. As it kept on it disappeared and my fingers became less and less stiff, until I was able to close my hands. After three months I discarded my crutches and have given them to W. A. Varney to collection.

"Now, April, 1918, I am splitting wood.

"Send to W. A. Varney, 28 Harrison Avenue, Lynn, Mass., for Var-ne-sis or get it from any reliable druggists.
