THE Christmas number of the weekly *Sun* is filled with good things, and cannot fail to interest its thousands of readers. This long established paper is a great favorite, and eminently deserves its wide popularity.

WE issue to-day only a half sheet in order that our compositors may enjoy some recreation during the holiday season. We are sure that our readers will gladly indulge us in this; and will think with us, that the fidelity with which the printers in the TIMES office have discharged their duties during the past year justly entitle them to this respite from their confining labors. It is a pleasure to us to give them the holiday they well deserve from us, and we have no doubt but that it will be equally as much a pleasure to our subscribers to pardon the lack of reading matter in to-days paper which that holiday necessitates. We promise to make up for it by a host of good things during the New Year.

SOMETHING FOR THE NEW YEAR — The world renowned success of Hostetter's Bitters, and their continued popularity for a quarter of a century as a stomachic, is scarcely more wonderful than the welcome that greets the annual appearance of Hostetter's Almanac. This valuable medical treatise is published by Hostetters & Smith, Pittsburgh Pa., under their own immediate supervision, employing 80 hands in that department. Ten cylinder printing presses, 8 folding machines, 5 job presses, &c, are running about eleven months in the year on this work, and the issue of same for 1879 will not be less than ten millions, printed in the English, German, French, Welsh, Norwegian, Swedish, Hollan l, Bohemian and Spanish languages. Refer to a copy of it for valuable and interesting reading concerning health, and numerous testimonials as to the efficacy of Hostetter's Bitters, amusement, varied information, astronomical calculations and chronological items, &c, which can be depended on for correctness. The Almanac for 1879 can be attained free of cost, from druggists and general country dealers in all parts of the country.—*Adv.*

HALL'S VEGETABLE SICILIAN HAIR RENEWER is a scientific combination of some of the most powerful restorative agents in the vegetable kingdom. It restores gray hair to its original color. It makes the scalp white and clean. It cures dandruff and humors, and falling-out of the hair. It furnishes the nutritive principle by which the hair is nourished and supported. It makes the hair moist, soft and glossy, and is unsurpassed as a hair-dressing. It is the most economical preparation ever offered to the public, as its effects remain a long time, making only an occasional application necessary. It is recommended and used by eminent medical men, and officially endorsed by the State Assayer of Massachusetts. The popularity of Hall's Hair Renewer has increased with the test of many years, both in this country and in foreign lands, and it is now known and used in all the civilized countries of the world. For sale by all dealers.—*Adv.*

CELERY PILLS

"Dr. C. W. Benson, a practicing physician, at 106 N. Eutaw St., Baltimore, Md. (who has paid much attention to nervous diseases), has discovered that Extract of Celery and Chamomile combined in a certain proportion invariably cures either bilious, dyspeptic, nervous or sick headache, neuralgia and nervousness.
