Dunbar, Carver win in showdown today

With Jimmy Files leading the way, Dunbar High School basketers enjoyed their biggest scoring day of the young Maryland Scholastic Association season, Tuesday, walloping Forest Park, 84-39.

The victory enabled the Poets to keep pace with Carver and City College in the tightly - bunched race behind league-leading Towson Catholic in the Division 1 standings.

SOMETHING FIGURES to give in this log-jam today (Friday) as Dunbar travels to Carver for what could amount to a second - place showdown and a true tipoff on the chances of either to capture the division crown.

While the Bards were taking the measure of Forest Park, the Cubs were defeating Patterson Park in the latter's gym, 61-53.

The two rivals were locked in a 21-all tie at conclusion of a low-scoring first half, but coach Sodie White's lads exploded for a big third period of 25 points — more than three a minute — to open the wedge.

Both Dunbar and Carver have met leading Towson Catholic, the former bowing at TC and the latter scoring on her home court

City, a 59-49 loser to Towson on Tuesday, is idle this afternoon.

• • •

FILES, UPON whom coach Sugar Cain says Dunbar's success or failure depends, tallied 19 points. Nat England and Eddie Williams hit 14 apiece to support the attack.

The Foresters were paced by Herb Chavis, who garnered 18 markers, over half his team's total.

As the game progressed, there was small doubt as to the eventual outcome. The Poets leaped into a 20 - 9 lead at the first quarter and by halftime were in front, 45-16.

PICKETS AT WORK — Members of the Patuxent Institution Employees Local 1319 of the American Federation of State, County and Municipal employees, threw a picket line around the State Office Building Wednesday. They were protesting what they charged was discrimination against union members at the institution. They charge that their requests for an investigation have not been answered.

White neighbor welcomes Liston to Coral Gables

MIAMI, Fla. —(ANP) — "I'm delighted that Sonny Liston is moving into the neighborhood, and I want to go on record saying so," Lester Nelson of Miami was quoted as saying last week.

Nelson had just learned that the world's heavyweight boxing champion has rented a house in the "white" section, a block away from him.

Liston will live in the house until his Feb. 26 title fight with Cassius Clay of Louisville.

• • •

TO PROVE that he meant what he said, Nelson called Accountant Norman Green, owner of the house, who had rented it through Mrs. Martha M. Louis, wife of ex-heavyweight champion Joe Louis, and attorney for Liston, to express his approval.

"I don't believe in all this riding horses, wearing sheets and burning crosses," Nelson declared.

HE SAID some neighbors had telephoned him when the news was made public and asked him to attend an emergency meeting to consider "the problems."

"I told them to drop dead," Nelson said.

Located just five minutes from Liston's Tropical Park Training camp, the three-bedroom home — with enclosed pool — will house the champ and his entourage until after the fight with Clay in Miami Beach.

Time seen ripe for US to set 'equality corps'

NEW YORK (NNPA) The first legal chief of the Peace Corps, Morris B. Abram, suggested last week the formation of an "Equality Corps" to boost civil rights.

Executive board chairman of the American Jewish Congress, Abram urged such a step before a luncheon meeting of the 1964 Jewish Women's Fund-raising campaign for the Appeal for Human Relations.

Charlie Mays smashes jump record in N.Y.

NEW YORK — Maryland State College's Charlie Mays set a new mark for the indoor broad jump here Saturday in the Metropolitan AAU track and field championships.

The all-round star of the Hawks leaped 24 feet, 11 inches to better the previous record of 24-9, established by George Shaw of the New York Pioneers, in 1956.

• • •

MAY'S RECORD broad jump came on his third and last attempt in the trials. He leaped 22-0, 23-1¾ and 24-11 in qualifying, then fouled his three jumps in the final round.

The 22-year-old Mays finishes his college education at Maryland State Friday.

That night, he will run in the Toronto Telegram indoor 600 - yard race against George Kerr of Jamaica, Jay gLuck of the New Haven Track Club, Jim Johnson of Virginia State and Tom Farrell of St. John's.

• • •

MAYS WANTED to run in the Mel Sheppard 400 in the Millrose Games Jan. 30 at Madison Square Garden.

A victory in the Metropolitan AAU 100, he thought, might have earned an invitation.

But he arrived at the armory Friday night too late for the 600 trials, though he did run the 300-yard anchor leg of the sprint medley relay in 0.30.2.

• • •

THE SLENDER Mays has never run longer than 440 yards. His best times are 0.46 from a gun start and 0.45.8 in a relay.

He also does well at 100 and 200 yards, and he has broad-jumped 26-3 and high-jumped 6-6.

He hopes to make the Olympic team as a 400-meter runner or a broad jumper.

Tan Dodgers get hikes in salary

LOS ANGELES — Catcher John Roseboro and outfielder Willie Davis became the second and third tan Dodgers to receive pay raises, it was disclosed last week with announcement that the world champion Los Angeles club had signed them to 1964 contracts.

Ten days earlier, Jim (Junior) Gilliam was inked to a pact calling for a $6,000 raise.

Given hikes in the latest from $23,000 to $32,000 for a $9,000 difference; and Willie David from $12,000 to $18,000.

Gilliam, Davis and Roseboro were starters, along with shortstop Maury Wills and outfielder Tommy Davis, on the club which swept the Yankees in four games in the 1963 World Series.

TALLAHASSEE, Fla—The National Science Foundation has awarded Dr. C. B. Owens, professor of agronomy, a $52,000 grant to conduct a summer institute in earth science, geology, and soil science for high school teachers at Florida A- and M. University.

Pretty gals' champ on Civic mat Wed.

The women's world champion wrestler, Fabulous Moolah, comes to the Civic Center Wednesday night with a new partner, Toni Rose.

They'll go against the Scott Sisters, Brenda and Lynn, of Jacksonville, Florida, in a 2-of-3 falls, 45-minute match.

Miss /Rose, the "Body Beautiful of Girl Wrestling" stands 5-5, weights 137 pounds and has measurements of 36-24-36.

She could easily be mistaken for a model or an actress instead of a professional wrestler.

• • •

MISS ROSE'S ability in the ring is unique. When asked what her specialty is, she replied, "I use whatever is to my advantage at the time.

"I don't like specializing in one or two holds. I trained hard and I like being able to apply the right hold at the right time."

9 qualify for city pin test

Nine tan bowlers - two men and seven women - survived the cuts to date in the citywide bowling championships currently under way.

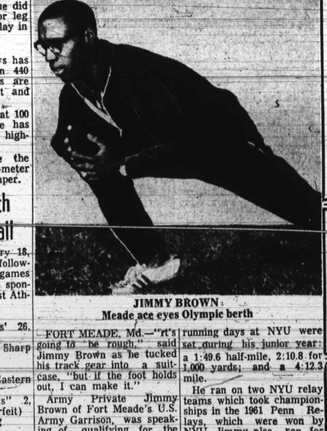
George Lee of Walbrook, and Theodore Hill of Crown Lanes, are the male qualifiers who are awaiting resumption of play two weeks hence.

Women's survivors include Rose Burnham, Kitty Chesson, Bernice Cornell, Mary Jackson, Bertha Lockett, Jacqueline McCoy and Fern Scotland.

All with the exception of Cornell and Jackson are representing the Walbrook Lanes. These two use Woodlawn as their home base.

NEW YORK—The appointment of Robert L. Pattillo 3rd of Baltimore as a sales representative for Seagram-Distillers Co. in the Mid-Atlantic Region was announced last week.

Broken foot on mend, GI star eyes Olympics



CHARLIE MAYS

JIMMY BROWN
Meade ace eyes Olympic berth

FORT MEADE, Md.—"It's going to be rough," said Jimmy Brown as he tucked his track gear into a suitcase, "but if the foot holds out, I can make it."

Army Private Jimmy Brown of Fort Meade's U.S. Army Garrison, was speaking of qualifying for the 1964 Olympic Games. He was packing for a six-week visit to the U. S. Military Academy at West Point, N.Y., where he will train with the Army's other top candidates for the Olympic track and field team.

• • •

BROWN'S biggest hurdle to making the team will be getting back into shape after a two - month layoff caused by a broken foot received while playing an exhibition game as a member of Fort Meade's basketball team.

As Jimmy explains it: "I'm light, so it won't take me long to get back into condition, but I don't know if the foot will hold out." He still walks with a slight limp.

THE NOVEMBER accident was a tough break for the former New York University distance runner. Prior to the accident he had been running six to eight miles an evening since being assigned to Fort Meade last September.

His best times during his running days at NYU were set during his junior year: a 1:49.6 half-mile, 2:10.8 for 1,000 yards, and a 4:12.3 mile.

He ran on two NYU relay teams which took championships in the 1961 Penn Relays, which were won by NYU. Jimmy also ran for the famous New York Pioneer Club.

ALTHOUGH THE 25-year-old athlete has posted his best times in the middle distance events, he hopes to qualify for the Olympics in a longer distance event; possibly the 3,000-meter steeplechase or the 5,000-meter run.

AMY N. JOHN E. SR., THERESA, IRIS and HARRY.

WHITE — In loving memory of my dear husband and my father, BOYD H., who passed away January 26, 1949:
Those whom we love go out of sight,
But never out of mind.
They are cherished in the hearts
Of those they leave behind.
Loving and kind in all his ways,
Upright and just to the end of his days;
Sincere and true in heart and mind,
Beautiful memories he left behind.
Devoted Wife and Daughter, VELMA.

YOUNG — In loving memory of my husband and our father, SANDY, who passed away January 26, 1961:
We've missed the sound of your footsteps,
And your voice since you have gone,
Though we no longer see you,
In our minds you still live on
And so we smile in the daytime,
But some nights our hearts ache
As we think of the dear one God took away.
To His distant and golden shore.
WIFE and CHILDREN.
