Man charged with pointing empty pistol at patrolman

A 25-year-old man, who reportedly challenged three patrolmen with an empty gun, was ordered held in $7,000 for action of the grand jury Tuesday in Western Municipal Court.

The patrolmen testified that Daniel Jones Jr., of the 400 block Pine St., pulled a .22 Cal. pistol from his coat pocket after they stopped him on the street for questioning.

"He fitted the description of the hold-up man we had heard broadcasting over the car radio. When we got out of the radio car I ordered Jones to halt," said Officer Robert Daughtery.

"But he began to back in a menacing manner, sort of crouched down, then pulled a gun out of his pocket."

PATROLMAN DAUGHTERY said he and Patrolman Robert Lamon and John Brown moved toward the man and each fired one shot.

Jones was taken to University Hospital where he was treated for two bullet wounds one in the left shoulder another in the upper chest.

Upon searching Jones the officers found in his inside coat pocket a second cal. pistol, this one fully loaded, they reported.

Jones was taken to Western Police district where an investigation failed to show that he had any connection with the hold-up in the 700 block Lanvale St.

Sgt. Anthony Wlytekusas, who supervised the investigation and questioning, testified that a line-up was held but witnesses were unable to make positive identification.

Jones was therefore charged with three counts of assault by threatening at gun point and carrying two dangerous and deadly weapons.

'Can't take law in his own hands'

"People in this city live by laws. While there are many things an individual does not like, he can't take the law in his own hands. This you have done."

Municipal Court Judge Aaron A. Baer issued that statement Wednesday in Northwestern after convicting a government worker of assaulting a newspaper reporter.

The worker, Alvin Jerome Bagley, 31, 130 block N. Potomac St., was sentenced to 60 days in jail and fined $200 and ordered to pay court cost of $4.

Mr. Bagley, who testified he is a "Congressional Correspondent" for a government agency, surrendered to Northwestern District police Wednesday afternoon after a warrant was issued for his arrest Tuesday morning by Judge Jerome Robinson.

THE WARRANT was issued on the complaint of Ralph Matthews Jr., who charged that Mr. Bagley "viciously and brutally" assaulted him Sunday night after accosting him in a laundromat at Garrison Blvd. and Duvall Ave. Mr. Matthews said he had accompanied Mr. Bagley's estranged wife to the laundromat.

Willlim H Murphy, attorney for the reporter, told Judge Baer Mr. Matthews sustained a "mild concussion" in addition to cuts and ruises of the face as a result of the beating which Judge Baer described as "no ordnary assault."

Science Shrinks Piles New Way Without Surgery Stops Itch—Relieves Pain
New York, N. Y. (Special) — For the first time science has found a new healing substance with the astonishing ability to shrink hemorrhoids, stop itching, and relieve pain — without surgery.
In one hemorrhoid case after another, "very striking improvement" was reported and verified by a doctor's observations.
Pain was relieved promptly. And, while gently relieving pain, actual reduction or retraction (shrinking) took place.
And most amazing of all — this improvement was maintained in cases where a doctor's observations were continued over a period of many months!
ments as "Piles have ceased to be a problem!" And among these sufferers were a very wide variety of hemorrhoid conditions, some of 10 to 20 years' standing.
All this, without the use of narcotics, anesthetics or astringents of any kind. The secret is a new healing substance (Bio-Dyne®) — the discovery of a world-famous research institution. Already, Bio-Dyne is in wide use for healing injured tissue on all parts of the body.
This new healing substance is offered in suppository or ointment form called Preparation H®. Ask for individually sealed convenient Preparation H Suppositories or Preparation H
