WOMAN'S POWER luncheon, in Baltimore, Sunday, drew, among others, Mesdames Frances Jones, Hazel Fleming, Rosa L. Thomas, Sarah Reid, Margaret Spriggs and Doris Streett, shown in top photo, left to right. What the conference an dluncheon lacked in numbers was made up in enthusiam, as shown in picture at bottom, when the group heard talks from various political candidates.

Women Power gives $11,000 to President

With the presentation of $11,365.60 to the Provident Re-development Plan, Sunday, Woman Power's gift to the hospital's building fund reached $73,164.30.

Mrs. Audrey Butler made the presentation at the luncheon which was a party of Woman Power's Seventh Annual Leadership Conference, held in Sheraton Belvedere Hotel and presided over by Mrs. Victorine Adams, executive director of the organization.

Dr. Saul Perdue, president of the board of trustees of Provident Hospital, and Charles G. Tildon, development director, received the contribution.

GIFTS of fitted travel cases were made to the contestants who participated in the Three Ring Charity Golf Tournament Queen Contest, from which the Provident Fund had received $1000 in August.

This project was co-sponsored by P. Ballentine and Sons, and that company's special market development representative, Lloyd Genue, presented the cases to the 18 leading contestants.

They included, in order, Miss Juanita Arvin, first place, who also received a $50 cash prize, which she returned to the Provident Fund; Mrs. Carrie Staten, Mrs. Delores Watkins, Mrs. Ernestine Wilson, Mrs. Doris Smith,

Also Mrs. Serena Mann, Miss Carlotta Jones, Mrs. Blanche Johnson, Mrs. Albert Watkins, Miss Joyce Jones, Miss Barbara Harris, Mrs. Palestine Owens, Mrs. Belvin Williams,

And Miss Carolyns Nelson, Miss Eva Maria Jahnichen, Miss Yvette Clarke, Miss Anma Butler and Miss Evelyn Johnson.

THE PAULINE BROOKS Dress Salon presented a show of fashions, along with hats by Nell Sheridan.

Mrs. Brooks tied in campaign to "get the vote out" through the comments which described the garments being shows by the models. Mrs. Mazie Rae was commentator.

DR. G. JAMES FLEMING, of the Institute of Political Science, in giving a summary of the conference, which had heard talks by candidates, urged the group to put voting first on their calendar for November 3, to not wait until after they have completed their work for the day and risk finding themselves too tired to get to the polls.

He also pointed out that a good vote volumn in this area will be an inspiration to the West Coast, where the returns go in later.

The illness that never got started

A lot of progress has been made in preventing baby illnesses. Hospitals have learned how to control the germs that threaten even the most spotless nursery.

They have learned that Lysol is one of the most successful preventives of environmental disease ever adopted.

Lysol is the quickest, safest, most effective way to eliminate disease germs while you do your regular housecleaning. Use Lysol Brand Disinfectant in the bathroom, kitchen, nursery, all through the house. Lysol added to your regular cleaning water is more effective than any bleach, any pine oil—at lower cost. And Lysol is as safe to use as your detergent.

Science Shrinks Piles New Way Without Surgery Stops Itch—Relieves Pain

New York, N. Y. (Special) — For the first time science has found a new healing substance with the astonishing ability to shrink hemorrhoids, stop itching, and relieve pain — without surgery.

In one hemorrhoid case after "another, very striking improvement" was reported and verified by a doctor's observations.

Pain was relieved promptly. And, while gently relieving pain, actual reduction or retraction (shrinking) took place.

And most amazing of all — this improvement was maintained in cases where a doctor's observations were continued over a period of many months!

In fact, results were so thorough that sufferers were able to make such astonishing statements as "Piles have ceased to be a problem!" And among these sufferers were a very wide variety of hemorrhoid conditions, some of 10 to 20 years' standing.

All this, without the use of narcotics, anesthetics or astringents of any kind. The secret is a new healing substance (Bio-Dyne®)—the discovery of a world-famous research institution. Already, Bio-Dyne is in wide use for healing injured tissue on all parts of the body.

This new healing substance is offered in suppository or ointment form called Preparation H®. Ask for individually sealed convenient Preparation H Suppositories or Preparation H Ointment with special applicator. Preparation H is sold at all drug counters.

Masons choose Mingo as secretary-general

WASHINGTON — James A. Mingo of Washington has been appointed secretary-general of the United Supreme Council of Prince Hall Scottish Rite Masons, Southern Jurisdiction, it was announced recently at the 78th annual meeting.

Two couples wed in Moorish rites

In unique Moorish rites, a double wedding ceremony here, recently, united Miss Cora E. Tyler and Judson Broadus Bey of Washington and Miss Shirley Ferrell El and Wallace Leon Bigelow of this city.

Mr. Broadus is the operator of a Washington tourist home, and is assistant grand Shiek in the Moorish Science Temple. Mrs. Bradus is a government secretary.

* * *

THE FORMER Miss Ferrell El, is daughter of Mrs. Sarah Ferrell El, and her bride-Bigelow of 1438 Pressman St., this city.

Mr. and Mrs. Bigelow will reside at 1156 N. Carey St.

The ceremonies were conducted by R. German Bey, Grand Governor of Maryland Moorish Science Temple, at the Society Temple, 719 W. Baltimore St.

* * *

IN ACCORDANCE with customs of the Moorish Society, the marriages were conducted in the presence of the American, State and Moorish Flags.

Both couples mounted carpeted steps of Love, Truth, Peace and Freedom to the flag-draped platform of Justice, where the rite took place.

To the burning of incense and the light from seven candle-sticks, representing the Moorish symbol the Circle Seven, the marriage began with quotes from the book of the Seven Seals from the Holy Koran, Bible of the Moors.

The Moorish Society claims 100 members in Maryland adding the name Bey or El to their given names, based on the belief that all colored Americans are descendants of the Moroccans.
