A VALUABLE FARM,

On the Patuxent River, Calvert County,
FOR SALE.

This Plantation contains about 700 acres, is most beautifully situated, has erected thereon a substantial well finished two-story brick dwelling-house, thirty-six by forty feet, and contains four rooms on each floor, a garret, and a cellar under the whole; the kitchen, barn, stables and every necessary out-building are in perfect repair. The land is well watered by several abundant springs, and has wood, principally of large cedar, enough for the consumption of the occupier; it is under tolerable fence, mostly cedars; and a sufficient part of the land is well calculated for meadow ground, which may be made at small expence. This property, which is equalled by no farm in Calvert county, and excelled by few in this state of the same number of acres, has every advantage of a farm bordering on an extensive river, such as fishing, fowling, oystering, &c. and is adapted to the growth of all kinds of produce, situated 110 miles from Baltimore by water, or 90 by land, three miles from St. Leonard's-creek, a post town, and about twenty miles from Lower Marlborough. Should the purchaser think proper, he can be accommodated with the present stock, farming utensils, household and kitchen furniture, &c. &c. at a fair valuation, also with 200 barrels of corn.

The terms will be made known on application to the subscriber.

JAMES J. PATTISON.

12,000 Dollars Wanted,

I wish in the course of the month to obtain *a loan of Twelve Thousand Dollars*, for one year; to secure the punctual payment of which, at the end of that time, I will mortgage landed property to the amount, in value of forty thousand dollars at least. The property principally is situated in or within 2 miles of this city, no part of it more than twelve from it. Should it be agreeable for any bank, or monied institution, or for any gentleman, or association of gentlemen, to loan the money, the interest thereon shall be paid in advance every 60 days at any bank the lender shall choose, under the penalty that the credit shall cease from default made; so that the capital advanced shall produce the same interest to the owner, as would be derived from so much bank stock.

Any further explanation or information may be had by those at a distance, addressing me by post; by those near me, communicating personally. The property meant to be mortgaged, is very eligible and the title indisputable. Mr. Lawrence Keene, who lives with me, will show it to any person or persons who wish to see it.

My time is so much engaged in business, that I have not leisure to make personal application, I have therefore adopted this mode. Whoever shall advance the money, will be secure from any loss, will enjoy the same profit upon it as if invested in bank stock, and will confer an obligation upon a person in the catalogue of whose vices, whatsoever they may be, ingratitude has never been named.

The object of this Lottery it is presumed, is already well known to the public, to whom the managers feel themselves under obligation to acknowledge the very spirited support and patronage the former class received. They look up with confidence to the same liberal public for that confidence of support to which so useful an establishment is entitled.

The advantages of the present Scheme of the Second Class to those who adventure with the prospect of gain, it is presumed are equal to any ever yet offered to the public.

Tickets at the low price of Five Dollars!

One Ticket may draw Forty Thousand Dollars!

There are only 12,000 Tickets, and not two and a half Blanks to a Prize. Will draw 500 Tickets each drawing, making only 24 drawing days.

From the foregoing considerations, together with the great demand for tickets, the commissioners are encouraged to announce that this lottery will positively commence drawing on the first Monday in June next.

Such Prizes as are not demanded within 12 months after the drawing shall be finished, will be considered as a generous donation to the Institution.

Five Dollars Reward.

On Sunday last between 1 and 5 o'clock A. M. some villain or villains broke privately into my house in Second Street, and robbed my desk of a small sum of money, and a pocket book containing sundry papers. Among the money was a $20 note of the Mechanics' Bank of Philadelphia; on the back of the note was $86 43 subtracted from $[illegible] with the remainder, all in figures; it was rolled in a certain order, signed by the clerk of Baltimore County Court. For the restoration of these, or the apprehension of the felon, the above reward will be given. It is hoped the public will be on their guard.
