A REVOLUTION IS CERTAIN! VICTORY IS OURS.

SUCH is the progress of Science in this age that nothing seems impossible. That there are new and scientific discoveries being made every day, no one will doubt. After a thorough investigation of the Vegetable Kingdom, with a view to obtain a positive or specific remedy for the numerous ills of humanity, I have succeeded in bringing together such. Three years have elapsed since its introduction, and it is now esteemed the most popular remedy in the *WORLD*, known as

Helmbold's Genuine Preparation.

HIGHLY CONCENTRATED COMPOUND FLUID

EXTRACT BUCHU.

For all Diseases of the Bladder, Kidneys, Urinary and Sexual Organs.

JOY TO THE AFFLICTED!!

It cures Diseases of the BLADDER, KIDNEYS, FEMALE COMPLAINTS, GRAVEL, CHRONIC GONORRHŒA, DROPSY, STRICTURES, GLEETS, OBSTRUCTIONS And all diseases arising from excesses and imprudencies in life,

NERVOUS & DEBILITATED SUFFERERS.

And removes all improper discharges from the Bladder, Kidneys or Sexual Organs, whether existing in *MALE OR FEMALE*,

No Matter of How Long Standing.

Giving Health and Vigor to the frame and BLOOM TO THE PALID CHEEK.

DEBILTY, brought on by abuse, a most terrible disease, which has brought thousands of the human family to untimely graves, thus blasting the brilliant hopes of parents and blighting in the bud the glorious ambition of many a noble youth, can be cured by the use of this

Infallible Remedy,

a and as medicine which must benefit everybody, from the simply delicate to the confirmed and despairing invalid, no equal is to be found. If you have contracted the terrible disease, which when once seated in the system undermines the constitution, sapping the very vital fluids of life,

Procure the Remedy at Once.

The Leprous distilment, whose effect
Holds such an enmity with blood of man,
That swift as quicksilver it courses through,
The natural gates and alleys of the body,
Curdling, like eager dropping s into milk,
The thin and wholesome blood.

Beware of Quack Nostrums & Quack Doctors.

HELMBOLD'S HIGHLY CONCENTRATED COMPOUND FLUID EXTRACT OF BUCHU

Is prepared directly according to the RULES OF PHARMACY & CHEMISTRY, with the greatest accuracy and chemical knowledge and care devoted to its combination. Its popularity has extended in all directions and whether used in our own country, hospital or private practice, has invariably given the most decided and unequivocal satisfaction and produced the most salutary and beneficial effects. It has been and is used in all the principal cities in the United States and British Provinces, in both public and private practice, with great success. Henceforth let it be understood, for the proofs are too overwhelming to be contradicted, that Helmbold's Highly Concentrated Compound Fluid Extract Buchu, is the most valuable remedy ever offered to the afflicted."

The mass of voluntary testimony in possession of the proprietor is immense, embracing names well known to SCIENCE AND FAME! Celebrated Physicians and Distinguished Clergymen.

See Professor Dewee's valuable work on the Practice of Physic and most of the late standard works of Medicine.

Dr. Ephraim McDowell, a highly distinguished physician and member of the Royal College of Surgeons, Ireland, and published in the transactions of the King and Queen's Journal, says: "The Fluid Extract Buchu having been lately strongly recommended, I was induced to make it a trial, and my experiments have resulted in the most satisfactory manner, having succeeded in saving the most inveterate cases in which I had no hopes of success."

An interesting letter is published in the Medico Chirurgical Review on the subject of Extract Buchu, by Benjamin Travers, F. R. S., speaking of Syphilis and diseases arising from excess of mercury, he states that "no remedy is equal to it—its power is extraordinary, more so than any drug I am acquainted with. It is in the strict sense a Tonic with this invaluable attribute, that it is applicable to a state of the system so sunken and yet so irritable as to render other substances of a Tonic class unavailable, or injurious." We take the liberty of marking, (in Italics.) says the distinguished, Dr. Johnson, because we most cordially concur with Mr. Travers in his statements of Extract Buchu.

It is a medicine which is perfectly pleasant in its taste and odor, but in mediate in its action, and it is taken by persons of either sex, without hindrance from business or medical advice, as explicit directions for use and an ample number of reliable and responsible certificates to convince the most skeptical will accompany each bottle.

Price $1 per bottle, or six bottles for $5. Delivered to any address. Prepared and sold by

H. T. HELMBOLD,
Practical and Analytical Chemist,
No. 52 South Tenth St., below Chesnut,
(Assembly Buildings,) Philadelphia.

THE subscriber informs the tax payers of Talbot county that he is prepared to receive their State and County Taxes for the year 1856 I hope they will be promptly paid, as I shall aim to close my collections within the time prescribed by law. The commissions paid for collecting the taxes are not sufficient to justify me in riding the county to make repeated calls on delinquents, therefore I shall expect tax payers to call on me at once, and settle their taxes. To enable persons to save the *four per cent* discount on their State tax, which they may do by paying their taxes during this month (September,) I shall be in Easton every Tuesday, at Trappe every other Saturday, beginning with to day, and at St Michaels when not on a cruise in other parts of the county. Mr Charles Robinson, in Easton, will receive and receipt for taxes for me during any day in the week for the Easton, Trappe and Chapel Districts.
