# Provident report: too small, too old to meet the increasing needs

Nine-month statistics released by Provident Hospital show that the 66-year-old institution in an out-moded building is still suffering from growing pains which can only be cured by the construction of a new building.

Dr. Saul M. Perdue, president of the Board of Trustees said, that "every department in the hospital has a strong increase in the work load."

"In fact," Dr. Perdue said, "we are at the saturation point. As just a small example, there is a waiting list for our two surgical rooms." He said, "however, there is a bright side to the picture."

"A new hospital is nearing reality every day, thanks to the hard work of hundreds of volunteers who want to be a part of the institution."

* * *

DR. PERDUE said, "More than $1,640,000 has been contributed toward the new hospital which will be constructed in Northwest Baltimore on 22 acres of property already purchased along Liberty Heights and Towanda Aves."

The contributions in the continuing fund campaign, plus City, State and Federal funds will make possible a 300-bed, $8,000,000 hospital to replace the 104-year-old building at 1514 Division Street.

Dr. Perdue said, "The adult admissions for the first nine months of this year totaled 4,259."

"Last year at this time," he continued, "the total was 4,057."

To further emphasize the growth, he pointed out that in 1950, the total adult admissions for the year was 3,531.

The days of care for nine months of this year totaled 30,734 against 28,287 for the same period last year.

"With three months still ahead of us," Dr. Perdue said, "the hospital will easily show a higher figure than last year's total of 37,396."

* * *

THE SMALL Hospital's accident room continues to be one of the busiest in the city.

For the first nine months there were 16,396 admissions to the emergency room against 15,159 for last year.

The total admissions for last year was 20,211 and in 1950, the total admissions were 10,453.

Out patient clinic visits at 8,302 are running 613 ahead of last year.

There have been 8,470 inpatient x-ray examinations, 1,296 more than last year, and 115,599 inpatient laboratory examinations, 15,519 more than for the same period last year.

"These are just a few of the hospital's nine-month statistics," Dr. Perdue said. "Every pase of activity in the building has shown growth."

* * *

THE RATE of occupancy for the first nine months of this year was 81.9 per cent against 75.9 for last year. The daily average census for the 137-bed hospital has been 112.1 against 103.3 last year.

The campaign workers for a New Provident are being directed by George L. Russell Jr., and Samuel M. Hecht.

The Provident Hospital Development Program, with offices in Room 1015 Mondawmin Concourse, is under the direction of Charles G. Tildon.

# Morgan coed struck by car days before bridge to open

Nine days before the opening of the $65,000 footbridge 20 feet above the heavy traffic of E. Cold Spring La., at Morgan State College, another student became the victim of an accident Tuesday evening.

Miss Jo Ann Bracey, a 21-year-old Morgan senior, was struck by the car driven by Karl B. Garrity, 20, 1200 block E. Cold Spring La., as she attempted to cross the busy throughfare.

A student at Baltimore Junior College, Mr. Garrity, has been charged with reckless driving.

Miss Bracey was taken to Union Memorial Hospital where she was treated and released. Her parents, Mr. and Mrs. Joseph Bracey, 2230 Longwood St., said she is still suffering from injuries believed to be of an internal nature.

* * *

THE ACCIDENT followed in the wake of an announcement made earlier this week by Dr. Martin Jenkins, Morgan president, of the dedication of the footbridge next Thursday.

Highlighting the brief ceremony, scheduled to begin at 4:30 p.m., will be the cutting of the ribbon by Gov. Millard Tawes.

The footbridge, which connects the campus North and South, in addition to its 20 foot height, is 14 feet wide and 290 feet long.

Dr. Howard Cornish, director of the Morgan Christian Center, will offer the dedication prayer.

Gov. Tawes, Dr. Carl Murphy, chairman of the Board of Trustees, and Dr. Jenkins will lead the procession across the bridge.

They will be followed by Reginald Kearney, Student Government president; Miss Brenda Thompson, "Miss Morgan"; Miss Elise Jude, vice president, Student Government; members of the Trustee Board, ROTC Honor Guard, the Morgan Band and the college community.
